WRIGHT WOEFULLY WRONG

A Southern Man and Once a Democrat He Lauds Taft and Denounces Bryan

New York, Oct. 20.—Secretary of War Luke E. Wright, a member of the President's cabinet, from Tennessee, and at one time governor of the Philippines, and the first ambassador to Japan, was the principal speaker here last night. By training and education a Democrat, he bolted the first nomination of Mr. Bryan in 1896. Last night he reiterated his opposition to him and came out emphatically for the election of Mr. Taft. He asserted that even the most friendly judge must admit that in the election of William J. Bryan the people are making most "hazardous experiment," and predicted that in the election of Mr. Taft all the great interests of the country "will be assured of a square deal" and will resume their march of progress.

Seldom has Mr. Bryan been so severely arraigned during the present campaign as he was by Gen. Wright. The secretary ridiculed the feature of the tariff plank in Mr. Bryan's platform, which proposes to put on the free list trust controlled manufactures. He declared that it reminded him of the proposition to cure a case of indigestion by giving the patient Rough on Rats.

Gen. Wright was greeted with enthusiastic cheering when he appeared and his speech was repeatedly interrupted by cheering and applause.

The speaker condemned Mr. Bryan in sharp terms for the latter's reference in a recent speech to President Roosevelt, "as the hired man." Gen. Wright said that such statements "tickled the groundling, out made the judicious James."

Dr. King's New Discovery is the King of throat and lung remedies. For coughs and colds it has no equal. The first dose gives relief. Try it! Sold under guarantee at all drugstores, 50¢ and \$1. DIVORCE SUIT DENIED

Mrs. Hains Makes Damaging Allegations Against Her Husband's Brother

Brooklyn, Oct. 21.—The application of Mrs. Gladie Hains for alimony and counsel fees to defend a suit for divorce brought by Capt. Peter C. Hains, Jr., awaiting trial for killing William E. Annis, was denied by Justice Carr in Brooklyn. Mrs. Hains' request that she be granted the custody of her children also was denied. Annis was named as correspondent in Captain Hains' suit for divorce. Justice Carr, in his decision, said that Captain Hains has no means by which to pay either alimony or counsel fees, as his salary has been suspended since his imprisonment, and his own small means are needed for his own defense. The court also gave as a reason that Mrs. Hains is in a comfortable home with her parents in Massachusetts.

"As to the custody of the children," said Justice Carr, "a similar embarrassment exists. The children are with the father's parents outside this state, and the defendant has no home in this state, and declares that if she gets possession of the children she will take them to Massachusetts. I feel it inadvisable at this moment to disturb the situation."

Mrs. Hains denied that she had been guilty of any impropriety with Annis, and said she believed her husband's act and his charges were prompted by his brother, T. Jenkins Hains, who threatened to injure her for refusing his advances. "He endeavored several times while my husband was away to make advances," she asserted, "going so far as to enter my room. I repulsed him, and he declared he would be revenged."

DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O.

Sold by all Druggists, 75c. Take Hall's family Pills for constipation.

MISTREATED BY MISCREANTS

Terrible Experience of an Italian Girl On Long Island

Huntington, L. I., Oct. 20.—After spending a night in terror, hiding in a barn from friends who were searching for her, Mrs. Abbie Meclongola, who was twice kidnapped by two men and kept a prisoner in the woods, returned to her sister's home in this village yesterday. She was so frightened and dazed by her experience at the hands of the kidnapers that she could tell no connected story of her ill treatment.

Mrs. Meclongola is 17 years old, the daughter of a well-to-do farmer and the wife of a contractor to whom she was married six months ago. She was first dragged from her home on October 10, a night after her being led to the woods between two armed men. Three days later, after her father and husband had sought for her in vain, she staggered into her father's home and said that she could remember little that had happened during her absence except that she had been kept a prisoner in a swamp by two men.

A few days later another attempt to kidnap her from her father's house was made but was frustrated by the appearance of her husband.

Again last Saturday afternoon the two kidnapers raided her father's home and, using a revolver, dragged the young wife away. The help of the police again was summoned and Monday afternoon she was found in the custody of two men in the woods near Huntington. The girl was lying on a pile of brush while her captors were playing a game of cards. The kidnapers gave battle to the police but were overcome and arrested. Alarmed and apparently half-crazed, the girl fled to the swamp. The police pursued her for a short distance but soon lost trace of her.

Davison, of No. 379 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at all drugstores, 50c.

EVERY WISH ANTICIPATED

When It Comes to a Perfect Welcome, the Japanese Can Give Us Cards and Spades

Tokio, Oct. 20.—The reception accorded the American Atlantic fleet by government and people of Japan, is conceded by American naval officers to be the heartiest and most perfectly carried out of the many receptions received by the fleet since it sailed from Hampton Roads. Rear Admiral Sperry said to the Associated Press that the welcome given the fleet and its officers and men has been so carefully planned and carried out to the most minute detail that a lasting impression has been stamped upon the mind of every American here.

The men of the American and Japanese fleets are fraternizing everywhere in Tokyo and Yokohama. Every wish of the American sailors is anticipated and each blue jacket finds an English-speaking guide among the Japanese sailors. The American uniform is the open sesame everywhere, the cordiality of the Japanese extending to the inhabitants of the most remote villages. It is impossible to doubt the sincerity of the Japanese. The American officers and sailors are already beginning to understand the fact that the evident desire on the part of the Japanese for the friendship of America is not founded upon opportunism, but finds its source in a sincere wish to show that such friendship, at least on the part of the Japanese, has existed always, and that this visit of the fleet has merely afforded the Japanese an opportunity for the expression of that feeling.

ENTERTAINED BY THE EMPEROR

Brilliant Reception to American Naval Officers, who Bore Message of Good Will to Japan

Tokio, Japan, Oct. 21.—After a day of brilliant social functions, Admiral Sperry and his flag officers rested last night at Shiba Palace. The chief event of the day was an audience granted Admiral Sperry, Schroeder and Emery and Ambassador O'Brien in the Imperial Palace. Last night they and the captains of the fleet were the guests of the emperor. The formal exchange of greetings between President Roosevelt, acting through Admiral Sperry, and the Mikado took place at this reception and the event marks a new epoch in the friendly relations between America and Japan. The emperor was deeply affected by the message of good will from President Roosevelt.

HOME MADE KIDNEY CURE

The following prescription for the cure of rheumatism and kidney and bladder troubles has no doubt been filed millions of times, viz: Fluid Extract Buchu, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. These simple, harmless ingredients can be obtained at any good prescription pharmacy at little cost and are mixed by shaking well in a bottle.

The dose for adults is a teaspoonful after each meal and at bedtime, drinking a full tumblerful of water after each dose. It is stated that this prescription is a positive remedy for kidney trouble and lame back, weak bladder and urinary difficulties, especially the elderly people, and one of the best things used in rheumatic affections, relieving the aches and pains and reducing swellings.

A well-known authority states that this mixture acts directly upon the eliminative tissues of the kidneys; cleanses these spongelike organs and gives them the power to sift and strain the poisonous matter and uric acid from the blood which is the cause of rheumatism.

PENNSYLVANIA TOWNS IN PERIL

People Out in Force Fighting Fierce Forest Fires

Philadelphia, Oct. 21.—From nearly every mountainous section of Pennsylvania comes the report of forest and brush fires, the flames in some instances endangering villages that are surrounded by woodlands.

Most of these fires are believed to have been started by hunters, near Williamsport in the central part of the state. Citizens of villages are fighting the fires. At Trout Run every available man and youth has been fighting the flames continuously since Friday night. A wall of fire which was four miles long and almost encircled Trout Run, became such a menace that women began to prepare their households for quick moving. At Norcross, Pa., the flames have been fighting the fire since Sunday. The thick woods run almost to the doors of the village's houses and completely surrounded the town. The fires on the Allegheny mountains are burning with renewed vigor, and all efforts to check them have been unsuccessful.

On the Mountains

Johnstown, Pa., Oct. 21.—Forest fires throughout the Allegheny mountains are spreading rapidly, and the conditions are alarming. The eastern slope of mountains is ablaze for several miles, and a number of villages are threatened with destruction. Smoke hangs like a pall over miles of territory.
