Paste This In Your Hat
 Dr. J. C. Boozer has on display at the Commercial Bank a tumbler of Mrs. Geo. L. Taylor guava jelly. A countryman came in this morning, took a look at it, and remarked that he was going straight home and tell his wife about it and meet Mrs. Taylor at the county fair. That is the spirit.

Mr. C. C. Johnson, the capable and efficient bookkeeper for the Ocala Furniture Company, will give up his position November 1st and take up his old work of teaching school near Live Oak. Messrs. Smith & Roberts regret to lose Mr. Johnson.

We see by the Gainesville Sun that Mrs. Julia S. Haisley, who spent the summer at her old home at Lewes, Del., is now in the University City and will return to Ocala shortly.

Miss Lorena Freeman, of Belleview, has accepted the position of bookkeeper for the Ocala Furniture Co., and has assumed her duties under the instruction of Mr. C. C. Johnson, who will relinquish the task November 1st. Miss Freeman is an ambitious young lady, is a graduate of the Belleview school and has fitted herself during the past year to do typewriting, shorthand and bookkeeping.

Rev. C. C. Carroll will attend the Marion Baptist Association at the Oklawaha Bridge Baptist church and the editor of the Star expects to accompany him.

Tom Bridges of Blitchton was in the city today and said that section was visited by a light shower of rain last evening.

Our sportsmen are getting ready for quail next Monday, when the woods will ring with the reports of many guns. It is reported that game is quite plentiful this year, owing to the rigid enforcement of the game laws during the closed season.

Mr. P. R. Lester, who is now proprietor of the Almeria hotel, Tampa, is leaving with his family. Mr. Lester we are sorry to learn, will soon move his family to Tampa.

A BRAVE WOMAN'S SACRIFICE
 New York, Oct. 28.—Miss Mary Farrell, a seamstress, is dying in a hospital here, having sacrificed her life in order to save other occupants of a tenement in which she alone occupied the top floor.

While cooking on an oil stove the stove caught fire, and fearing that the building would be ignited she grabbed the burning stove and carried it down two flights of stairs. At the bottom of the last flight her dress commenced to blaze and the brave woman fell upon the burning stove. Her injuries are of a very serious nature, and it is thought that there is little possibility for her recovery.

 "I have found Bucklen's Arnica Salve to be the proper thing to use for sore feet, as well as for healing burns, sores, cuts, and all manner of abrasions," writes Mr. W. Stone, of East Poland, Maine. It is the proper thing to use for piles. Try it! Sold under guarantee at all drug stores, 25c.

LOST CHILD
 At Royal Fla., on October 1st, a child between three and four years of age left its home to follow the larger children to school. The child left soon after the other children and soon the mother missing the little one, started out to hunt for it. She went to Prof. Dunklin's school, inquired of the larger children, but they had not seen it. She then hurried away and sent for the father and all began a serious search. The woods nearby were soon scoured by large crowds of men, women and children all day Wednesday, but it was late Friday afternoon when the little Willie was found bogged up to his neck in mud and water. The child was still alive, but had had nothing to eat for two days.

BRYAN CANVASSED NEW YORK AND BROOKLYN
 Greeted by Great Crowds and Immense Enthusiasm

New York, Oct. 28.—Winding up his remarkable campaign in and about Greater New York, William J. Bryan was whirled 115 miles by automobile in Manhattan and Brooklyn during the day and night, and made eight speeches between the hours of 6 and 12 last night.

In New York he was accompanied by Tammany Leader Charles F. Murphy. Arriving at Brooklyn Bridge he was met by Senator Patrick H. McCarren, the democratic leader of King's county. Lieut. Gov. Lewis Stuyvesant Chanler's campaign for governor coincided with Mr. Bryan's itinerary both in Manhattan and Brooklyn, and while he in one place was speaking for loyal support of the national ticket Mr. Bryan at another was urging votes for the state candidates from Lieut. Gov. Chanler down and for the democratic nominees for Congress.

Mr. Bryan made eighteen speeches during the long and tiresome day and everywhere he went—ploughing at times through mud and rain in a rush to keep his many engagements—he was greeted by some of the largest and most enthusiastic audiences of his country-wide tour.

The democratic candidate's eventful day began at 3 a. m., when he addressed the night workers from the steps of the City Hall at the most unique political meeting ever held in a presidential campaign. Then followed a Broadway meeting at 10 o'clock and a forenoon trip to Brooklyn to address an audience of laboring men in Wall street about Market Square.

From Brooklyn Mr. Bryan hurried across to Long Island City, then to Jersey City, where three speeches ended the New Jersey campaign. Back in New York again Mr. Bryan was the guest of the College Men's Democratic Club, and then with Mr. Murphy was hurried up town for two Harlem meetings.

Six meetings in Brooklyn—the principal one at Clermont Avenue Rink—brought the day's work to a close. Although he had but two hours' sleep out of 48, Mr. Bryan spoke with all his characteristic vigor and good humor.

In all of his speeches yesterday, Mr. Bryan warned the working man against traitors among them who voted the republican ticket and would vote to repudiate the things that labor demanded in the Denver platform. He held up Mr. Taft as the enemy of labor and assailed him and President Roosevelt at every opportunity. Mr. Bryan's reference to the guarantee of bank deposits brought shouts of approval at all of his meetings.

Lieut. Gov. Chanler shared everywhere in the welcomes that were accorded to Mr. Bryan.

AN AUSPICIOUS OMEN
 Liberals Won in Canada—They Correspond to the Democrats in the United States

Ottawa, Ont., Oct. 28.—The latest returns from the parliamentary elections throughout Canada yesterday indicate that the liberals will have a majority of at least 55 in the next house of commons. This gives the liberal government five more years of power. The province of Quebec remained loyal to Laurier, electing liberals in almost every constituency. Ontario showed a slight liberal gain. The conservatives gained a few seats in Manitoba and also captured several in Nova Scotia. The entire liberal cabinet with the exception of William Templeman, minister of mines, was returned. In Winnipeg, after a day of rioting, which the police were powerless to prevent, the government was defeated.

MARRIED MAN IN TROUBLE

THE NEW MARCELLE

Remember, next Sunday. No extra charge. Order the Sunday World in advance today.

AUTO FREIGHT AND PASSENGER LINE
 Cars of 60-Horse Power Will Carry 27 passengers and 10 Tons of Freight

Spokane, Wash., Oct. 28.—What is believed to be the longest automobile freight and passenger stage line on the continent is to be established in a few days between Oroville and Brewster in Okanogan county, Wash., connecting with a steamer line to Wenatchee.

The line will have two 60-horse power cars, which will carry twenty-seven passengers and ten tons of freight, making the run of eighty miles in eight hours. The trip by wagon now occupies almost two days. Branch lines will also be established to other points in the Okanogan country. The other line is between Marcus and Kettle Falls in Stevens county, north of Spokane, connecting with a steamer to Spokane Falls.

The cars will be of twenty-five and thirty horse power respectively. F. L. Barney has charge of the automobile line, while Capt. Bruce A. Griggs, a veteran river man, will operate the steamer line.

Something like the above—a line of boats on the Oklawaha and autos to Ocala from Silver Springs—would solve our freight problem.

BLOCKS OF FIVE WILL PROBABLY BE BOUGHT

Tipton, Ind., Oct. 28.—John W. Kern in a speech here yesterday said he was reliably informed that \$100,000 contributed by trusts had been brought into Indiana Sunday and passed thro' the hands of Fred Sims, secretary of state.

RHEUMATISM PRESCRIPTION

Cut this out and put in some safe place, for it is valuable and worth more than anything else in the world if you should have an attack of rheumatism or bladder trouble or any derangement of the kidneys whatever.

The prescription is simple and can be made up by anyone at home. The ingredients can be had at any good prescription pharmacy and all that is necessary is to shake them well in a bottle.

Here it is: Fluid extract dandelion, one-half ounce; Compound Kargon, one ounce; compound syrup of sarsaparilla, three ounces.

Take a teaspoonful after each meal and at bedtime. A few doses is said to relieve almost any case of bladder trouble, frequent urination, pain and scalding, weakness and backache, pain above the kidneys, etc. It is now claimed to be the method of curing chronic rheumatism, because of its direct and positive action upon the eliminative tissues of the kidneys. It gives them life and power to sift and strain the poisonous waste matter and uric acid from the blood, relieving the worst forms of Rheumatism and kidney and bladder troubles. The extract dandelion acts upon the stomach and liver and is used also extensively for relieving constipation and indigestion. Compound sarsaparilla cleans and enriches the blood. There is nothing better than Kargon Compound for the kidneys.

This prescription is safe to use at any time.

 REAL STATE AND INVESTMENTS
 Rooms 27 and 28, Holder Block
 OCALA, FLORIDA

The man who waits for a proven, producing proposition before investing will always pay every cent the stock is worth. It's the man who takes a chance on the ground floor that really gets the cream. Always investigate and act with due caution but you will lose out entirely and every time if you wait for a "cinch." Equal parts of nerve and common sense will be found a very palatable dose and a combination hard to beat.

If you want to buy a home in Ocala, I can offer you one of the very few places on the market on Oklawaha avenue.

Frontage is 96 feet and the lot runs back 480 feet. House is one story containing five rooms, kitchen and bathroom; city water, gas, electric light and modern plumbing; stable and servant's house in yard. Price, \$2,300, half cash and balance spread over three years.

If you want to build a store building to rent I have a lot on Fort King avenue between the Pittman building and the new building just erected by Guerrant & Carmichael. Frontage is 43 feet by 110 feet deep. The building now on it is old but rents for enough to pay interest on the investment. Price is \$850.

OAKRIDGE lots on the Shady Grove hard road and within the city limits can be bought for \$75 to \$90; 100 feet front by 125 feet deep; 10% cash and \$1 per week. Free deed in case of death. No taxes to pay until 1909. Map and prices on application.

WOODMAR. This property is on the most beautiful lake in Florida, on a bluff which rises from 25 feet to 75 feet above the level of the lake. The A. C. L. railroad runs between the edge of the lake and the bluff. Four years ago when I platted this property and offered to sell lots I was laughed at by many and the word "fool" more than once dropped in connection with this property. Try and buy back for me the lots I have already sold and come and see me. I have raised the prices once and will raise again until another Mr. Flagler sees the beauties of the place and then he can have it if he will pay the price. The streets are all planned to shade trees and water works installed—good water too. Buy a lot now. You can buy on terms but you can't buy at a discount. Map and prices on application.

A JEWELER'S EXPERIENCE
 C. R. Kluger, The Jeweler, 1960 Virginia Ave., Indianapolis, Ind., writes: "I was so weak from kidney trouble that I could hardly walk a hundred feet. Four bottles of Foley's Kidney Remedy cleared my complexion, cured my backache and the irregularities disappeared, and I can now attend to business every day, and recommend Foley's Kidney Remedy to all sufferers, as it cured me after the doctors and other remedies failed. Sold by all dealers."

 Pitiful Plight of a Little Girl from Pasco County
 (Times-Union, 27th.)
 Driven away from home, so she declares, by her brother-in-law, who threatened her bodily harm if she remained at his domicile, and placed by her sister on a train for Jacksonville, the little girl was crying pitifully when she reached the mission, but when she realized that she was under the protecting wing of Dr. Bateman, she calmed down and told her story.

A PLEDGE OF PEACE
 Tokio, Japan, Oct. 28.—Nothing has so convinced the Japanese that the American government has confidence in the Japanese friendly overtures, as the order of President Roosevelt to the Pacific squadron to proceed to the Atlantic coast as soon as the spring maneuvers are completed. This order means that America will temporarily evacuate the Pacific, and according to the Japanese viewpoint it never would have been issued if President Roosevelt had been the least skeptical of the sincerity of the Japanese expressions of friendship. Suggestions for a conference of the powers interested in the control of the Pacific continue to grow in favor.
 The oldest statesman, Viscount Enomoto, and one of the founders of the Japanese navy, died yesterday.
