RIPPING UP THE REPUBLICANS

Bryan Poured Red-hot Shot into the G. O. P. All Day Yesterday

New York, Oct. 29.—Mr. Bryan began yesterday's speaking tour at the rooms of the Order of Acorns in Broadway, where Lieut. Gov. Chanler was also a speaker. "The republican party is not in sympathy with the masses," said Mr. Bryan, "and will not legislate for them, and when a man feels that his party is not standing for him he will not stand for the party."

Regulation of Banks

"Last year I saw hundreds of people sitting in the rain one Sunday morning, and they were going to sit there until Monday morning, in order that they might get a check at the bank. Did the republican party attempt to regulate banks more carefully? Did it attempt to protect people from the men who got in on the inside and exploited with depositors' money?"

The only bill that was passed was one that financed the banks for, giving them a larger hold on the banks of the country. Fifteen million depositors asked for protection and the Republican party ignored their demands and listened to the demands of a few financiers.

"I am getting older now; they no longer call me the boy orator. I am afraid they will soon say I am too old to speak. But I am interested in the kind of government I am going to leave to my children, and if I leave them a good government, that is worth more than a fortune to them. Let's make the government as good as we can make it. Let's make the name of the American citizen as good as we can make it."

Make a Just Government

"Let's make the government just to the poor and to the rich and to those in every department of society, and whether we be young, middle aged or old, we will feel that such a government is not only a blessing to the living, but that those who die will feel that they leave it as a rich inheritance to those who come after them."

"We cannot tell just now the size of the sweeping victory we are going to win; but indications point to a very large one. Reports from Ohio, Iowa, Kansas, Wisconsin, Indiana and Illinois will tell you that all those states will vote the Democratic ticket. If their reports are true, we will have so many votes that by the time we get to the Allegheny mountains we may not need votes east of those mountains. I want it to be a victory in which every part of this country shall have a part. I want New York to have a share."

"If we win it is going to be a people's victory. If we win it is going to be a people's government and a people's administration, and I want the Democrats of New York to say that they helped to do it."

Speaking before a vast crowd in Brooklyn, Mr. Bryan paid a glowing tribute to the efforts of Samuel Gompers in behalf of Democracy and said he would not permit it if he did not believe Mr. Gompers would be rewarded in the event of Democratic success. "If I am elected," he said, "I want a representative of the wage earners in my cabinet in order that I may consult him in matters concerning labor."

"If any man tells you that if I am elected he will close down his business, ask him to give you a bond that he will keep it open full time if I am defeated, and if he declines to do so, I will not permit it. I failed there in 1896 and men failed just the same. They said then that if I failed there would be better times. Mr. Taft has expressed the opinion that if I am elected there will be another panic. If they can prevent panics if Taft is elected why can't they do it if I am elected? I put this one off four months so that it would be my panic."

In conclusion Mr. Bryan promised if elected to call an extra session of Congress to consider the planks of the Democratic platform.

EXCELLENT HEALTH ADVICE

Mrs. M. M. Davison, of No. 379 Gifford Ave., San Jose, Cal., says: "The worth of Electric Bitters as a general family remedy, for headache, biliousness and torpor of the liver and bowels is so pronounced that I am prompted to say a word in its favor, for the benefit of those seeking relief from such afflictions. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at all drugstores, 50c.

THE DIARY OF A DELINQUENT

January 1st, 1904.—Subscribed today for the local paper, because I think every citizen should do so, in recognition of the work it is doing for the town and section wherein it is published. Paid a year in advance. That's the only way to do business. Now I can read it with enjoyment because it's paid for—it's MY paper.

January 5th, 1904.—Received first copy of local paper, and find it very interesting. It's wonders how much these papers do for a place. They ought to be better patronized.

December 1st, 1904.—Notice that my subscription to local paper will soon expire. Must renew; can't do without it.

February 1st, 1905.—Haven't been able to find a dollar to renew subscription yet, but will do so soon, I hope.

December 1st, 1905.—Well, I'll declare, my paper's past due nearly a year. I'll have to see the editor and pay him up pretty soon. Maybe I'll stop the paper. It don't seem to be as good as it used to be, anyway.

Jan. 1st, 1907.—Here's that old paper again! It gets poorer every issue. I wonder if the editor expects me to pay for it. Well, if he does, he's mistaken, that's all.

June 10th, 1907.—Saw Bill Smith at the postoffice today and showed him a dun I just got from the editor for three years' subscription. Told Bill that course I never subscribed for the paper, but it just kept a-coming; couldn't get 'em to stop it. Bill loved that he thought it was a mighty good paper. Noticed from the date on HIS paper that it was paid for till next January.

August 1st, 1908.—Got a notice from the editor saying he was going to stop the paper if it wasn't paid for by October 1st. But I don't believe it. He has to send it to influential people like me so he'll have some circulation.

September 24th, 1908.—I knew that editor was just foaming. Got another notice from him saying that he'd extend the time to October 10th. Reckon he will! Ha! Ha! Ha!

October 10th, 1908.—Well, I'll be darned! I didn't get any paper today! Wasn't much account, but I miss it somehow. Guess I'll borrow Bill Smith's. It wasn't such a bad paper, after all. Maybe I'll subscribe again soon.—Lakeland News.

Dr. Pierce's Common Sense Health Talks

No man is stronger than his stomach. Make your stomach strong and you thereby fortify your system against the attacks of a long list of diseases which originate in the stomach and must be reached, if at all through the stomach. Thus torpid, or lazy liver, biliousness, dyspepsia, impure blood and various skin affections originate in weak stomach and consequent poor nutrition. The same is true of certain bronchial, throat and lung affections.

Dr. Pierce's Golden Medical Discovery

Strengthens the stomach, invigorates the liver, purifies the blood making it rich, red and vitalizing and thereby curing the above and kindred affections.

It's foolish and often dangerous to experiment with new or but slightly tested medicines—sometimes urged upon the afflicted as "just as good" or better than "Golden Medical Discovery." The dishonest dealer sometimes insist that he knows what the proffered substitute is made of, but you don't and it is decidedly for your interest that you should know what you are taking into your stomach and system expecting it to act as a curative. To him its only a difference of profit. Therefore, insist on having Dr. Pierce's Golden Medical Discovery. If not promptly supplied trade elsewhere.

PROHIBITION IN OHIO

Columbus, Ohio, Oct. 29.—The wave of prohibition sweeping over Ohio, has already rendered 37 out of the 88 counties of Ohio dry; according to a statement issued today by the anti-saloon league. A total of 1,041 saloons have been put out of business. Trumbull, Greene and Williams counties voted dry yesterday.

A HARD STRUGGLE

Many an Ocala Citizen Finds the Struggle Hard

With a back constantly aching. With distressing urinary disorders. Daily existence is but a struggle. No need to keep it up. Doan's Kidney Pills will cure you. Mrs. Anna Erickson, Third St., Sanford, Fla., says: "I was a victim of kidney trouble for years, the kidneys being so weak that I had but little control over the action of the secretions. I suffered almost constantly from backache accompanied by pains across my loins and some days I could hardly get around, having so little strength and energy. I finally obtained a box of Doan's Kidney Pills and their use as directed soon proved that they were the remedy I needed. The kidneys gradually became stronger my back ceased to ache and the pains across my loins disappeared. I have been able to rest well at night since and as a result, have felt much better in every way. Doan's Kidney Pills have certainly benefited me more than any other remedy I ever used."

COLORED MASS MEETING

A citizens mass meeting is hereby called to meet at Odd Fellows Hall this evening at 8 o'clock. We earnestly hope that as many of the patrons of Howard's Academy as can will attend, as we must adopt some ways and means to better control our children. The waywardness and rudeness of our boys and girls, especially going to and from school, has reached an alarming state, and something must be done to check them ere too late. We want to jointly consider and agree upon the best means to an end to make our children more lawabiding, obedient at the school house, of good deportment on the streets and mindful at all times of the golden rule.

Signed: Rev. D. M. Baxter, F. P. Gadsden, F. K. Powers, L. C. Jackson, C. H. Stewart, J. S. LaRoche, E. H. Mitchell, S. L. Jackson.

Eat What

You want of the food you need Kodol will digest it.

You need a sufficient amount of good wholesome food and more than this you need to fully digest it. Else you can't gain strength, nor can you strengthen your stomach if it is weak. You must eat in order to live and maintain strength.

You must not diet, because the body requires that you eat a sufficient amount of food regularly.

But this food must be digested, and it must be digested thoroughly. When the stomach can't do it, you must take something that will help the stomach.

The proper way to do is to eat what you want, and let Kodol digest the food.

Nothing else can do this. When the stomach is weak it needs help; you must help it by giving it rest, and Kodol will do that.

Kodol is made at the laboratories of E. C. DeWitt & Co., Chicago.
