ABRAMS A GOOD ADVERTISER

His Criticism of Drainage Seems to Help the Sale of the State's Everglades Land

(Jacksonville Metropolis, 3rd.)

Published criticisms of Col. Alexander St. Clair-Abrams regarding alleged fearful overflow conditions in the Everglades to the contrary notwithstanding, Governor Broward and the Internal Improvement Board seem to have experienced little difficulty in disposing of reclaimed lands. In fact, they could dispose of nearly every acre owned by the state if better prices than have been offered were not desired. Since June 4th of the present year a total of 114,568.22 acres have been sold.

Governor Broward's Statement

Governor Broward, who was in the city as a guest of the Aragon yesterday, was asked for a statement regarding the Evelglades' condition at present, with special reference to the last published card from Col. Abrams.

"I am too busy to give consideration to Major Abrams and his articles, which are of no consequence," said the governor. "I am at a loss to know why he persists in writing.

"If the articles of Major Abrams were read with any degree of interest they might do the Everglades work some good from an advertising standpoint; in fact, I believe his criticisms have resulted in two of our largest sales. Since June 4th we have sold a total of 114,568.22 acres of land, and the intereeting part of the affair is that the largest single sale recorded—amounting to 80,000 acres—and another amounting to over 6,000 acres, have been consummated since the major recently hurled one of his alleged thunderbolts at the Everglades in general, completely submerging every piece of land in the vast territory with an awful deluge of—words. One of the purchases was made while the purchaser had a copy of the major's criticism in his hands. He had read the article with a great deal of amusement. The land referred to is all between Ft. Lauderdale and Miami, the section principally criticised.

Irresistibly Funny

"Statements regarding water overflowing some of the reclaimed land in that section appeal to me as being irresistibly funny, and I am at a loss to know whether those making attacks were serious or attempting to play a practical joke. Considerable land was overflowed for this very good reason: The damming of the canal below the dredge, as any child should know, is absolutely necessary to give the canal sufficient depth to float the dredge, and this, with the heavy fall of rain usual for the season, caused the overflow that has brought on the mighty shafts of criticism.

List of Sales

"To show you that the major's letters are doing some good in the advertising line," said Governor Broward, "I will give you a list of the sales recently made."

The list follows:

R. P. Davis, June 4th, 27,486.09 acres.
R. P. Davis, Sept. 2nd, 640 acres.
Walter R. Comfort, October 13th, 6,422.13 acres.
Davis Realty Company, October 26th, 80,000.
J. D. Gage, October 31st, 20 acres.

Not even a scar remained." Guaranteed for piles, sores, burns, etc. Twenty-five cents at all drug stores.

DEMOCRATIC MAJORITY REDUCED IN GEORGIA

Atlanta, Nov. 5.—Returns from about 100 counties in Georgia received up to midnight indicate that Bryan's majority in Georgia, over all other presidential candidates will be 20,000 to 25,000, as against a majority of 36,000 for Parker in 1904 and 41,000 for Bryan in 1900.

Both Mr. Taft and Mr. Watson have polled a comparatively good vote in the state. Out of the counties heard from Mr. Taft carried six—Harrison, McIntosh, Gilmer, Forsythe, Talia-

A DREADFUL ACCIDENT

Welborn, Nov. 4.—News reached here yesterday of the shooting of two little white children, by a negro boy, at the Camp Lumber Company's mills, near White Springs, one of the children being in a serious condition and not expected to live.

Mrs. George Williams, wife of a trusted employee of R. J. and B. F. Camp, sent her little boys, aged 3 and 5 years, to the home of Ed Wesley, a negro, with a message to a negro woman to come to her home and help her with some housework.

When the little boys entered the negro's yard, a 7-year-old negro boy was playing with a pistol, which in some manner was discharged. The bullet passed through the arm of the 3-year-old white child and entered the stomach of his brother, 5 years old.

The 5-year-old child is in a serious condition, and it is not expected to survive the night. The shooting is believed to have been purely accidental.

HOSPITAL PATIENTS

There have been thirteen patients in the hospital during the month of October; no deaths. There are five patients under treatment now.

Saturday there were two operations. Mr. L .M. Clements or Marvin, Ga., had an eye removed. He is doing just as well as could be expected. Mr. Clements is a brother of Mrs. J. G. Spurlin and Mrs. D. E. McIver of this city.

Henry Johnson, colored, of Edna, Fla., had a tumor removed from his neck. He is doing nicely.

Marshal Bull picked up a poor old white man who gave his name as Fitzgerald of Spear, Ga. He is in a dying condition and will not live many days. This is the second patient Marshal Bull has put in the hospital and stood good for the expense. Ocala is fortunate in having such a kind hearted chief of police.

We have the dearest little baby boy, only eleven months old, as a patient. His name is Gordon Allen, from Floral City. Gordon was badly burned eight months ago and his head and face, and the top of his head has never healed. Dr. Van Hood will operate on him and we hope by an operation, we can save his life. Mrs. Allen is with her baby.

Mr. Frederick Sawyer of Key West is still with us and is slowly improving.

The donations for October were as follows:

Milk, by Mrs. Carlton and her daughter, Mrs. Irvin.

Flowers from Mrs. Izlar and Dovey Gates.

Six placards (visiting hours) and papers and magazines from Mr. Harris of the Banner office.

Oysters from Dr. Bergin of Hernando, Fla.

Vegetables and fish from Mrs. L. A. Gable, city.

Large blotters for office table from Mr. D. W. Davis, city.

One-half dozen graduated medicine glasses and small waiters from the Postoffice Drugstore.

The colored citizens contributed six dollars toward keeping Charlie Walker in the hospital until the council met and gave him a ticket to Augusta, Ga., where he will be with relatives and friends.

The colored people are certainly to be praised for the cheerful way in which they responded to the call of the superintendent of the hospital for help for Walker.

Rebecca Chandler, our colored nurse, is doing splendid work, and learns quickly.

Miss Leila Gerard, one of our nurses, is home on a short vacation.

Miss Mamie Waite of Key West, has been accepted as a nurse, after two months' probation. She is a very faithful worker and will make a good nurse.

Help the hospital all you can, for we need help, and let us all work to have a new, up-to-date hospital, one that our growing city will be proud of.
