### A GREAT DAY

Lest we forget we wish to remind our readers that next Tuesday Ocala will witness an event that will be worthy of record and a proud day for the Brick City. We refer to the fact that on that day Marion Camp U. C. V's. will present in this city for the purpose of presenting to Mrs. Fannie R. Gary a loving cup as a token of their respect and love for that noble woman for the many virtues she possesses and has exemplified in the many years she has been among us in every good work that goes to stimulate, excite and inspire the community to live better and purer lives and be more helpful and uplifting factors among their fellow men. Mrs. Gary has never lost faith in the lost cause and it is for this the old soldiers show their gratitude and have made a beautiful silver loving cup, which will be presented on next Tuesday, Dec. 8th, at 11 a. m. at the courthouse with suitable ceremonies. Let all who can be present that they may again be told the story of sacrifice and devotion to duty.

### THE MARION COUNTY FAIR

Not quite two weeks are to elapse ere the gates of the driving park are to swing open to the public on our county fair. Will it be a success or a failure? That depends entirely on our people. If we all do our duty by it, it will be a success. Exhibits are what make successful fairs. So it stands us all in hand to prepare exhibits and enter them. If we do this, we will be surprised at what we will see. Let no one think they haven't anything worth presenting. There is not a family in the county but what has some product that will interest some one. So send it along. Let every farmer send something and every good farmer's wife add to the total by some piece of her handiwork, be it a quilt or an apron or a tidy or a jar of preserves or jelly or what not. Be sure to be there with it and Marion county will feel the inspiration of a great uplift in the work the fair will do for her people.

Mr. J. A. Hubbard and wife of Waterbury, Conn., were guests of the Montezuma today. They are on their way to St. Petersburg and Tampa. Waterbury is famous for its watches of that name, the cheapest and best watch for the money in the world. Mr. Hubbard is bookkeeper for a large brass works, the flings of which factory from one day's work amount to a ton and a half.

The Marion County Hospital contains the following patients: Charles Stafel, of Fort McCoy, who has recovered and will return home tomorrow. Miss Leslie, a nurse, is in feeble health, is a patient, largely the cause of old age, as he is 82 years old. Miss Martha Williams of Homosassa, a sister of Capt. Buck Williams, is an inmate. Gordon Allen, the little boy from Hernando, whose head is badly burned some time ago, is doing finely. Engineer Johnson, who was in the Silver Springs wreck, is ready to leave, but is waiting for clothes to wear. He is known as the "Teddy Bear" patient, as the only garment he has is a blanket.

Our friend Light, member of the next Florida legislature from Marion, is still cutting expenses and if he keeps up the good work until next April, when that body convenes, we will be the happiest people on earth; there won't be any expenses, standing taxes will be a lost art, and a new one substituted, a government by representation less taxation. Good luck attend the cutting down process until there will not be even a fizzle of that nightmare left.

Dr. R. D. Coleman, a spritely lad of seventy-nine years, is here from Bainbridge, Ga., to see Ocala and visit with his boyhood friend, Policeman Culbreath. Among his associates and friends the doctor is known as Dr. Dick Coleman. He is a North Carolinian by birth, but having served valiantly under the immortal Longstreet in our late unpleasantness, he adopted Georgia as his home. He is a genial gentleman, an entertaining talker, everybody's friend and the only thing that surprised the reporter was that a man of his parts and so good looking, should still be heart whole and fancy free, especially so when he fairly worships the ground a woman walks on. We extend to the affable gentleman a cordial greeting and a warm welcome to Ocala.

The courthous rose bushes are blooming beautifully and present a lovely sight. If we will but think a moment their cultivation can teach us a lesson. It is that nothing can reach its full fruitage and usefulness without proper cultivation. Those roses cared their present beauty under the care and cultivation of Mr. Heintz, and if we desire to succeed and live our full usefulness to ourselves and our neighbors, we too, must cultivate with care and judgment the

best faculties of our being, so that the best that is in us will come out to bless the world.

### THE EPISCOPAL BAZAAR

The ladies of Grace Episcopal church should feel very proud of the success that attended their bazaar and supper that was held last night at the Central National Bank building. From the opening of the rooms to the public at five o'clock until their closing at midnight, there was a goodly array of persons present and the scene was a pleasant and social one.

To the right as you entered the building were located the booths. The first one was devoted to dolls and is presented a splendid array and those in charge, Misses Margaret Anderson, Jean Teague and Adele Bittinger, made many sales.

The second booth, where home-made sweets were dispensed, was presided over by Misses Meta Jewett, Esther Weathers, Sara McCreary and Ethel Robinson, who sold large quantities of the sweet things displayed.

Adjoining this booth there was the fancy work booth, over which Mrs. Erastus Hopkins, Miss Olive Weston and Miss Eleanor Crom displayed their ability as salesladies and the sum total of their sales attest their proficiency in that capacity.

The refreshment department was under the management of Mrs. Jas. R. Moorhead and Mrs. J. T. Lancaster, and to judge them by the products they presented to the famished callers they are acceptable custodians of this department.

The young ladies who saw that the wants of the guests were supplied were Misses Maggie Lytle, Rosa Harder, Elsie Liddon, Lucy Moorhead, Dorothy Lancaster, Erin Yonge and Annie Laurie Perry. They were dainty in their pink aprons and were just as polite and efficient as it was possible to have them and many were the neat compliments paid the fair waiters.

The supper was a grand success from an edible standpoint, as one well pleased caller was heard to remark that it was the first church supper he ever attended that he received \$1.10 worth for \$1. That compliment tells the story of how good and satisfying the supper was.

There were several volunteer aides, namely, Mrs. W. D. Graham and Mrs. Charles Mathews, who did efficient service for the cause, not forgetting Mrs. Crom and Mrs. Blaine, who spent themselves that the church fund should grow.

The decorations were very pleasing; in fact, it was an occasion that, notwithstanding the great work it required of the ladies to perfect and carry to a successful issue, reflects credit and glory enough to go around and leave some for general distribution. At a late hour a theater party came over from the theater to satisfy their gastronomic desires.

### MISS FLORRIE CONDON

It is not generally known that this estimable young lady is engaged in the life insurance business and represents the Equitable Life Assurance Society of New York in this county. At present she is attending a convention of insurance agents belonging to the Equitable in Birmingham from the states of Alabama, Georgia and Florida. Monday night they were delightfully entertained at a banquet, while on Tuesday night the agents in convention in Atlanta were tendered similar courtesies. Miss Condon reports a glorious outing and expects to reach home today or tomorrow.

### THE FLORIDA STATE FAIR

Editor Wallace Stovall is nothing if not energetic. He is boosting the state fair for all it is worth, and that is a heap. He now offers two prizes of \$25 and \$10 for the best editorials by the local press of the state. The great benefits Florida and the counties of the state will derive from said publicity is unlimited. The fair will get returns a hundred fold from the notices it will receive through the papers of the state.

### MEETING OF KING'S DAUGHTERS

The King's Daughters held a well attended and very enthusiastic meeting this morning at the Methodist church. The daughters are preparing to make their annual Christmas contribution to the worthy poor, and with that object in view desire to know of those in need so the committee can visit them.

Mrs. Jake Brown, treasurer of the association, reported \$65 in the strong box, plus \$18.35 contributed at the Thanksgiving offering at the Presbyterian church last Thursday.

The daughters propose to establish a crib for babies at the A. C. L. depot, so greatly needed by tired mothers when waiting for trains. Also they are looking for a second-hand invalid's chair to assist a helpless cripple.

The association has over seventy members, many of whom have paid their dues, \$1 for 1909. The organization is doing a good work and are always glad to welcome any woman who wishes to join forces with them and help in the good cause.

### FUNERAL OF MRS. IDA M. EVANS

The sudden death of this aged lady was told yesterday and her funeral took place yesterday afternoon, interment in the new cemetery, Rev. C. C. Carroll officiating. Mr. Carroll spoke eloquently of the Christian virtues of the deceased. The pall bearers were Messrs. G. W. Martin, C. H. Mathews, B. H. Norris, H. D. Stokes, B. R. Stripling and Tom Proctor. Deceased was seventy-seven years of age. Her grandchildren present at the funeral were Mrs. M. D. Jackson, Gainesville, Mrs. Hampton Brinson, Oxford, Mrs. C. S. Deveneau and Mr. Clarence Wade, Ocala. Mr. Arthur Wade, the other grandson, was absent in Honduras.

### WENONA WENT TO THE BOTTOM

Mr. Pat Randall's launch, Wenona, while on its way from Conner to Silver Springs with a load of cotton and passengers, struck a snag near Delk's Bluff and sunk. Henry Mason came to the rescue with his boat, the Oregonian, rescued the passengers and cargo and brought them safely to the landing.

The Mabel Paige Company drew a crowded house last night and from start to finish it was laugh, laugh, laugh, until your sides ached. As a laughing school is was immense—"physically."

Capt. J. A. Tucker of Rochelle was in the city Saturday, and the Sun regrets to state that he will this week remove his family from Rochelle to Ocala, where he has just erected a handsome residence. Capt. Tucker has been a resident of Alachua county for many years, removing here from Indiana on account of ill health. He has always been a democrat, and at one time, was sheriff of Marion county, Indiana. Since his residence in Alachua county he has always manifested a deep interest in politics and worked hard for the interests of the party. For several years he was justice of the peace of the Rochelle district, which office he held until he voluntarily retired. No man was ever more loyal to his friends, and there is not a man in the state more worthy of any position to which he may aspire.

The editor of the Sun, together with his many other friends, regrets to see Capt. Tucker remove from Alachua county, but we wish him and his family fortune and happiness in their new home.—Gainesville Sun.

## Better Not Get Dyspepsia

If you can help it. Kodol prevents Dyspepsia, by effectually helping Nature to Relieve Indigestion. But don't trifle with Indigestion.

A great many people who have suffered with indigestion, have been sorry for it—when nervous or chronic dyspepsia resulted, and they have not been able to cure it. Use Kodol and prevent having Dyspepsia.

Everyone is subject to indigestion. Stomach derangement follows stomach abuse, just as naturally and just as surely as a sound and healthy stomach results upon the taking of Kodol.

When you experience sourness of stomach, belching of gas and nauseating fluid, bloated sensation, gnawing pain in the pit of the stomach, heart burn (so-called), diarrhoea, headaches, dullness or chronic tired feeling—you need Kodol. And then the quicker you take Kodol—the better. Eat what you want, let Kodol digest it.

Ordinary pepsin "dyspepsia tablets," physics, etc., are not likely to be of much benefit to you, in digestive ailments. Pepsin is only

a partial digester—and physics are not digesters at all.

Kodol is a perfect digester. If you could see Kodol digesting every particle of food, of all kinds, in the glass test-tubes in our laboratories, you would know this just as well as we do.

Nature and Kodol will always cure a sick stomach—but in order to be cured, the stomach must rest. That is what Kodol does—rests the stomach, while the stomach gets well. Just as simple as A, B, C.

### Our Guarantee

Go to your druggist today and get a dollar bottle. Then after you have used the entire contents of the bottle if you can honestly say, that it has not done you any good, return the bottle to the druggist and he will refund your money without question or delay. We will then pay the druggist for the bottle. Don't hesitate, all druggists know that our guarantee is good. This offer applies to the large bottle only and to but one in a family. The large bottle contains 2 1/2 times as much as the fifty cent bottle.

Kodol is prepared at the laboratories of E. C. DeWitt & Co., Chicago.
