WOULD CHANGE THE BILL

A repertoire company was walking into Paducah, says the Saturday Evening Post, where they were billed to play "Romeo and Juliet."

You should always remember that most cough and cold cures are constipating. Yet the most important thing to do when you have a cold is to move the bowels.

People Will Talk You Know

And that's the reason why Dr. Pierce's Family Medicines are advertised so little now-a-days. They have made hundreds of thousands of cures in the past 40 years, and some of the grateful people whom they have restored to health are to be found almost everywhere.

For Dr. Pierce's Family Medicines.

You can believe your neighbors. Therefore ask them. What cured them will very likely cure you, if similarly afflicted—only give them a good, fair trial.

It's a good, sound, common sense policy to use medicines only of KNOWN COMPOSITION, and which contain neither alcohol nor habit-forming drugs. The most intelligent people, and many of the most successful, conscientious physicians, follow this judicious course of action.

We have a profound desire to avoid all offense to the most delicate sensitiveness of modest women, for whom we entertain the most sincere respect and admiration.

A model Sanitarium with every equipment and appliance and a complete Staff of experienced and skilled Specialists for the treatment of the most difficult cases of Chronic ailments whether requiring Medical or Surgical treatment for their cure.

Therefore, particularize here concerning the symptoms and peculiar ailments incident to the sex for which Dr. Pierce's Favorite Prescription has for more than 40 years proven such a boon. We cannot, however, do a better service to the afflicted of the gentler sex than to refer them to Dr. Pierce's Common Sense Medical Adviser, a great family doctor book of 1000 pages, bound in cloth and given away gratis.

"HE'S YOUNG YET"

By way of illustrating Mark Twain's assertion that there are no new stories and only thirteen original jokes, it may be permissible to reprint a story that is now going the rounds of the press, credited to Pennsylvania Grit.

"It happened that a young white man preached for them. After the services he walked behind a couple of old darkies to the village. A discussion of the merits of the minister was in vogue in the following:

"Massa Henry fine preacher, aint 'e?" "He shore am." "Good as Linkun, aint 'e?" "Shaw—Linkun can't tech 'im."

TOO PRETTY TO HOLD A JOB

(New York World.) Mrs. J. A. Jameson of Twin Lakes, who advertised for a woman to do general housework, received the following letter from Frances Lamson of Canaan:

"Dear Madam: I have seen your advertisement in this week's paper. I want a place to work in a small family, where there are no young men.

"Every man thinks I am extra good looking, and I have been bothered most to death at nearly every place I have worked by the men running after me, and I want to get a place away from a village, where the men won't chase after me.

"I worked for two ladies at Canaan and lost my job because their husbands took me out driving nights. If your husband is an old man, I can get along with you, and you will like me, and would like to stay with you for a year."

Mrs. Jameson will not even give Miss Lamson a trial. Her husband is not old.
