HELP THE HOSPITAL

We wish to call the attention of housekeepers to our line of fine Flavoring Extracts, which are first class in every respect, and absolutely full strength.

We give 10 per cent. of the purchase price to any charitable organization and you will find a coupon attached to each bottle.

Our idea in taking this method to introduce these goods is to help the Marion County Hospital. However, these coupons are made payable to "any charitable organization" and it rests entirely with the purchaser as to where the coupon goes.

The price of the extracts is 15 cents per bottle of One FULL Ounce and this quantity will go as far as some of the 25 cent bottles of so-called "full strength" extracts.

Four flavors — Lemon, Vanilla, Strawberry and Pineapple.

FOR THOSE WHO LIVE ON FARMS

Dr. Bergin, Pana, Ill., writes: "I have used Ballard's Snow Liniment; always recommend it to my friends, as I am confident there is no better made. It is a dandy for burns." Those who live on farms are especially liable to many accidental cuts, burns and bruises, which heal rapidly when Ballard's Snow Liniment is applied. It should always be kept in the house for cases of emergency. 25c., 50c. and $1 at Anti-Monopoly Drugstore.

LIVE ON YOUR OWN LAND

C. E. CONVENTION

Young Soldiers of the Cross Now Meeting in Ocala

The Christian Endeavorers of the state, to the number of one hundred delegates, convened in the Methodist church yesterday afternoon and carried out the program.

First came the informal greetings and enrollment of delegates, then a song service, led by Capt. E. G. Wood, of Avon Park, followed by an address of welcome from Rev. D. E. Hanna, pastor of the Christian church, Ocala, to which Rev. Charles Campbell, of Sanford, made a suitable response in behalf of the convention.

S. L. Floyd, of DeLand, was down for an address on "Temperance Education," but was not present.

Night Session

Devotional exercises were led by Rev. T. J. Townsend, of Avon Park, with a crowded house. Great impressiveness prevailed.

J. D. Lewis, of Fernandina, was next on the program, to speak on "Christian Endeavor in Florida," but did not respond. In his stead Miss Emma Tucker, the noted evangelist, spoke with great power on the "Winning of Souls." It was very impressive and touching, especially the story she related of the young man who at the peril of his life, against the protest of friends, on the shores of Lake Michigan, on ice and shivering with cold, swam to a wrecked vessel and saved a dozen lives, by his heroic and self-sacrificing efforts. She said we ought to show such a spirit in winning souls for Christ. Her words are so simple, yet so direct and persuasive, that she touches all who hear her, and her pathetic appeal for "rescuing the perishing" brought tears to many eyes.

The popular and beloved pastor of the Baptist church, Rev. L. B. Warren, was down for an address and Bible reading, "Prerequisites to Soul Saving," but Rev. M. S. Dunning, of Texas, evangelist for the Christian church in that state, took Mr. Warren's place and gave a Bible reading, explaining the one central thought in the writings of the different authors of the Bible. He made a very strong talk.

The singing was very good, led by Capt. Wood. Mrs. Will Goin and Miss Johnnie Liddon sang a duet with fine effect. Miss Liddon has a sweet soprano voice of splendid compass, while the equal of Mrs. Goin's rich alto is seldom heard.

Roll of Delegates

Ronald H. Muirhead, Pasadena; Wilfred E. Vining, Wildwood; C. H. Vansickle, J. W. Vansickle, Winter Park; Miss Lillian Halstead, Eustis; Mrs. Charles Gates, Miss Inez Gates, South Lake Weir; Miss Ollie Morick, Miss Lena Mahon, Candler; Mrs. and Miss DeLoach, South Lake Weir; Herbert L. Howard, Miss B. C. Chase, St. Peterburg; Miss May Mendenhall, Miss Anna Townsend, Eustis; Capt. E. G. Wood, Ray Hall, Avon Park; Miss Mabel Bracy, DeLand; Miss Annie Maud Hobbs, Daytona, William C. Norton, Crescent City; Mrs. P. J. Finnie, Mrs. E. C. Burrell, Oxford; William E. Burrell, Winter Park; Miss Laurie E. Wilcox, Jackson; Rev. C. A. Campbell, Sanford; Misses Etta M. Nelson and Emma Y. Hughes, Morriston; Mrs. H. Ramsey, Gainesville; Mrs. J. D. Purington, Miss Fannie H. Jain, Florahome; Glen Roth, Gainesville; W. H. Miller, Inverness; Rev. S. J. Townsend, Avon Park; E. M. Weeks, J. D. Conrad, Glenwood; Misses Agnes Hudson, Laura Wyman and Ethel E. Griffin, Braidentown; Miss Neita Carter, South Lake Weir; Miss Mary McKinnon, DeFuniak Springs; C. J. Williams, Jacksonville; E. W. Price, Tampa; Mrs. Paul Boellert, Crystal River; Miss Minnie Carter, Crystal River; Miss Nora Masters, same place; H. Ray Ferran, Eustis, Fla.

Those who are entertaining delegates are as follows: H. G. Haycraft, Josiah Varn, Mrs. Padgett, A. G. Gates, Miss Lizzie Briggs, Montezuma Hotel, John Dozier, Carlton House, Mrs. Trantham, Mrs. C. A. Liddon, Mrs. J. E. Chace, Mrs. Hughes, Dr. John M. Thompson.

Tuesday Morning

William C. Norton, of Crescent City, led the "quiet hour" service. The church was half filled.

The altar was prettily decorated. Across the auditorium were suspended the colors of the convention, yellow and purple. Over the pulpit was the word, "Florida," on a purple field. The wall in the recess of the pulpit was decorated with a large American flag, while around the pulpit and on the window sills were placed holly, palms, ferns and flowers, making a very attractive picture.

The broad Christian spirit displayed by the pastor and people of the Methodist church, in suspending their revival meetings and giving the services of Miss Tucker to the edifi-

WORKING FOR THE ORPHANS

State Superintendent and Financial Secretary D. W. Comstock of the Childrens' Home Society of Florida, auxiliary to the National Society, has been in town since Sunday and addressed both the Baptist and Presbyterian congregations on the vital subject of finding homes for homeless children. He appeared before the board of county commissioners and made a proposition to them to find homes for homeless white children. He said the society existed in twenty-six states and was doing great good. He said he had visited the Reform School at Marianna, but did not think the mode pursued in the treatment of the unfortunates was what it should be and he interviewed the governor, who promised him that legislative measures would be enacted to correct the matter. This work saves these children from pauperism and crime and thus saves the state from the grievous burden of taxation for their care and from the danger of a debased citizenship arrising from neglected childhood. He said that nine children of this class in ten became criminals if neglected. He explained the work the society had done in West Virginia with the hap- Comstock's H cat'wasi h-etaoin sh piest results. The board thanked Rev. Comstock for his remarks and filed his application for services he expected to perform in the future, as at present the board had no homeless children in his charge.

NOT A SICK DAY SINCE

"I was taken severely sick with kidney trouble. I tried all sorts of medicines, none of which relieved me. One day I saw an ad. of your Electric Bitters and determined to try that. After taking a few doses I felt relieved, and soon thereafter was entirely cured, and have not seen a sick day since. Neighbors of mine have been cured of Rheumatism, Neuralgia, Liver and Kidney troubles and General Debility." This is what B. F. Bass of Fremont, N. C., writes. ROAD WORKERS' CONTROVERSY

A rather amusing episode occurred at the meeting of the Board of County Commissioners yesterday morning when Mr. Marlow presented a sworn statement made by a man by the name of Smilley in the Grahamville section that the men working the public roads were giving time checks for work he claimed was not done.

After the affidavit had been presented Mr. Wayne McDonald was called on by Mr. Marlow to make a statement in further proof of the correctness of the contention made. After describing what he saw of the road workers, which was at the noon hour, finding all but one man absent, the others having gone two miles to get their dinner, he remarked that the man who had made the affidavit was a person whose reputation for truth and veracity was very poor and that many persons who knew him would not take any stock in him or his word. To which Mr. Marlow said that what Mr. McDonald said was true, but in this case he thought he swore to the truth. The matter was then passed for executive action.

A LITTLE EARLY RISER

Now and then, at bedtime, will cure constipation, biliousness and liver troubles. DeWitt's Little Early Risers are the famous little pills that cure by arousing the secretions, moving the bowels gently, yet effectually, and giving such tone and strength to the glands of the stomach and liver that the cause of the trouble is removed entirely, and if their use is continued for a few days, there will be no return of the complaint. Sold by Anti-Monopoly Drugstore.

THE LEGISLATURE

The House Follows the Governor's Recommendation in Regard to Applying Indian War Claim Money to Paying the State Debt

(Tampa Tribune)

Tallahassee, May 4.—The house took the very important action of passing a bill to appropriate $579,576.87, from the Indian war claim fund, to the payment of the state's bonded indebtedness, as recommended in the message of Governor Jennings.

No State Insurance

Another hard fight was over the bills providing insurance on state property.

McNamee continued his fight of Saturday to substitute insurance by the state with the state itself as the insurer, but it was indefinitely postponed, while the bill by Blount, of Escambia, which provides for continuing the state's insurance with the old line companies and vesting the direction of it with the governor and cabinet, was advanced to third reading.

The house passed the following bills:

By Trammell of Polk—Regulating the sale of cigarettes and cigarette paper by requiring the payment of a license of $200, and providing a penalty for infraction; also a bill providing a penalty for the publication of false and misleading reports relative to climate and weather; also prohibiting placing water hyacinths in certain fresh water streams; also prescribing time in which motion for new trial or in arrest of judgment shall be set for trial.

By Wells of Hillsboro—To validate and legalize all illegal assessments and collections of taxes, where the purpose of such is to pay the interest on any county bonds or for a sinking fund to pay such bonds.

By Campbell of Walton—To prohibit divorced persons from marrying within one year after divorce is granted.

By Wells of Hillsboro—To incorporate the town of Tarpon Springs. This bill has passed both houses and now goes to the governor.

By Hendry of Lee—Extending the time of commencing and completing the Sanibel Island Railway.

By Watson of Osceola—Relative to attachment when debt is not actually due.

The senate bill relative to collecting agricultural statistics passed the house.
