IMPORTANT RAILROAD ITEM

The Atlantic Coast Line Will Extend the Jacksonville and Southwestern to the Suwannee River

(Gainesville Sun.)

That the Atlantic Coast Line proposes to extend the recently acquired Jacksonville and Southwestern Railroad from Newberry to Fort Fannin, on the Suwannee river, there is no further doubt.

Parties arriving in the city yesterday have been with the surveying and engineering corps for the past three or four days running lines and otherwise mapping out the proposed extension, and it may be said with safety that the grading of the extension will begin as soon as this survey is submitted and properly approved. It is safe to state that grading will begin within the next two weeks, as the Atlantic Coast Line is anxious to finish the work and invade the new territory.

The distance from Newberry to Fort Fannin is about twenty miles. The extension will open up one of the finest and most fertile countries in all Florida. The country traversed is heavily timbered with tall, gigantic pines, among which are nestled some of the richest phosphate deposits in the United States. The extension of the road will mean the establishing of extensive naval store and phosphate interests, the establishing of saw mills, the improvement of farms, and the general upbuilding of that section. It will mean for the Atlantic Coast Line a direct connection with deep water at Jacksonville and an outlet for all products along the Suwannee river, which is alive with saw mills and turpentine camps, and which will be more developed then than ever. The naval stores men and lumber manufacturers have been compelled heretofore to haul their products a long distance by steamer to Branford, where they have been transferred to the railroads and again transferred at Brunswick or Savannah if they were to be transported by steamer. The extension of the Jacksonville and Southwestern means that they can load them on the train at Fort Fannin and transport them to the steamer's side in Jacksonville, a great deal in distance, and with but one transfer.

A SWEET BREATH

Is a never-failing sign of a healthy stomach. When the breath is bad, the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick of White Plains, Ky., writes: "I have been a dyspeptic for years; tried all kinds of remedies, but continued to grow worse. By the use of Kodol, I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength, and can eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Sold in Ocala by Wm. Anderson.

PARTY OF FLORIDIANS TO TAKE IN THE FAIR

There will be a crowd of jolly Floridians to leave Jacksonville night of September 7, for the St. Louis Exposition. This party will be personally conducted from Jacksonville to St. Louis by Mr. Walter Hawkins, general agent of the Central of Georgia Railway. The route wil be via Macon, Atlanta, Chattanooga (Lookout Mountain) and over the historic battle grounds of the civil war. The pleasure and comfort of each individual will be looked after by "Walter," who is, by the way, one of the most popular and well known railroad men in the South. He will arrange for Pullman reservations and accommodations in St. Louis. Anyone desiring to join this party of congenial Floridians will do well to drop Mr. Hawkins a line at 224 West Bay Street, Jacksonville, Fla.

BETTER THAN GOLD

"I was troubled for several years with chronic indigestion and nervous debility," writes F. J. Greeen of Lancaster, N. H. "No remedy helped me until I began using Electric Btters, which did me more good than all the medicines I ever used. They have also kept my wife in excellent health for years. She says Electric Bitters are just splendid for female troubles; that they are a grand tonic and invigorator for weak, run down women. No other medicine can take its place in our family" Try them. Only 50 cents. Satisfaction is guaranteed by Anti-Monopoly Drugstore, Ocala, Fla.

William Kirmse, a member of the bridge gang working near Littleport was taken suddenly ill Thursday night with cramps and a kind of cholera. He told them he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out, and accordingly several doses were administered with the result that the fellow was able to be around the next day.
