EMERGENCY MEDICINES It is a great convenience to have at hand reliable remedies for use in cases of accident and for slight injuries and ailments. A good liniment, and one that is fast becoming a favorite if not a household necessity is Chamberlain's Pain Balm. By applying it promptly to a cut, bruise or burn it allays the pain and causes the injury to heal in about one-third the time usually required, and as it is an antiseptic it prevents any danger of blood poisoning. When Pain Balm is kept at hand a sprain may be treated before inflammation sets in, which insures a quick recovery. For sale by all druggists.

A FINANCIAL CHANGE

Dr. S. H. Blitch Will Become Manager of the Commercial Bank and Hon. J. M. Barco Will Enter the Naval Stores Business

A change will take place in the Commercial Bank October 1. Dr. J. M. Barco, who has been its able and efficient manager since its establishment here five years ago, will retire, and Dr. S. H. Blitch will become his successor. These gentlemen are so well known to the public that no words of encomium are needed from us. Mr. Barco has several tempting offers to go elsewhere and serve in the same capacity, but has declined them for better remuneration in other lines of business. He will be identified with naval stores matters. He is not prepared to say in what capacity, or whether his new position will demand a change of residence. We trust not. Men of Mr. Barco's high character and sterling worth to the community are not too plentiful to part lightly with him. Dr. Blitch will wear his honors gracefully and prove as capable and efficient in this position as he has in all the places of honor and responsibility in which he has served in the past. Mr. A. H. Marsh will continue as assistant manager of the bank, in which he has won the confidence of the public by his able and courteous treatment to all. To the outgoing manager and to the incoming one the Star extends best wishes for continued success.

CURED OF BRIGHT'S DISEASE Geo. A. Sherman, Lisbon, Red Mills, Lawrence Co., N. C., writes: "I had kidney disease for many years and had been treated by physicians for twelve years; had taken a well known kidney medicine and other remedies that were recommended but got no relief until I began taking Foley's Kidney Cure. The first half bottle relieved me and four bottles have cured me of this terrible disease. Before I began taking Foley's Kidney Cure I had to make water about every fifteen minutes, day and night, and passed a brick-dust substance, and sometimes a slimy substance. I believe I would have died if I had not taken Foley's Kidney Cure." Sold by the Postoffice Drugstore.

The north bound morning express on the S. A. L. was thrown from the track by the heavy washing of sand on the track at Exposition street crossing.
