SOUTH LAKE WEIR

Mrs. B. B. Ricker, who has been summering in New England, returned home last week. Her son, Mr. Ernest Ricker, returned with her and is now at his post as chief clerk in the railway mail transfer station in Jacksonville.

Mr. Peters of Leesburg has contracted for the oranges from some of the best groves here and will begin shipping next week.

Miss Kate Nobles, a former South Lake Weir girl, who has recently completed a course at Vassar College, at Poughkeepsie, N. Y., has returned to her home at Lake Helen, and has a position in the postoffice.

The Sunday school and Christian Endeavor Society will meet Sunday at 9:30 a. m. At the last week's meeting of the Sunday school arrangements were made to hold an entertainment on Christmas Eve, and the usual committees were appointed to arrange for the same.

Mrs. B. B. Ricker has had the honor of being invited to take charge of the ladies' department of the Marion county exhibit at the South Florida Fair in Tampa next month.

Mr. and Mrs. S. Allsop and Mr. A. C. Finzel are taking in the carnival at Jacksonville this week.

Wood contractors are finding much difficulty in procuring cars for shipping wood via the S. A. L. Heavy shipments of phosphate and cotton seem to monopolize the cars.

Mr. A. D. Williamson, the genial general traveling freight agent of the S. A. L., was in town this week and was a guest of the Pleasant Hills House.

CONSUMPTIVES MADE COMFORTABLE

Incipient consumption is cured by Foley's Honey and Tar, but we do not hold out false hopes to consumptives by claiming that it will cure this dread disease in the advanced stages, but if the lungs are not too far gone Foley's Honey and Tar will effect a cure, as it stops the racking cough and soothes the inflamed air passages, giving them a chance to heal, and even in the advanced stages it always gives comfort and relief. A. A. Herren of Finch, Ark., writes: "Foley's Honey and Tar is the best preparation for coughs and lung trouble. I know that it has cured consumption in the first stages." Sold by the Postoffice Drugstore, Ocala, Fla.

BLITCHTON

Dr. Blitch returned home Saturday from Illinois.

Miss Mary O'Hara visited her parents at Keuka Friday and returned Sunday, accompanied by her little sister, Miss Juanita, who will spend a while in our burg.

Mr. W. L. Aiken and family returned home from their fishing expedition Friday, delighted with their trip.

Mrs. Brigance returned to her home in Ocala Tuesday.

Dr. Blitch and wife were in Ocala Monday, as were Mr. and Mrs. Sandifer, Mr. and Mrs. Weaver and W. J. Willis.

The school commenced on its fourth month Monday with an interesting talk by Dr. Blitch.

Mr. W. P. Hammond, wife and daughter, Miss Gertrude, were in Ocala last week.

There was a little frost found during the late cold days.

THE ORIGINAL

Foley & Co., Chicago, originated Honey and Tar as a throat and lung remedy, and on account of the great merit and popularity of Foley's Honey and Tar many imitations are offered for the genuine. Ask for Foley's Honey and Tar and refuse any substitute offered, as no other preparation will give the same satisfaction. It is mildly laxative. It contains no opiates, and is safest for children and delicate persons. Sold by the Postoffice Drugstore, Ocala, Fla.

EASTLAKE

Died, at Eastlake, Fla., on Tuesday, October 25, 1904, at 9 o'clock p. m., of acute pneumonia, E. B. Gerald of Brookfield, Mass., aged 79 years. He had just come for his usual wintering in Florida, which he had been doing for the past twenty years, and having nearly reached the four score mark, he was feeble and succumbed when stricken with the disease. He lived and died on the square with all, and the Master of the grand lodge above has received him. "His dust returns to the earth as it was, and the spirit returns to the God who gave it." He leaves behind him many sympathizing friends. His remains will be shipped to Brookfield, Mass., Thursday.

Among the arrivals at Eastlake Saturday were the following from Massachusetts: Mr. L. L. Squire, P. M.; Mr. and Mrs. N. H. DeLane, Mr. E. B. Gerald and daughter, Mr. and Mrs. H. Steele and granddaughter, Mr. Frank Steele, Mrs. Ricketts and Mr. Wallbridge.

Mr. N. H. DeLane has commenced shipping his crop and he is a busy man, day in and day out.

W. F. Hickman of Philadelphia visited us yesterday, as did A. W. Allan of South Lake Weir.

Ernest Lytle paid us a friendly visit recently.

Mr. Geo. E. Snow's packing house is a busy place—boxing and shipping his large crop of fruit.

PRESIDENTIAL ELECTION WILL MAKE NO CHANGE

No matter which candidate is elected, Foley's Honey and Tar will remain the people's favorite remedy for coughs, colds and incipient consumption. It cures colds quickly and prevents pneumonia. A. J. Nusbaum, Batesville, Ind., writes: "I suffered for three months with a severe cold. A druggist prepared me some medicine, and a physician prescribed for me, yet I did not improve. I then tried Foley's Honey and Tar, and eight doses cured me." Sold by the Postoffice Drugstore, Ocala, Fla.

CONNOR

Mrs. J. A. Brand will leave shortly for Lake county to make her home with her children. Her removal is regretted by the entire community.

B. H. Smith of Ocala made his parents here a visit of a week. His many friends were pleased to see him.

George Hodge will "truck it" this season.

Mr. Bob Peeples has brought his little children from Anthony, where they had been with their aunt. Mr. and Mrs. Sewell will take care of them.

THE BEST DOCTOR

Rev. B. C. Horton, Sulphur Springs, Texas, writes, July 12, 1899: "I have used in my family Ballard's Snow Liniment and Horehound Syrup, and they have proved certainly satisfactory. The liniment is the best we have ever used for headache and pains. The cough syrup has been our doctor for the last eight years." 25c., 50c., $1. Sold by the Anti-Monopoly Drugstore, Ocala, Fla.

FOR SALE

CAUSE OF LOCKJAW

Lockjaw, or tetanus, is caused by a bacillus or germ which exists plentifully in street dirt. It is inactive so long as exposed to the air, but when carried beneath the skin, as in the wounds caused by percussion caps or by rusty nails, and when the air is excluded the germ is aroused to activity and produces the most virulent poison known. These germs may be destroyed and all danger of lockjaw avoided by applying Chamberlain's Pain Balm freely as soon as the injury is received. Pain Balm is an antiseptic and causes cuts, bruises and like injuries to heal without maturation and in one-third the time required by the usual treatment. Sold by all druggists.

CAN YOU EAT?

J. B. Taylor, a prominent merchant of Chriesman, Tex., says: "I could not eat because of a weak stomach. I lost all strength and ran down in weight. All that money could do was done, but all hope of recovery vanished. Hearing of some wonderful cures effected by the use of Kodol Dyspepsia Cure, I concluded to try it. The first bottle benefited me, and after taking four bottles I am fully restored to my usual strenght, weight and health." Kodol Dyspepsia Cure digests what you eat and cures.
