### FROM HOWARD'S PRINCIPAL

The principal of Howard Academy wishes to express sincere thanks and appreciation to patrons and friends for the moral support they have shown the school and especially for the attention and interest they gave to the closing exercises last week.

To all of the teachers, pupils and patrons who aided in making the closing concert a success, we are very grateful. The entertainment Friday evening was quite a financial success. The proceeds amounted to $44.20. The musical features of the closing concert were the best we have ever been able to present.

At the Friday evening concert Miss Marie Jackson, by request, gave one of her beautiful recitations, which was very much appreciated by teachers, pupils and friends. She is a reader and reciter of rare excellence and ability.

Hard Sense.

It takes keen common sense, added to superior judgment and experience, to be a superintendent of a railroad. Such a man never recommends anything that he has not himself subjected to crucial test. A prominent railroad superintendent, living at Savannah, Ga., in which city he was born, says he feels better than he ever did and he had the worst case of dyspepsia on record. He had no appetite, and the little he ate disagreed with him, causing him to vomit often. He had pains in the head, breast and stomach, but after using three bottles of P. P. P. he felt like a new man. He says that he feels that he could live forever if he could always get P. P. P. His name will be given on application to Lippman Brothers, the proprietors of this great remedy.

Dyspepsia in all its forms is promptly and permanently cured by P. P. P. General Debility and lack of energy give place to vim and ambition through the use of P. P. P. Blood Poison and all its incidental and hereditary ills are eradicated by P. P. P. Rheumatism is conquered and banished by P. P. P., as are also Catarrh and Malaria. P. P. P. is a purely vegetable compound, which has steadily grown in favor for years.
