THE BEST REMEDY FOR RHEUMATISM

Quick Relief From Pain

All who use Chamberlain's Pain Balm for rheumatism are delighted with the quick relief from pain which it affords. When speaking of this Mr. D. N. Sinks, of Troy, Ohio, says: "Some time ago I had a severe attack of rheumatism in my arm and shoulder. I tried numerous remedies, but got no relief until I was recommended by Messrs. Geo. F. Parsons & Co., druggists of this place, to try Chamberlain's Pain Balm. They recommended it so highly that I bought a bottle. I was soon relieved of all pain. I have since recommended this liniment to many of my friends, who agree with me that it is the best remedy for muscular rheumatism in the market." For sale by Anti-Monopoly Drugstore.

TURPENTINE MEN

The sub association of naval stores operators, with about twenty present, met today in Ocala in regular monthly session.

President F. Lang presided and Secretary Petteway took the minutes. The usual routine work was done and measures discussed for the good of the order.

It is many a day since the board of public instruction had such a lively time as they did in Monday's session. It all came about because of the people of Ocklawaha desiring to establish a sub school district, and Mr. E. L. Carney's opposition to their laudable ambition. These people had their petition published and the requisite number of names were on the same. Then Mr. Carney, who is a tax payer in the district, so interested himself in the matter that he induced three of the signers of the petition to ask for the withdrawal of their names from said petition, which reduced the names by one below the number required by law and so held it up for future consideration. Mr. Carney's plea was that he already paid school taxes in three sub school districts and adding the fourth was the straw that would break the educational camel's back. Chairman Scott suggested the way to get even with this proposition, since he had no children, was to adopt one for each district, but the gentleman could not see it in that light, hence his vehement protest.

Swallowing

A sword is a trick not conducive to health or longevity. But it is not more injurious than the hasty swallowing of half masticated food washed down by gulps of ice water in summer or cups of hot coffee in winter. Hasty eating is the foe of health. Sooner or later it must result in indigestion or some other form of stomach disease.

For the cure of the diseases of the stomach and allied organs of digestion and nutrition, there is no medicine so effective as Doctor Pierce's Golden Medical Discovery. *It always helps. It almost always cures.*

Mrs. Mary E. Lewis, of Tanner, Gilmer Co., W. Va., writes: "I will always recommend Dr. Pierce's Golden Medical Discovery, 'Favorite Prescription' and 'Pleasant Pellets,' for they cured me when doctors and other medicines failed. For fifteen years I suffered untold misery. When I commenced taking Dr. Pierce's medicines, I had given up all hope of ever getting well. I could not lie down to sleep, and everything I ate would almost cramp me to death. Was very nervous and could hardly walk across the room. *I only weighed ninety pounds* when I commenced taking these medicines six years ago; *I now weigh one hundred and forty pounds*, and am having better health than ever before. My friends all say they can hardly believe that I am the same person; after being sick so long, *I have changed to be robust and rosy cheeked.* I have taken fifteen bottles of the 'Discovery' fifteen of the 'Prescription' and fifteen of the 'Pellets.'"

Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent *free* on receipt of 21 one-cent stamps to pay expense of mailing *only*, or if cloth binding is desired send 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

The "end men" were Morris Smith and Louis Chazal. The attendance was very good. Following was the program:

STANDARD

Mr. Thomas F. Mann and Miss Boneta Barco were united in the bonds of matrimony at Fellowship church April 2, at 7:30 p. m., in the presence of a large assembly of friends and relatives. The church was beautifully decorated with palms, ferns and roses by loving friends of the bride, which showed artistic skill. At the proper time, the sweet strains of Mendelssohns wedding march was played by Miss Maude Moser. James and Joe Hudgens acted as ushers. The bridesmaids were Misses Jessie Carter and Lela Brown, who were attired in exquisite gowns of white and each carried a boquet of white carnations. The groomsmen were Messrs. Ed Weathers and Arthur Mann, dressed in becoming black. The bride and groom, following, halted under a large bell of roses, where the impressive marriage ceremony was performed by Rev. H. C. Martin. The bride was dressed in white organdie trimmed in silk ribbons and carried a large boquet of bridal roses. The groom was attired in conventional black. After the benediction, quite a number of relatives and friends repaired to the bride's home, Mr. and Mrs. C. W. Mills. After receiving congratulations, the guests were invited into the dining room to partake of dainty refreshments. The bride is one of Fellowship's favorite young ladies and admired by all for her lovely traits. Mr. Mann is a young gentleman of sterling qualities. May they live a long, happy and useful life. At 10:30 o'clock they left for their home at York.
