FOR MOTHERS.

The period immediately following child-birth is fraught with many dangers. The strength has been used in the painful ordeal through which the mother has passed and she finds herself helpless and weakened. Many mothers, like Mrs. Ford, date the beginning of their illness from the birth of their child. Indeed the frequent spectacle of a healthy young woman becoming a chronic invalid after motherhood is one of the tragedies of life. All this is unnecessary, when Wine of Cardui is obtainable. It rehabilitates the shattered nervous system, strengthens the organs and ligaments, and re-establishes a healthy, natural condition, saving years of chronic sickness and suffering. Wine of Cardui taken just before confinement will render the ordeal comparatively painless. It will re-enforce and strengthen the organs for their work. For every trying crisis in a woman's life, Wine of Cardui is the medicine to take. Ask your druggist for Wine of Cardui and take no substitute. If one is offered send $1.00 for a bottle to the Chattanooga Medicine Company, Chattanooga, Tenn.

WINE OF CARDUI

Clarkson, Ark., July 20, 1899.
After my baby was born I took the whites and falling of the womb, and was in a very dangerous condition. I read one of your home treatment books, and commenced to treat myself with Wine of Cardui and Black-Draught. I am thankful for what the medicine did for me, and I am now in better health than I have been for a long time.
Mrs. MARGARET FORD.

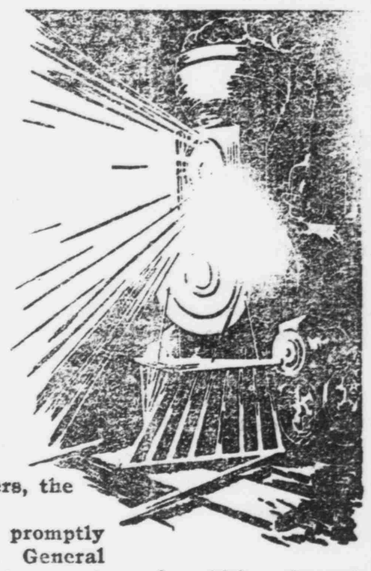
Hard Sense



It takes keen common sense, added to superior judgment and experience, to be superintendent of a railroad. Such a man never recommends anything that he has not himself subjected to crucial test. A prominent railroad superintendent, living at Savannah, Ga., in which city he was born, says he feels better than he ever did, and he had the worst case of dyspepsia on record. He had no appetite, and the little he ate disagreed with him, causing him to vomit often. He had pains in the head, breast and stomach, but after using three bottles of P. P. P. he felt like a new man. He says that he feels that he could live forever if he could always get P. P. P. His name will be given on application to Lippman Brothers, the proprietors of this great remedy.

Dyspepsia in all its forms is promptly and permanently cured by P. P. P. General Debility and lack of energy give place to vim and ambition through the use of P. P. P. Blood Poison and all its incidental and hereditary ills are eradicated by P. P. P. Rheumatism is conquered and banished by P. P. P., as are also Catarrh and Malaria. P. P. P. is a purely vegetable compound, which has steadily grown in favor for years.
