WELCOME VISITORS

The Star enjoyed a pleasant call this morning from the Honorable Geo. Matthews, who arrived Saturday with his family from San Paulo, Brazil. They came via England and New York. In Europe Mr. Matthews took in the sights of the great city of London, among them a visit to Westminster Abbey, where repose the ashes of the great men of England.

Mr. Matthews is hale and hearty and weighs twenty pounds more than he did when he left this country three years ago.

Mr. Matthews will be pleasantly remembered as a former citizen of Santos, Marion county, as a member of the Marion county school board, a member of the state legislature and consul to Para, Brazil, under President Cleveland's second term. We are in hopes that Mr. Matthews will conclude to again cast his citizenship with us and use his splendid talents to promote Marion county's best interests.

IT'S CHILD'S PLAY

To treat a woman for a disease year after year and give her no permanent relief. Yet that has been the case with scores of women who have "doctored" for year after year unhelped and unhealed, to find at last that a few bottles of Doctor Pierce's Favorite Prescription would have saved years of suffering and a great deal of money.

For the regulation of the periods, the stopping of disagreeable drains, the healing of inflammation and ulceration, and the cure of female weakness, there is no medicine can equal Dr. Pierce's Favorite Prescription. It makes weak women strong and sick women well.

"About five years ago I had very poor health," writes Mrs. S. E. Whalen, of Holden Johnson Co., Missouri. "After doctoring four years with our town doctors they gave me case up; said they had done all they could. I had been confined to my bed half my time; the other half could hardly drag around. I had such pains in my back and abdomen I could not stand for more than a few minutes. My feet were cold or burning, and my periods came too often. The doctors said it was change of life, so, as I had heard of Dr. Pierce's medicine, my husband got me a bottle of 'Favorite Prescription.' I took it and it helped me in some ways, so I wrote to you and followed your advice. I commenced 'Favorite Prescription,' 'Golden Medical Discovery' and the 'Pellets,' as I was so constipated all the time and pills would weaken me so that I would have to go to bed. To the great surprise of everybody I got well, and when I met my friends they would say, 'We never thought you would be here now.' But I can say it was your medicine, which no doubt is the best in the world. Have had no use for doctors since I tried your medicine."

Rheumatism

Rheumatic pains are the cries of protest and distress from tortured muscles, aching joints and excited nerves. The blood has been poisoned by the accumulation of waste matter in the system, and can no longer supply the pure and health sustaining food they require. The whole system feels the effect of this acid poison; and not until the blood has been purified and brought back to a healthy condition will the aches and pains cease.

Mrs. James Hill, of 707 Ninth street, N. E., Washington, D. C., writes as follows: "A few months ago I had an attack of Sciatic Rheumatism in its worst form. The pain was so intense that I became completely prostrated. The attack was unusually severe one, and my condition was regarded as being very dangerous. I was attended by one of the most able doctors in Washington, who is also a member of the faculty of a leading medical college here. He told me to continue his prescriptions and I would get well. After having filled twelve times without receiving the slightest benefit, I declined to continue his treatment any longer. Having heard of S. S. S. (Swift's Specific) recommended for Rheumatism, I decided, almost in despair however, to give the medicine a trial, and after I had taken a few bottles I was able to hobble around on crutches, and very soon thereafter had no use for them at all. S. S. S. having cured me, and well. All the distressing pains have left me, my appetite has returned, and I am happy to be again restored to perfect health."

SSS the great vegetable purifier and tonic, is the ideal remedy in all rheumatic troubles. There are no opiates or minerals in it to disturb the digestion and lead to ruinous habits.

We have prepared a special book on Rheumatism which every sufferer from this painful disease should read. It is the most complete and interesting book of the kind in existence. It will be sent free to any one desiring it. Write our physicians fully and freely about your case. We make no charge for medical advice.

LAKE KERR

Mr. G. H. Smiley has the best grove here at Lake Kerr and expects to ship some fruit this season. The greatest attraction of Florida for Mr. Smiley is the outdoor life among his fruit trees. He never fails to come South every winter and spend his vacation at his lovely winter home.

Lake Kerr abounds in fish, of which many are caught by the lovers of that sport. The otter, too, makes his home here and enjoys his natural sport of fishing for a living. Mr. Henry Hines caught two otters last week for hides, for which he will receive anywhere from \$5 to \$7.

The occupations of the people of Lake Kerr are various. The most fascinating is the dealing in snakes, beetles, toads and other small animals. The dealer, Mr. Fry, has on hand now ready for shipment over thirty snakes, which have been caught by himself and neighbors within the last ten days. Mr. Fry says there are some real nice ones among them. The reader as well as the writer will very likely doubt if there is any such thing as a nice snake.

Many Northern tourists are expected in Lake Kerr this winter. The hotel will be full and six houses are rented to Northern families who think Florida winters are just the thing for good health. More houses will have to be built to accommodate all who wish to come.

Mr. Bertram, an invalid from the North, is enjoying better health since his sojourn at the Lake Kerr Hotel. Miss Pearce has returned from Palatka, where she made a week's visit with her relatives.

Mr. John Pride moved his family to Astor last week.

Mr. Dearn, who was very ill is now convalescent. Mr. John Varn was in Kerr City this week selling honey and snakes. Mr. Fry takes all the snakes and would have these pets in the parlor if there were no one to make objections.
