CLEAN UP

We know it is a busy time of year for every one, whether engaged in trade or not, but the Star wishes to remind our people that beginning Friday, the 27th, there will flock to our city from all parts of the state the teachers of our public schools and their friends, and every home owner, lot owner or renter should see that their premises are put in the neatest and cleanliest possible condition.

We owe this act of cleanliness to ourselves as well as the strangers who will be within our gates at that ime. Let our premises and the streets of the town be in nice shape for our guests when they arrive.

The doctor sometimes passes a harder sentence than the judge. But the sentence of the doctor is more often set aside or overruled than is that of the judge. In the case of Mrs. Reycraft given below, the doctor sentenced her to about eighteen years of physical punishment and misery. But she rebelled against the sentence, and commenced the use of Doctor Pierce's Favorite Prescription. In a few weeks she was a well woman.

It's a peculiarity of the cures effected by the use of Doctor Pierce's Favorite Prescription, that they are generally cures of chronic diseases. A woman suffers with diseases peculiar to her sex, she takes medical treatment, gets no better, and has no hope held out to her of improvement. Then in her discouragement she turns to Dr. Pierce's Favorite Prescription and finds a prompt and lasting cure. "Favorite Prescription" establishes regularity, dries unhealthy drains, heals inflammation and ulceration and cures female weakness.

"Four years ago my health began to fail," writes Mrs. Nellie M. Reycraft, of Glenwood, Washington Co., Oregon. "I had a very heavy dragging and weight in the region of the uterus, pain in back and loins, could not lift anything heavy, rest at night very poor; stomach deranged. One physician said I was overworked, another said I had congestion and falling of uterus. He treated me nine months and said I would not be well until I had passed the change of life. I was only twenty-seven years old then. I became discouraged, and began using Doctor Pierce's Favorite Prescription. Took a teaspoonful three times a day; began feeling better right away. Am using my third bottle now, and feel I am in good health. I believe Dr. Pierce's Favorite Prescription has restored me to health. If suffering women would give it a fair trial they would give it praise."

Dr. Pierce's Common Sense Medical Adviser, paper covers, is sent *free* on receipt of 21 one-cent stamps to pay expense of mailing *only*. Address Dr. R. V. Pierce, Buffalo, N. Y.

A BOLD ROBBERY

An audacious robbery was committed at the home of Mr. D. E. Davidson, on Fort King avenue, Monday afternoon. After a late dinner Mr. and Mrs. Davidson went down town together, securey locking their doors to the house. On the return of Mrs. Davidson, the house was found in disorder, bureau drawers and trunks ransacked. Investigation disclosed that the thief had attempted to get into the back window and failed but succeeded at the side window, almost within arm's touch of Mr. Hiller's home. The things stolen were a gold ring with the letters "L. P." inside. A lady's pocket book with $2.50 in it, card case, some twenty coins, among them a half dollar of 1824 mint.

The room looked as if a young cyclone had toyed with the contents of bureau drawers and trunks.

The party who did the robbing act wore a No. 8 shoe.

ARE YOU DEAF? ANY HEAD NOISES?

ALL CASES OF

DEAFNESS OR HARD HEARING ARE NOW CURABLE

by our new invention. Only those born deaf are incurable.

HEAD NOISES CEASE IMMEDIATELY.

F. A. WERMAN, OF BALTIMORE, SAYS:

BALTIMORE, Md., March 30, 1901.

Gentlemen: — Being entirely cured of deafness, thanks to your treatment, I will now give you a full history of my case, to be used at your discretion.

About five years ago my right ear began to sing, and this kept on getting worse, until I lost my hearing in this ear entirely.

I underwent a treatment for catarrh, for three months, without any success, consulted a number of physicians, among others, the most eminent ear specialist of this city, who told me that only an operation could help me, and even that only temporarily, that the head noises would then cease, but the hearing in the affected ear would be lost forever.

I then saw your advertisement accidentally in a New York paper, and ordered your treatment. After I had used it only a few days according to your directions, the noises ceased, and to-day, after five weeks, my hearing in the diseased ear has been entirely restored. I thank you heartily and beg to remain Very truly yours,

F. A. WERMAN, 730 S. Broadway, Baltimore, Md.

Our treatment does not interfere with your usual occupation.
