THIS IS A CAMPAIGN LIE

A Harmless One However—But Broward Seems to Have Cut Ice as Well as the Wood

The New York Herald tells the following story:

Two of the candidates in the recent primary election for governor of Florida made a house to house canvass through the state. One hot day, Capt. Broward drove up to a farm house and found a lady strenuously cutting wood in the front yard.

The gallant captain alighted, bowed and said: "Madam, excuse me, but I cannot stand idly by and see a lady do such hard work. Permit me," and taking the ax he labored for half an hour, until the last stick of wood was cut.

"Now, madam," he said, as he wiped the sweat from his brow, "if you have a husband you may tell him that Captain Broward called to see him and I would greatly appreciate his vote for governor."

The woman, who had been greatly admiring the candidate's ability as a wood chopper, replied dubiously:

"Well, I don't know about his voting for you, 'cause Bob Davis is right now in the back yard, milking the cow."

CURES OLD SORES

"Westmoreland, Kan., May 5, 1902: Ballard Snow Liniment Co.: Your Snow Liniment cured an old sore on the side of my chin that was supposed to be a cancer. The sore was stubborn and would not yield to treatment, until I tried Snow Liniment, which did the work in short order. My sister, Mrs. Sophia J. Carson, Allensville, Miffin county, Pa., has a sore and mistrusts that it is a cancer. Please send her a 50c. bottle." Sold by the Anti-Monopoly Drugstore.

TRIUMPHS OF MODERN SURGERY

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, burns, bruises and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by all druggists.

BROUGHTON WAS BEATEN

Prominent Preacher Participant in a Disgraceful Disturbance With a Policeman

Dr. Broughton, the sensational Baptist preacher of Atlanta, was cowhided in Albany, Ga., Monday, by the chief of police of that city, against whom Dr. Broughton had made charges of bad behavior while in office.

The officer and some of his friends went after Broughton, whom they found in a barbershop, being shaved. The policeman attacked Broughton with a whip and struck him three or four blows before he could get out of the chair. Broughton arose, grabbing a heavy iron spittoon with one hand and reaching into his pocket, evidently for a gun, with the other. Some of Broughton's friends were present, and some of them and some of the policeman's friends indulged in side fights of small caliber. Others got between the principals and prevented the further effusion of gore.

Dr. Broughton is not yet in the same class with Rev. Sam Jones, who has had two fights, in neither one of which was he whipped, though both seem to have been drawn battles.

THROWN FROM A WAGON

Mr. George K. Babcock was thrown from his wagon and severely bruised. He applied Chamberlain's Pain Balm freely and says it is the best liniment he ever used. Mr. Babcock is a well known citizen of North Plain, Conn. There is nothing equal to Pain Balm for sprains and bruises. It will effect a cure in one-third the time required by any other treatment. For sale by all druggists.
