WOULDN'T YOU LIKE TO BE A WOODMAN?

The Choppers Will Have a Happy Good Time Tomorrow Night

The members of Fort King Camp, No. 14, will hold their monthly meeting at Yonge's Hall tomorrow evening, to install officers for the year and attend to other regular business.

After the evening's business is attended to, the sovereigns will sit down to a banquet, which will look something like this:

Bill of Fare Oysters Turkey Cold Ham Cake Oliver Pickles Celery Preserved Fruits Saltines Coffee Cigars Salted Almonds Ice Water?

Before being allowed to eat Charlie Sage will have to answer this question: "How much wood would a woodchuck chuck if a woodchuck would chuck wood?"

EAGLES INSTALL OFFICERS

And Also Have a Jolly Good time. Lodge is Now Firmly Established

The members of Ocala Aerie, 1814, F. O. E., met in Yonge's Hall last night to install officers for the current year. The ceremony was conducted by Deputy Grand President F. Viering. The officers installed were as follows:

Past Worth President, C. O. Harris; F. W. Ditto, president; Albert Owen, vice president; J. H. Benjamin, chaplain; W. C. Moore, secretary; F. G. B. Weihe, treasurer; O. W. Cordero, conductor; C. A. Fort, inside guardian; Dr. Charles Hulbert, physician.

After the business of the evening was attended to, refreshments were served. An immense tray full of toothsome sandwiches and a keg of beer formed the pieces of resistance, and they did not last any tedious length of time. An hour or more was passed inhaling inspiration from the fragrant week, swapping yarns, and when the Eagles flew to roost after midnight, it was the accepted and un-denied opinion that they had had a general good time.

The refreshments were furnished by G. D. Hogan, and W. A. Kallenberger, both of whom are enthusiastic members of the order.

The new lodge is firmly established and bids fair to be lasting and prosperous. It contains 67 members, and in the short time since its has been instituted has done much good work.

As an evidence of the high esteem in which the order is held in the United States, it is only necessary to say that W. J. Bryan was initiated into the Lincoln, Neb., Aerie, last Tuesday night, and President Roosevelt has been a member for some time.

RED MEN ATTENTION

A meeting of the Ocala Scribe will be held at Yonge's Hall this evening. All members requested to be present.

THE FIREMAN'S BANQUET

The Ocala firemen, both paid and volunteers, gathered at the Montezuma hotel dining room at 9:30 last evening with their friends and guests to the number of 32 and enjoyed one of the best served banquets ever sat down to in this city. Mine Host John Dewey, of the Montezuma, served the banquet and it was a credit to the house and an index to the future conduct of the hotel. The splendid menu was published in full in this paper yesterday. To give additional flavor to the banquet, Mr. C. Peyser sent in a box of his famous Grand Royal cigars, for which he has the thanks of the firemen. Several short talks were made by the members and guests of the fire department and by Mr. Hamp Chambers, the popular chief of the paid department, who acted as master of ceremonies. Many deserved compliments were paid the best fire department in the country by the guests. Just prior to the banquet the department met at the fire station and elected officers for the ensuing year, as follows: Don Ford, chief; Fred Vogt, foreman; E. C. Bennett, secretary and treasurer; H. H. Whetstone, fire marshal; Feyton Bailey, assistant fire marshal; Wilbur Smith, wagoner.

They are—always fresh. "Uncle Sam" charges but 1c. an ounce to carry it anywhere. A 1 to 5-pound box goes by express anywhere in U. S. for 25c.

Why little-priced candy is a hobby of ours. We sell tons and tons of it—good, pure, wholesome candy—and the highly colored, pretty-to-look-at sort, mark you, but honest candy.

SAWMILL MEN MET IN JACKSONVILLE

Mr. M. J. Roess returned last night from Jacksonville, where he has been on business connected with his saw mill and lumber industries. He attended the meeting of the sawmill men at the Windsor hotel on Tuesday. Among the other important matters discussed was the proposed removal of the tariff on lumber. The sawmill men are bitterly opposed to this, and will do all in their power and wish their friends to do all they can to persuade Congress to allow the tariff to remain. The lumber men say, and it seems to us they are right, that with the tariff removed, both Mexico on the south and Canada on the north can rush lumber into the United States and despoil at least one of the South's best industries.
