# WHY NOT HAVE BEAUTIFUL HAIR?

BEAUTIFUL HAIR IS NOW WITHIN THE REACH OF EVERY WOMAN WHO WILL USE

## NEWBRO'S HERPICIDE

The original remedy that kills the dandruff germ

Herpicide is the only remedy that strikes at the very root of hair trouble by destroying the dandruff germ, after which the hair is bound to resume its natural beauty and abundance.

The wonderful success of Newbro's Herpicide has brought out many preparations claiming to kill the dandruff germ. There is but one genuine dandruff germ destroyer and all other remedies, making such a claim, hope to trade upon the reputation of genuine Herpicide.

Just begin the use of Newbro's Herpicide in secret and see how soon your friends will notice the improvement in your hair.

A Pennsylvania woman, whose hair is of extreme length and beauty, writes: "I find that by the continued use of Herpicide my hair is growing longer and thicker than ever before."

Don't waste your money on new and untried remedies that claim to equal Herpicide when you can buy the original and genuine article at any drug store. Herpicide stops itching of the scalp almost instantly.

Send 10 cents in stamps to the HERPICIDE COMPANY, Dept. L, Detroit, Mich., for sample and booklet. One dollar bottles guaranteed. At Drug Store. When you call for Herpicide do not accept a substitute.

Applications at prominent Barber Shops.

### A PLEASANT EVENING

A very large proportion of the population of Ocala enjoyed the band concert last night. There were hundreds of people out, and the public square and courtyard yard was indeed a pretty and pleasant place to be. The concert has become a feature of the summer that can hardly be dispensed with. The members of the band deserve the greatest help and encouragement for their good work.

The Star desires to thank Mr. D. S. Woodrow for a very fine drawing of the proposed new hospital building. It represents the thought of Mr. George MacKay, the Ocala architect, for this class of building. It will be two stories with a hip roof, a one story building to the right for office room and operating rooms and to the left is an extended covered walk to another building to be used for contagious diseases. The whole presents a very attractive appearance. Mr. George Feltham is the draftsman. In a day or so we will present the cut of this proposed building in the Star.

### PIANO RECITAL

The following invitation has been issued by Miss Wartmann: "The honor of your presence is requested at a piano recital given by the pupils of Miss Wartmann at half past four o'clock and at eight o'clock, when there will be rendered by Miss Wartmann and her pupils, kindly assisted by Mrs. Mote, a program of eighteenth century music the afternoon and evening of Wednesday, May 25th, 1909, at the Woman's Club."

The Eagles' minstrels will give their first performance in Dunnellon on the night of May 27th. We are sure that our minstrels will be a grand treat for Dunnellon because we expect to put on the best minstrel show that has ever been put on in that town. The Eagles quartet is composed of some of the best voices of the state. The grand opening will be long remembered by all who have the pleasure of seeing it. This minstrel will be up-to-date because the manager, Mr. F. C. Simpson, has taken great pains in securing the very best and latest hits in coon songs and ballads, and all jokes will be fresh from the tree, but it happens not to be a chestnut tree. You want to come and you want to be so kind as to invite your friend, but tell him he will have to buy his ticket at the box office. Look out for the Eagle minstrel, because we expect to land in Ocala at an early date. A laugh for you and one for your friends.

It looks like the Eagles' minstrels are going to make the biggest kind of a success of the minstrel tour of central Florida, which they propose to put on, commencing next week.
