FATE OF THE PEACEMAKER

Grayson, Ga., July 7.—Much excitement prevails in this community over the fatal injury of Rev. E. L. Langley, who was shot while trying to separate his son, Bose Langley, and J. E. Webb, who were engaged in a desperate duel with pistols. Each received two wounds of a serious nature. The minister in attempting to act peacemaker came within the range of the flying bullets and fell at his son's feet, mortally wounded.

San Francisco, July 7.—The record for futile attempts at self-destruction is evidently held by Katherine Powers, who has attempted suicide forty-two times in the last three years. Thirty-five times she has tried chloroform, she has tried the ocean four times, only to be washed up again, and three times she has tried to hang herself. She is in the emergency hospital here after her forty-second attempt yesterday.

A HORRIBLE HOLD-UP

"About ten years ago my brother was held-up in his work, health and happiness by what was believed to be hopeless consumption," writes W. R. Liscomb, of Washington, N. C. "He took all kinds of remedies and treatment from several doctors, but found no help till he used Dr. King's New Discovery and was wholly cured by six bottles. He is a well man today."

HONEYMOON CONTINUED IN THE HEREAFTER

South Bend, Ind., July 7.—The wedding trip of a Chicago couple had a tragic ending here yesterday. F. Lindman and wife, a newly married couple from Chicago, went out for a boat ride on the river.
