OLIVER'S TWIN BROTHER

So he Says, is the Leroy Harding of Unsavory Fame, who has Swindled So Many People

Bainbridge, Ga., July 22.—That he has a twin brother, and that this brother, and not himself, is the famous Leroy Charles Harding, about whose criminal record in Alabama, Florida, Mississippi, Georgia and Ohio so much has been written and as whom he has himself been identified, was the assertion made on the witness stand yesterday by A. D. Oliver, the "banker of Climax."

Oliver stated that he knew much of the history of this brother; knew, for instance, that he had been in trouble Alabama and Mississippi and had been taken back to Ohio to answer serious charges after being spirited away from Atlanta in an express car.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heartburn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions.

The following leading medical authorities, among a list of others, avoid the foregoing roots for the cure of just such ailments as the above symptoms indicate: Frank Reinhold, M. D., of Jefferson Med. College, Phila.; Prof. H. C. Wood, M. D., of Univ. of Pa.; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago; Prof. John King, M. D., Author of American Dispensary; Prof. Jno. M. Scudder, M. D., Author of Specific Medicines; Prof. Laurence Johnson, M. D., Med. Dept. Univ. of N. Y.; Prof. Finley Ellingwood, M. D., Author of Materia Medica; Prof. Bennett Brown, M. D., of Medical College, Chicago. Send name and address on Postal Card to Dr. R. V. Pierce, Buffalo, N. Y., and receive free booklet giving extracts from writings of all the above medical authors and many others endorsing, in the strongest possible terms, each and every ingredient of which "Golden Medical Discovery" is composed.

Crying for Help: Lots of It in Ocala, But Daily Growing Less. The kidneys cry for help. Not an organ in the whole body so delicately constructed.

Took a Terrible Toll: Galveston, Tex., July 22.—Ten dead is the total number of lives lost so far as is known in the hurricane. While the city was held safe against the fury of the storm by the new \$2,000,000 seawall, far out in the gulf, on Tarpon fishing pier, seven miles from the city, where the storm whipped over the jetty into the bay, ten persons were washed from the rocky promontories into the gulf.

Doan's Kidney Pills are what is wanted. Are just what overworked kidneys need. They strengthen and invigorate the kidneys; help them to do their work; never fail to cure any case of kidney disease.

Plenty more proof like this from Ocala people. Call at Tydings & Co.'s drug store and ask what their customers report. For sale by all dealers. Price 50 cents. Poster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no other.

SEAWALL STOOD THE STRAIN

Galveston Lay Safe Behind Her Breastwork, While the Gulf Waves Raged in Vain

Galveston, Texas, July 22.—Man's strength and arm were pitted against the fury of the elements yesterday and man won when the city of Galveston, safely entrenched behind her impregnable seventeen-foot seawall, withstood, with comparatively trifling loss, a tidal wave and hurricane equal in intensity and destructiveness with the one which destroyed the city on September 8, 1900.

With wires down and railroad communication destroyed, the exact loss is impossible to estimate. The hurricane struck Galveston about 11 o'clock yesterday morning. The wind attaining a velocity of nearly seventy miles an hour, whipped the treacherous waters of the Mexican Gulf into a fury of destruction.

Swept All of Outside Territory Clean Outside the limits of the city where the wall had not been reared and where the city had not been elevated, the waters had their way, but they wrecked only deserted huts and abandoned territory.

TOOK A TERRIBLE TOLL Galveston, Tex., July 22.—Ten dead is the total number of lives lost so far as is known in the hurricane. While the city was held safe against the fury of the storm by the new \$2,000,000 seawall, far out in the gulf, on Tarpon fishing pier, seven miles from the city, where the storm whipped over the jetty into the bay, ten persons were washed from the rocky promontories into the gulf.

MARCUS FRANK Stands for Fine Tailoring

Motto—"Satisfaction Guaranteed or No Pay"

To Wearers of Good Clothes: This is to inform you that before the fall season begins I will have installed a first class tailoring department over my store.

My prices on tailored clothes will, as in the past, be the very lowest—quality of goods and workmanship considered. I shall always keep on hand a nice assortment of woolen piece goods so that I can take care of rush orders.

I will however, continue to represent one or two of the leading tailoring houses of the country. This I do in order to keep right in touch with the very latest in tailoring.

I will also handle a first class line of ready-made garments for men in finishes and semi-ready suits and trousers.

I want to impress on you this fact: If at any time after you have bought a suit from me, it does not give satisfaction I stand ready to make it satisfactory, even though it may mean the MAKING of a new garment. I am here to see that you are treated right.

I will keep repaired, cleaned and pressed the clothes you buy of me, free of charge. This work will be done with an Electric Vacuum Cleaner, which draws out the dirt instead of rubbing it in.

Soliciting your patronage, and assuring you that everything will be as represented, I am, Yours for square dealing,

Marcus Frank

HEALTH AT WHITE SPRINGS

Joseph D. Pope has just returned to Jacksonville from a visit to White Springs, and reports that the curative properties of the waters there are wonderful.

"When I left Jacksonville three weeks ago," said Mr. Pope, "I was suffering fearfully from sciatic rheumatism; the pain was most excruciating. I was advised by my physician to try the White Springs waters. I did so, but with very little faith. Arriving on Tuesday night I commenced the baths on Wednesday morning at six o'clock and continued this every morning for two weeks. I returned to Jacksonville feeling like a new man, with the pain all gone and in better health than I ever was in my life. My immediate friends can testify to my condition before I took the trip. Just think that within little over a hundred miles from our city we have the finest water in the world."

TOO HIGHLY CIVILIZED Race suicide threatens Evanston, the classic North Side city, stronghold of Methodism and republicanism and the habitat of James A. Fatten, the wheat king. The report shows that there was an actual loss of children last year.

In 1908 the city had 4,432 boys and 4,746 girls. This year it has 4,345 boys and 4,630 girls, at loss of 213 children, while the city gained 1,097 in population. Another surprising fact shown by the figures is that Evanston is fast becoming a woman's town.

A GAY OLD BOY Alexander Harlette, 10, years old, and a veteran of the Mexican War, who disappeared from his daughter's home in Yonkers, N. Y., two weeks ago, has been found by the police enjoying the sights of New York and returned to his home. Harlette was found in a moving picture show, and said he wanted to show his relatives that he was just as young as he used to be.

ALWAYS USE HERFICIDE The wife of John J. Armour, a Philadelphia pawn broker, who recently purchased and remodeled an old mansion in North Clayton, was applying some hair tonic to her hair when it exploded and her clothing was burned entirely off and her body terribly scalded. Physicians say there is no chance for her recovery. The authorities will investigate.

SHE HASN'T LOST MUCH Jno. W. Jones, who operates a sawmill on Cedar Creek, about eight miles from Jacksonville, was in the city yesterday, and stated to a Metropolitan newsman that there was a white woman mother of eight children, 53 years of age, living near his mill, who came there about a year ago from Georgia, and she has never seen Jacksonville, or ridden on a railroad or street car in her life.
