## A Bold Step.

To overcome the well-grounded and reasonable objections of the more intelligent to the use of secret, medicinal compounds, Dr. E. V. Pierce, of Buffalo, N. Y., some time ago, decided to make a bold departure from the usual course pursued by the makers of put-up medicines for domestic use, and so has published broadcast and openly to the whole world, a full and complete list of all the ingredients entering into the composition of his widely celebrated medicines. Thus he has taken his numerous patrons and patients into his full confidence. Thus too he has removed his medicines from among secret nostrums of doubtful merits, and made them **Medicines of Known Composition.**

By this bold step Dr. Pierce has shown that his formulae are of such excellence that he is not afraid to submit them to the strict scrutiny.

Not only does the wrapper of every bottle of Dr. Pierce's Medical Discovery, his famous medicine for weak stomachs, indigestion or biliousness and all catarrhal diseases, wherever located, have printed thereon in plain English, a full and complete list of all the ingredients composing it, but a small book has been compiled from numerous standard medical works, of all the different schools of practice, containing very numerous extracts from the writings of leading practitioners of medicine, endorsing in its "strongest possible terms," the medicinal ingredients contained in Dr. Pierce's medicines. One of these little books will be mailed free to any one sending address on postal card, by letter, to Dr. E. V. Pierce, Buffalo, N. Y., and requesting the same. From this little book it will be learned that Dr. Pierce's medicines contain no alcohol, narcotics, mineral agents or other poisonous or injurious agents, and that they are made from native medicinal roots of great value; also that some of the most valuable ingredients contained in Dr. Pierce's Favorite Prescription for weak, nervous, over-worked, run-down, nervous and debilitated women, were employed, long years ago, by the Indians for similar ailments affecting their women. In fact, one of the most valuable medicinal plants entering into the composition of Dr. Pierce's Favorite Prescription, was known to the Indians as "Kwas-weed." Our knowledge of the uses of not a few of our most valuable native medicinal plants was gained from the Indians. As made up by improved and exact processes, the "Favorite Prescription" is a most efficient remedy for regulating all the womanly functions, correcting displacements, as prolapsus, retroversion and retroversion, overcoming painful periods, toning up the nerves and bringing about a perfect state of health. Sold by druggists in medicine.

## HARD LUCK FOR HEARST

Came in at the Rear of the Procession a Hundred Thousand Votes Behind Gaynor

New York, Nov. 4.—Complete returns of the vote for mayor give Gaynor, democrat, 53,678, Bannard, republican-fusion, 17,662, Hearst, independent, 152,842.

Gaynor's plurality is 73,616.

The forces of fusion will be practically in control of New York city's government after January next, although the democratic candidate for mayor, Gaynor, was elected. With the exception of mayor the fusion sweep was complete. Not another democratic candidate on either city or county ticket was successful.

McCarthy, union labor candidate for mayor, was elected by a plurality of 8,000. The union labor ticket ran well through all other city offices.

## A Religious Author's Statement

Rev. Joseph E. Fesperman, Salisbury, N. C., who is the author of several books, writes: "For several years I was afflicted with kidney trouble and last winter I was suddenly stricken with a severe pain in my kidneys and was confined to bed eight days unable to get up without assistance. My urine contained a thick white sediment and I passed some frequently day and night. I commenced taking Foley's Kidney Remedy, and the pain gradually abated and finally ceased and my urine became normal. I cheerfully recommend Foley's Kidney Remedy." Sold by all druggists.

## NEDASKA HAS RECEDED

Omaha, Nov. 4.—Election returns from the state are too meager to show conclusively which party has won, but enough is known to make it certain that the majority given William J. Bryan a year ago has been almost if not quite wiped out.

## LIVED 152 YEARS

Wm. Parr, England's oldest man, married the third time at 120, worked in the fields until 132 and lived 20 years longer. People should be youthful at 80. James Wright, of Spurluck, Ky., shows how to remain young. "I feel just like a 15-year-old boy," he writes, "after taking six bottles of Electric Elixirs. For thirty years kidney trouble made life a burden but the first bottle of this wonderful medicine convinced me I had found the greatest cure on earth." They're a godsend to weak, sickly, rundown or old people. Try them. Fifty cents at all druggists.

## HOPELESSLY REPUBLICAN

Philadelphia, Nov. 4.—Pennsylvania elected republican candidates for state treasurer, auditor-general and judge of the supreme court in Tuesday's election, and Philadelphia overwhelmed the reform opposition to the local republican organization, electing the latter party's entire county ticket by a majority of more than 43,000 in one of the heaviest votes ever polled. Majorities for the victorious ticket in the state will reach nearly 150,000.

## SMASHES ALL RECORDS

Try them. 25c. at all druggists.

## KENTUCKY RETURNS TO THE DEMOCRATIC FOLD

Louisville, Nov. 4.—The dawn following the election found the democratic party in possession of nearly all of its ancient heritage in Kentucky. The next legislature will be democratic by over two-thirds majority. Late returns give the democrats twenty-six senators, republicans twelve; representatives, democrats sixty-nine, republicans twenty-seven, with four districts not heard from.

Louisville was restored to the democrats by the election of W. O. Head as mayor by nearly 2,700 majority. With two exceptions all important municipal offices were taken by the democrats.

## TURNED DOWN HONEST TOM

Cleveland, Nov. 4.—The political knell of Tom L. Johnson, four times mayor of Cleveland, was rung when after losing ten battles of Dr. King's New Discovery and seeing its excellent results in my own family and others, I am convinced it is the best medicine made for coughs, colds and lung trouble. Every one who tries it feels just that way. Relief is felt at once and its quick cure surprises you. For bronchitis, asthma, hemorrhage, croup, lagrippe, sore throat, pain in chest or lungs its supreme. 50c. and \$1. Trial bottle free. Guaranteed by all druggists.

## CURE YOUR KIDNEYS

No Need to Take Any Further Risks. Why will people continue to suffer the agonies of kidney complaint, backache, urinary disorders, lameness, headaches, languor, why allow themselves to become chronic invalids, when a certain cure is offered them? Doan's Kidney Pills is the remedy to use, because it gives the kidneys that help they need to perform their work.

If you have, any, even one, of the symptoms of kidney diseases, cure yourself now, before diabetes, dropsy or Bright's disease sets in. Can Ocala residents demand more convincing proof than the following:

C. H. Spellman, 205 Magnolia avenue, Orlando, Fla., says: "For some time my kidneys were weak and I had a too frequent desire to pass the kidney secretions. My back often became lame and I also had pains in my kidneys. On hearing about Doan's Kidney Pills, I made up my mind to try them and procured a box. They acted at once on my kidneys and since using them, I have had no pain or lameness. The kidney secretions have also been regular in passage and I have felt better in every way. I gladly recommend Doan's Kidney Pills." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## CARD OF THANKS

We take this method of thanking the public through the columns of your paper for the liberal patronage that has been extended us through the past season in our business, as we have not been able to deliver cars, as the entire country as a whole bought more cars than the Buick factory could produce. We are just in receipt of letters giving us a slight inkling of our 1910 product, assuring us of the fact that there will be no question in the future that we will be cared for. Our 1910 models will be ready for delivery the first of November, and we have the assurance that we should need 100 cars we can deliver. Our models 10 and 17 will be continued, but the horsepower will be increased 20 per cent. We will also have a model known as No. 18, practically the same as our No. 17, only slightly smaller car, and will sell for about \$1400 complete, and we think this model will hold the rest of them for quite a while. We will also have a \$600, a runabout, 2-cylinder, opposed motor in front, under the hood, cone clutch in fly wheel, selective type transmission and double chain drive, 30x3-1-2 tires; and we want to say to the public that so far as pulling through sand is concerned, this car has no equal. Thanking our friends for past favors, we are

Very respectfully,

## EXPEDITION FROM ALABAMA

Four Hundred Men and Big Supply of Ammunition to Help Zelaya Hold His Office

New Orleans, Nov. 4.—A message from Mobile that business men of New Orleans and New York with financial interests in Nicaragua are planning a filibustering expedition to set out from the Alabama port for Bluefields to help Zelaya resist the insurgents, had led local federal authorities to send secret service men from New Orleans to Mobile to prevent the start of the rumored expedition. The news received here is to the effect that the expedition is to consist of 40 recruited men for the army from the eastern and southern cities and a big supply of war munitions.

The expedition, it is rumored, is to be financed by business men who fear their interests will suffer if Zelaya's rule in Nicaragua is ended.

The society adopted resolutions that the question of whether or not any explorer reached the north pole prior to 1909 shall be referred to a subcommittee of experts with authority to send for papers of make such journeys as may be necessary to inspect original records.
