WILL GET DOWN TO WORK

Congress Has Plenty of Employment Ahead and Will Try to Make a Record by Christmas

Washington, Dec. 6.—Congress assembled today for the "long session," which probably will run well into the summer. Senators and representatives express a determination to take up the work of the session vigorously at the beginning with the hope of having it well advanced before the holidays. The House is already organized by the election of speaker and officers at the extra session, and the appointment of committees, so there will be no excuse for that body not getting down to business at once.

The appropriation bills are to be given the right of way at both ends of the capitol and pressed through with all possible haste. The appropriations committee of the House has been at work for more than a week. When the appropriations bills have been disposed of, Congress will turn its attention to more interesting if not more important measures. There will be plenty to engage attention. Every important committee of the House has a calendar full of bills, introduced at the extra session, and a flood of new measures, cooked up by ambitious members during the recess, is expected at the outset.

Here are some of the things Congress will find ready to hand to work on:

Sweeping changes in the railway laws, giving added power to the interstate commerce commission.

An amendment to the Sherman anti-trust act exempting "large unions from penalties for combination.

Subventions for the upbuilding of the merchant marine and extension of the ocean mail service.

Authorization to railroads to pool under strict supervision of the interstate commerce commission.

Legislation regulating the boycott and the issuance of injunctions against labor organizations.

Internal waterway improvements, according to the policy outlined by the president in his recent addresses in the south and west.

A proposal to reduce the present tax on oleomargarine.

An investigation of the sugar trust scandal will be proposed, and may or may not be undertaken.

The foregoing are some of the more important measures which will clamor for attention, but not all of them are expected to receive it.

Dunnellon, Fla., Sept. 1st, 1909.—I have sold Hall's Texas Wonder of St. Louis, Mo., for six years. Every bottle I sell adds a customer for it. It is a genuine cure for kidney, bladder and rheumatic troubles. Carnegie was a merchant. 50 days' treatment in each bottle.

CARNegie IN POLICE COURT

New York Police Held Up the Money King Because his Chauffeur

New York, Dec. 6.—Orders were issued, and Andrew Carnegie had to stop to bail out his chauffeur yesterday, although he had no money with him, and the call at the golf links was pressing. With Judge Reid and another Pittsburgh man, Mr. Carnegie was on the way to St. Andrew's links when the car was held up and his chauffeur arrested on a charge of exceeding the speed limit.

"We were not speeding," said Mr. Carnegie, "and we have an engagement at the golf links. Can't we go on?"

The policeman was no respecter of persons, so the retired iron master had to go to the police station.

Mr. Carnegie and Magistrate Herrman had a pleasant little talk, the millionaire being assured that he would not have his day's pleasure spoiled by delay. When the chauffeur was held over for trial and it came to a question of bail, Mr. Carnegie said he had no money with him.

"I'll lend you some," volunteered the court, "but property will do."

Mr. Carnegie offered his mansion at No. 2 East Ninety-first street as security, which Magistrate Herrman thought would be sufficient.

A THRILLING RESCUE

How Bert R. Lean, of Cheny, Wash., was saved from a frightful death is a story to thrill the world. "A hard cold," he writes, "brought on a desperate lung trouble that baffled an expert doctor here. Then I paid \$10 to \$15 a visit to a lung specialist in Spokane, who did not help me. Then I went to California, but without benefit. At last I used Dr. King's New Discovery, which completely cured me and now I am as well as ever." For lung trouble, bronchitis, coughs and colds, asthma, croup and whooping cough its supreme. 50c, and \$1. Trial bottle free. Guaranteed by all druggists.

A VERDICT AGAINST OLIVER

The South Georgia Speculator Convicted of Bigamy

Bainbridge, Ga., Dec. 5.—A. D. Oliver, former president of the Bank of Climax, Climax, Ga., was found guilty of bigamy yesterday and sentenced by Judge Frank Park of the superior court to serve four years in the state penitentiary.

The grand jury failed to return indictments against Oliver on charges growing out of alleged misapplication of funds deposited in his bank.

Oliver maintains that he has a twin brother and that wife number one who testified against him is the wife of his brother. Oliver's second wife was a Georgia girl.

A FIGHT FOR EXISTENCE

The Coming Election will Decide the Fate of the House of Lords

London, Dec. 6.—The whole of Great Britain is immersed in the political campaign which has been inaugurated by the refusal of the house of lords to consent to the budget. The country is divided into two great camps, composed of those who support the lords' action and those who contend that the house of commons must have absolute control of the finances of the nation. There are many other issues, such as tariff reform versus free trade, but these are being pushed into the background by the conflict between the two houses.

A POLICEMAN'S TESTIMONY

J. N. Paterson, night policeman of Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least half a dozen advertised cough medicines and had no treatment from two physicians without getting any benefit. My friend recommended Foley's Honey and Tar and two-thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world." Sold by all druggists.

MOROS ON THE WAR PATH

Manila, Dec. 6.—A bloody encounter between a wild tribe of Moros in Mindanao province and the native constabulary has just been reported. Twenty Moros and six members of the constabulary, four porters and one policeman were killed and many were wounded. Further trouble is expected. General Pershing is sending reinforcements.

When a cold becomes settled in the system it will take several days' treatment to cure it, and the best remedy to use is Chamberlain's Cough Remedy. It will cure quicker than any other, and also leaves the system in a natural and healthy condition.

ZELAYA MAKES A FAIR PROPOSITION

Managua, Dec. 6.—President Zelaya has asked the United States to send a commission to Nicaragua to investigate conditions existing here, and says that if its findings show that his administration is detrimental to Central America he will resign.

President Zelaya believes that information sent to the United States regarding cruelties practiced by his government is prejudiced, and that a disinterested investigation would show matters in a better light.

STORM FELT ON THIS SIDE

St. Johns, N. F., Dec. 5.—The Gloucester, Mass., fishing schooner John R. Bradley, which became widely known through her use by Dr. Frederick A. Cook in his Arctic expedition and Pittsburg, Kan., Dec. 6.—Miss Gertie wrecked in the recent gales off the coast of Newfoundland, is safe at Bonaville Bay. Three other Gloucester vessels, the Clintonia, the Henry M. Stanley and the Mabel R. Hines were driven on the rocks off Bay of Islands, the fishing center on the west coast of the colony. The Stanley is a total loss. It is understood that the Hines also was completely wrecked, but that the Clintonia later came off the rocks only slightly damaged. The crews were saved.

The main steamer Portia, reported wrecked during her passage from Sydney, N. S. W., to the Bay of Islands, Bonaville Bay after a terrible experience in the storm. She sustained much damage.

Four Newfoundland fishing schooners also have been driven ashore on the west coast. Their crews reached in their boats after a hard struggle and much suffering from cold and exposure.

ATLANTIC HAS BEEN ANGRY

Scores of Ships Wrecked and Probably Hundreds of Lives Lost in Last Week's Storm

London, England, Dec. 5.—Shipping circles are alarmed over the growing list of wrecks caused by the storm which has been sweeping the British coast for the past three days. It is now believed that the list of drowned will run over two hundred, seventy-two of which are from wrecked steamers. The Thistlemore, the Eilan, the Vannin, nine cargo steamers and more than one hundred sailing vessels have been lost or are missing.

FRANCE HAS SUFFERED

Boulogne, France, Dec. 5.—The quays are crowded with the families of the missing sailors who are believed to have been drowned in the English Channel. The storm redoubled its energies and fierceness yesterday and the damage is great on both land and sea. Many houses here have been wrecked.

CRUSADE "GLORY SONG"

When long ago in the snow and the sleet
 Womanhood knelt in the pitiless street;
 Out of the agony, out of defeat,
 Blossomed a glory for you and for me.

CHORUS
 Oh, that will be glory for me,
 Glory for you, glory for me
 When this dear land of the white ribbon band
 Strikes off rum's chain chanting
 "Glory I'm Free."

Hands all electric with impulse divine
 Now span the globe with a white ribbon line;
 Conquer we must for the cross is our sign,
 Gleaming with glory for you and for me.

CHORUS
 When every home is protected and sweet,
 When our beloved are safe on the street,
 When the saloon is an outlaw complete,
 That will be glory for you and for me.

CHORUS
 When all our struggles for temperance are past,
 And the best day we are rid of at last,
 Just to be sure that a true vote is cast
 Will through the long years mean
 Florida free.

CHORUS
 Oh, that will be Florida free:
 Florida free, Florida free.
 When by his might
 We shall win in this fight,
 That will mean Florida, Florida free.

Do everything you can think of to make votes.
 Act right and at last vote right.
 Don't rest day or night till we win in this fight for Florida free.

He has suffered from tuberculosis for several years, but believes that through faith and fasting he will be cured. His theory is that food simply furnishes fuel for the disease. Tippet is very weak and unable to leave his bed and his death is daily expected.

A Cleveland Dago Tries to Wipe Out His Family

Cleveland, O., Dec. 5.—Mrs. Josephine Mangino and two of her children, Annie and Jimmie Lupica, were murdered in the kitchen of their home yesterday in a quarrel over money matters. Joe Lupica, the baby of the family, was fatally stabbed. Search was directed toward Antonio Mangino, husband and step-father, who left the house immediately after the tragedy for the southeastern part of town, where his relatives are said to live.

Mrs. Mangino and the three children were horribly beaten and stabbed. In each instance, the victim's head was crushed with a heavy iron bar and the bodies were stabbed again and again.

ICE! ICE!

Buy Ice From Red Wagons

They say, but if you will examine carefully the ice which melts so rapidly you will note that there seems to be holes in it, that the center is what is called "snow ice," which, being more porous, allows it to melt quickly.

The kind we turn out is as clear and perfect as it is possible to make ice, and is the most economical ice to use. Ask the man on the Red Wagon to stop and see you.
