TEMPERANCE MASS MEETING

A fair audience greeted Mrs. Mary Harris Armour, the great Georgia temperance orator, on how to put the saloons of the land out of business.

Mrs. Armour then came forward and for an hour presented facts and figures, with which she claims that certainly left an impression in the minds of her hearers and in such a telling manner that bore down all opposition.

Referring to Alabama's election she said a Christian does not kneel defeat, and that politics did it, but temperance sentiment was stronger today in Alabama than ever and that the Fuller law would aid to lessen the sale of the vile stuff in that state.

The Star had a call this morning from the Hon. R. W. Davis of Tampa and our only regret was that we were not in to grasp his farm hand and hear his cheery voice.

Mrs. Halsey entertained delightfully yesterday afternoon at her cozy home on Oklawaha avenue the members of the woman's auxiliary of the Episcopal church.

DIDN'T KNOW HE WAS LOST

Mr. Hallie Blitch has been located at Lakeland. It seems Mr. Blitch was called to Williston last Friday in the interest of the wholesale grocery firm of Johnson & Co., Jacksonville, with whom Mr. Blitch was a traveling salesman ere he became manager of the Teapot, to collect an old account at that place, but he stopped at Morriston and he was heard of at Trilby. His friends are delighted to know that he is safe and sound.

The Star is in receipt of the Daily Christian Science Monitor's Thanksgiving issue. It contained 96 pages of news, write-ups and matter of general interest. The paper is remarkable in this, that a year ago the Christian Science Publishing company decided to start a daily paper not to advocate particularly their doctrine, but such a thing as the projector's thought and believed the public would patronize; clean, honest and devoid of yellow feature journalism.

Messrs. John D. Robertson and J. H. Spencer went out yesterday afternoon in the mayor's auto and brought Mrs. S. H. Blitch to Ocala to see her injured husband. The doctor had a troubled night. His sleep was continually broken by auto wrecks and his escape from the same.

Mrs. Halsey entertained delightfully yesterday afternoon at her cozy home on Oklawaha avenue the members of the woman's auxiliary of the Episcopal church. The attendance was large and Rector Campbell Gray and his charming wife added interest to the consideration and discussion of subjects that pertained to the order and its work.

BURBANK IS GROWING

H. A. Kramer of the New South Farm and Home company, was a caller in the city yesterday and reported progress in the new town of Burbank on the line of the E. P. Rentz railroad near Fort McCoy. Eight tents are up and occupied. Contracts have been made for a store and an administration building. Lands are being surveyed, lots staked off and wells being sunk. Three families went out yesterday and several followed today. The new comers are being cordially received by the natives and everything in their power is being done to make them welcome and assist them in getting settled in their new homes. The company is selling lots at the rate of 600 a day and those who have arrived to make their homes are pleased. A. B. Albritton of Daisy, who has been a resident of that section for a quarter of a century, will be the storekeeper at Burbank. Everything looks promising for the new town and settlement.

GASOMETER LET GO

A Terrific Explosion at Hamburg Cost Lives

Hamburg, Dec. 8.—The explosion of two gas tanks in the so-called Klein's Grabsbrook on the Elbe front yesterday afternoon was followed by an extensive fire and the loss of many lives. The explosion was due to a leak in a new gasometer. Escaping gas entered the rear house, where it came in contact with the fire, causing a terrible explosion. A large number of workmen were engaged in rebuilding and enlarging the plant. Twenty-five of the men were employed near the gasometer. They disappeared in a mass of flames which shot up to a great height.

Firemen with apparatus appeared quickly on the scene, but they were unable to approach in large force, owing to the isolated situation of the establishment.

Up to a late hour last night ten men were reported dead and seventeen missing. It is almost certain that all of them are dead. Forty men were dangerously injured, of whom several can not recover.
