### A TRIUMPH FOR ESTRADA

Zelaya's Friends Routed by the Revolutionists, who are Preparing to March on the Capital

Bluefields, Dec. 23.—Later reports from Rama, where the troops of the government under General Gonzales, met the army of the revolutionists under General Estrada, show that the revolutionists achieved a complete victory, capturing 1,900 of the government troops and taking Gonzales himself as a prisoner.

The fighting occurred just outside the city proper. The wounded were brought by train to Bluefields, and placed in improvised hospitals. Commander Shipley of the U. S. S. Des Moines landed several surgeons from his vessel to assist in taking care of those who needed medical attention.

It is reported that two Americans of the revolutionary army were killed. The engagement began about noon yesterday, the attack being made by the government troops. The forces under General Estrada were soon engaged all along the line, and his superior generalship resulted in the flanking of the enemy's position and the capture of a considerable portion of Zelaya's troops. The remainder of the government troops fell back in a rout and are believed to have taken refuge at Racerio, where a fairly strong force of the federalists are said to be strongly entrenched.

The exact losses on either side are not known. It is said that Zelaya's side suffered the loss of about 650 killed and wounded and the losses on the Estrada side are believed to have been considerably less.

#### May March on Managua

Estrada and his men are greatly cheered by the victory. His friends here say that the head of the provisional government is now in a position to march upon Managua, the capital, and demand the surrender of the reins of government from President Madriz, who, they declare, is only the shadow of authority, with Zelaya as the real head of the government.

#### Defeat Would Have Been Disaster for Estrada

Friends of the provisional government here take a very happy view of the situation. They say that the victory of Estrada clearly demonstrates that he is a capable leader and the real master of the situation. Had he been defeated there would have been an entirely different story. Defeat, it is pointed out, would have practically ruined the cause of the revolutionists.

#### A THRILLING RESCUE

How Bert R. Lean, of Cheny, Wash., was saved from a frightful death is a story to thrill the world. "A hard cold," he writes, "brought on a desperate lung trouble that baffled an expert doctor here. Then I paid \$10 to \$15 a visit to a lung specialist in Spokane, who did not help me. Then I went to California, but without benefit. At last I used Dr. King's New Discovery, which completely cured me and now I am as well as ever." For lung trouble, bronchitis, coughs and colds, asthma, croup and whooping cough his supreme. 50c. and \$1. Trial bottle free. Guaranteed by all druggists.

#### A LITTLE TOO LATE

Washington, Dec. 23.—A dispatch from Managua to the state department states that President Madriz, since he took possession of the presidency, has released all political prisoners. He has also promised protection to American interests.

#### THE CORRECT TIME

To stop a cough or cold is just as soon as it starts—then there will be no danger of pneumonia or consumption. Just a few doses of Ballard's Horehound Syrup taken at the start will stop the cough. If it has been running on for sometime the treatment will be longer, but the cure is sure. Sold by all druggists.

#### SANTA CLAUS CAUSED A SUICIDE

Death of a Mother who Couldn't Face Her Disappointed Children on Christmas Morning  
Philadelphia, Dec. 23.—Rather than face her six children on Christmas morning without presents, Mrs. Sarah Dennis, a widow living in the tenements of the lower section of the city, committed suicide Tuesday night. She turned on the illuminating gas in her room and Wednesday morning she was discovered, dead, from asphyxiation. A note which she left on the bureau in her bedroom told the pitiful story of her not being able to bear the sight of her "little ones" disappointed on Christmas morning following a night when Santa Claus should have arrived and did not. Charitable people took charge of the children and they will be placed in a home where Santa Claus will be sure to find them.

#### HEXAMETHYLENETETRAMINE

The above is the name of a German chemical, which is one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical text books and authorities as a uric acid solvent and antiseptic for the urine. Take Foley's Kidney Remedy as soon as you notice any irregularities and avoid a serious malady. Sold by all druggists.

#### SIX YEARS FOR WARRINER

Cincinnati, O., Dec. 23.—Charles Warriner, the confessed Big Four embezzler of over half a million dollars, pleaded guilty yesterday to stealing five hundred thousand dollars. He was sentenced to serve six years in the penitentiary.

The symptoms of kidney troubles are urinary disorders, weak back and backache, rheumatism and rheumatic pains and twinges, pains in the groin, etc. There is nothing so good for kidney and bladder trouble as DeWitt's Kidney and Bladder Pills. You may depend upon them to give entire satisfaction. They are antiseptic, act promptly and soothe the pain. Sold by all druggists.

High Officials in Corea, India, Russia and Roumania the Victims of Knife, Pistol and Bomb

The assailant is a young man, a Christian, and was formerly a resident of the United States. He is a beardless lad of 29. He refused to say why he had attempted to kill the premier.

#### British Magistrate in India

Bombay, Dec. 23.—Arthur Mason Tippitts Jackson, chief magistrate of Naisk, was assassinated by a native while attending a theatrical performance last night. Motive for the murder was revenge upon the magistrate, who sentenced a criminal, a friend of the assassin, to life imprisonment.

#### Police Chief of St. Petersburg

St. Petersburg, Dec. 23.—Colonel Karpoff, chief of secret police of this city, was blown to pieces by a bomb thrown by an anarchist in a secluded apartment here last night. His assailant has not been captured.

#### Prime Minister of Roumania

Washington, Dec. 23.—An official dispatch received by the state department yesterday from Bucharest states that the prime minister of Roumania was shot and seriously wounded by an anarchist.

#### COPENHAGEN FINDS COMFORT

In the Belief that Any Other City Would Have Been Taken In Egan's Charitable Opinion of Dr. Cook  
Copenhagen, Dec. 23.—The newspapers find comfort for themselves in the Cook affair in the thought that the Danes accepted the explorer's word as that of a gentleman.  
The Koebenhaven says: "Cook's abasing our university is his greatest shame. Fortunately the university tells the world its mistake."  
Other papers insist that under the circumstances any city would have given the explorer a similar reception. The intimate of other cities envied Copenhagen the opportunity of first welcoming him.

United States Minister Egan says that the finding of the Danish institution was final unless the matter should again be opened by presentation of the material said to have been left by the explorer at Etah.  
"The Danes," said he, "are the most competent judges of such matters. I am forced to accept their opinion. I cannot, however, bring myself to believe that Dr. Cook deliberately set out to deceive the world. I still think that Cook is an honest man who believed he had accomplished what he claimed and must have been mistaken through lack of scientific knowledge."

#### IF WOMEN ONLY KNEW

What a Heap of Happiness it Would Bring to Ocala Homes  
Hard to do housework with an aching back.  
Brings you hours of misery at leisure or at work.  
If women only knew the cause—that Backache pains come from sick kidneys.  
'Twould save much needless woe.  
Doan's Kidney Pills cure sick kidneys.  
Many residents of this vicinity endorse them.  
Mrs. John Smith, 367 East Magnolia street, Gainesville, Fla., says: "I suffered from a weak back and severe pains in my sides for a long time. I could not stoop without having sharp twinges through my body and it was difficult for me to regain an erect position. I was also subject to headaches and at times was very nervous. When I saw Doan's Kidney Pills so highly recommended for these troubles, I procured a box and began their use. In a short time I felt much better, the pains lost their severity and I gained in strength. I consider Doan's Kidney Pills to be an excellent remedy and am pleased to recommend them."
