BETWEEN FIRE AND WATER

Hundreds of Women and Sunday School Children Lost Their Lives Wednesday

New York, June 16.—The excursion steamer General Slocum was destroyed by fire yesterday morning off North Brothers island. A telephone message from the island says many persons lost their lives. The vessel took fire in the upper works and the flames spread rapidly. The pilot, as soon as the alarm was given, steered for the shore, but before the boat could be beached she was a mass of flames from stem to stern. The Slocum was bound to Locust Grove and carried an excursion party of Sunday school children of St. Mark's church (Lutheran) of East Sixth street, numbering nearly 1600, of whom more than half were children. Many jumped overboard and were drowned, while others were burned to death on the boat.

The telephone operator at North Brothers Island says the water near the island is full of floating bodies. Those saved are being cared for at the island. The Slocum is an immense triple decker. The news has created intense excitement.

Three Hundred Perish

The latest reports received by the police indicate that at least 300 lives were lost. The police have so far recovered a number of bodies, mostly those of women and children. A musician on board the ill fated steamer says he with his wife and three children were unconscious of danger when suddenly a blaze sprang up from the lower deck. A panic followed. He was thrown overboard with one child, and says everything was the wildest excitement.

Capt. Van Shick of the General Slocum is under arrest and will be taken to a hospital, as he was badly burned in escaping from the vessel as she went down. He says: "The fire started on the forward port side of the vessel. I saw there was no chance to use life preservers or life boats. I gave the fire drill call, however, and the thirty-three employes obeyed quickly. There was nothing to do, as the fire spread rapidly, so I tried to locate the best place for beaching the boat. I cannot tell the origin of the fire. It burned so quickly that it was impossible to make an investigation."

HAVE YOU A COUGH?

A dose of Ballard's Horehound Syrup will relieve it. Have you a cold? A dose of Herbine at bedtime and frequent small doses of Horehound Syrup during the day will remove it. Try it for whooping cough, for asthma, for consumption, for bronchitis. Mrs. Joe McGrath, 327 E. First St., Hutchison, Kans., writes: "I have used Ballard's Horehound Syrup in my family for five years, and find it the best and most palatable medicine I ever used." 25c., 50c., $1. Sold by the Anti-Monopoly Drugstore.

PORT ARTHUR ENFILADED

Rome, June 16.—A message from Che Foo states that the Japanese have succeeded in placing fifty-two large seige guns on the heights near Port Arthur. People who have escaped from the town say only combatants remain, and that only enough supplies to last for six weeks. These seige guns command Port Arthur, and it is expected will do terrific damage.

TRIUMPHS OF MODERN SURGERY

Wonderful things are done for the human body by surgery. Organs are taken out and scraped and polished and put back, or they may be removed entirely; bones are spliced; pipes take the place of diseased sections of veins; antiseptic dressings are applied to wounds, burns, bruises and like injuries before inflammation sets in, which causes them to heal without maturation and in one-third the time required by the old treatment. Chamberlain's Pain Balm acts on this same principle. It is an antiseptic and when applied to such injuries causes them to heal very quickly. It also allays the pain and soreness. Keep a bottle of Pain Balm in your home and it will save you time and money, not to mention the inconvenience and suffering which such injuries entail. For sale by all druggists.

CHANGES IN THE CABINET

Moody will Take the Place of Knox and Dayton will Succeed Moody.

Washington, June 16.—Representative Alston G. Dayton of West Virginia, a prominent member of the house committee of naval affairs, has, it is said, been invited by President Roosevelt to become the new secretary of the navy, to succeed Secretary Moody, who will become attorney general as soon as Attorney General Knox retires from the cabinet.

SMALL BUT SAFE MAJORITY FOR BROWARD

(Metropolis, June 15.)

Day after tomorrow the democratic state executive committee will meet in this city to declare the nominees of the primary held on the 7th of this month.

There is talk of protests, but so far nothing definite has come to light so far as the gubernatorial race is concerned. Upon the face of the returns N. B. Broward has been elected by a comparatively small, yet a safe majority.

In local political circles there has been considerable talk regarding rumors of contests, and the bitterness of the campaign has been increased thereby, owing to the ill-advised talk of certain people.

Robert W. Davis would have no office within the gift of the people unless said office was honorably and fairly secured. The same can be said of N. B. Broward.

So far as the two factions are concerned, the state executive committee is almost evenly divided, with a slight majority favorable to the Broward faction. There are too many honorable men on both sides to sanction a wrong. The indications are that most of the members will be on hand at the meeting on next Friday.
