NAVY YARDS MAY BE CLOSED BY NAVY BOARD

NAVAL OFFICERS NOW CONSIDERING REFORMS, AND PROBABLE THAT THEY WILL FAVOR CLOSING OF ALL NAVY YARDS IN THE SOUTH.

A special from Washington to the New Orleans Times-Democrat says: "The board of navy officers, which has been considering reforms for that branch of the public service, is expected to report soon in favor of the abolition of the navy yards at Charleston, Key West, Pensacola and New Orleans. The matter of navy yard consolidation, abolition and division of work, so as to bring all the activities at each yard under the control of one responsible head, is only one of the many things referred to that board, but it is the subject in which there is greatest popular interest. A report such as indicated will be no surprise to those who have been following the matter.

The first step against the southern yards was made by the general board, Secretary Metcalf echoed its recommendation, which was for the abolition of the yards mentioned. Secretary Newberry agreed with the view expressed by his predecessor and issued the closing order known to all the people of the southern states. The New Orleans yard will be no worse off by reason of that report than it has been at any time during the last two years. It requires an act of congress to abolish the yard. The executive can refuse to send work to it, and that has been the attitude of all the naval administrations for the last two years.

"The appointment of Gen. Estopinal to be a member of the house committee on naval affairs, it is possible, may result in forcing the department to use the yard at New Orleans, but if it is used, it will be solely because the department needs the vote of the general for some of its more cherished plans."

Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and this inflammation is usually taken out of this tube restored to its normal condition, hearing will be destroyed forever. It is caused by an inflamed condition by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by HALL'S Catarrh Cure. Send for circulars, free.
