

Are Microbes

in Your Scalp?

It Has Been Proved That Microbes Cause Baldness

Professor Unna of Hamburg, Germany, and Dr. Sabouraud, the leading French dermatologist, discovered that a microbe causes baldness. Their theory has time and again been amply verified through research experiments carried on under the observation of eminent scientists. This microbe lodges in the Sebaceous, which is the natural hair oil, and when permitted to flourish it destroys the hair follicles and in time the pores entirely close, and the scalp gradually takes on a shiny appearance. When this happens there is no hope of the growth of hair being revived.

Dandruff is a contagious disease, which is largely due to a destructive microbe, which when left to pursue its course causes itching scalp, falling hair and baldness. Dandruff is caused by the microbe, affecting the glands which produce the sebaceous matter, which latter then unnaturally dries up and scales off.

We have a remedy which will, we honestly believe, remove dandruff, exterminate the microbe, promote good circulation in the scalp and around the hair roots, tighten and revitalize the hair roots and overcome baldness, so long as there is any life left in the hair roots.

We back up this statement with our own personal guarantee that this remedy called Rexall "93" Hair Tonic will be supplied free of all cost to the user if it fails to do as we state.

It will frequently restore gray and faded hair to its original color, providing loss of color has been caused by disease; yet it is in no sense a dye. Rexall "93" Hair Tonic accomplishes these results by making every hair root, follicle and pigment gland strong and active, and by stimulating a natural flow of coloring pigment throughout the hair cells.

Rexall "93" Hair Tonic is entirely free from grease or sediment, is exceedingly pleasant to use and will not stain hair or permanently soil the clothing or pillows.

We exact no obligations or promises—we simply ask you to give it a thorough trial and if not satisfied tell us and we will refund the money you paid us for it. Two sizes, prices 50 cents and \$1.00. Remember you can obtain it in Pensacola only at our store.—The Rexall Store. The Crystal Pharmacy.

HARBOR, RIVER AND MARINE NEWS

tol, 12 days from Laguna, laden with mahogany logs and in badly storm-battered condition, was towed from the quarantine station yesterday and given a berth near the end of Baylen wharf. The vessel is the same one whose experiences in the storm of two weeks ago were detailed in these columns at the time of her arrival here.

Fish Receipts.

Three vessels arrived up to Saunders & Co. yesterday. The Carrie B. Welles reported a catch of 13,000 pounds of red snappers, the Francis Louise, 5000 pounds, and the Angelina nothing. The latter vessel did not land a fish.

Naval Stores Receipts.

Naval stores receipts at Central wharf yesterday were as follows: Schooner Viola, 100 barrels; schooner Juliette, 116 barrels; schooner Ellen C., 470 barrels; schooner Magnolia, 140 barrels; schooner Norwich, 185 barrels, and steamer Vernon, 102 barrels.

Vernon on Bar.

During her trip here, the steamer Vernon struck on a bar near the mouth of the Holmes river and remained there 24 hours. Half of her cargo of naval stores, or 102 barrels, were discharged out of necessity. The steamer returns today to bring that part of her cargo to Pensacola. Much trouble has been had with the Holmes river bar and another bar three miles distant. The water is reported very low there at present, offering a serious obstacle to navigation.

Don't waste your money buying plaster when you can get a bottle of Chamberlain's Liniment for twenty-five cents. A piece of flannel dampened with this liniment is superior to any plaster for lame back, pains in the side and chest, and much cheaper.

WOMAN'S NIGHTMARE

must pass is so full of dread that the thought fills her with apprehension. There is no necessity for the reproduction of life to be either very painful or dangerous. The use of Mother's Friend prepares the system for the coming event, and it is passed without any danger. This remedy is applied externally, and has carried thousands of women through the crisis with but little suffering.
