Try This, and See Your Itching Piles Vanish. Nothing works so surprisingly quick in cases of piles and that terrible itching, itching, itching, as Dr. Hebra's Unguent. The first application will prove it. It is a supreme remedy for all irritating skin diseases, such as eczema, barber's itch, tetter and ringworm.

For sale in Pensacola by W. A. D'Alemberte, Druggist and Apothecary, 121 S. Palafox Street.

Metzger Bros. Cash Buyers Scrap Iron, Metal, Etc. Mobile

TERSELY TOLD. \$5.00 REWARD.

The Journal will pay \$5.00 reward for evidence sufficient to convict any boy or person found stealing subscribers' papers after delivery of same by carrier.

C. E. Buchanan, Atlanta, was in the city yesterday, having run down to the Deep Water City to spend a day with his friend, Jas. R. Nix.

C. F. Seltz, representing Hart Schaffner & Marx, was in Pensacola yesterday. Mr. Seltz says conditions everywhere are steadily growing better and he looks for a fine business in nearly every line this fall and winter.

C. K. McQuarrie, of Gainesville, joined Prof. P. H. Rolfs in the city yesterday and they will spend several days in this county conducting farmers institutes.

A. H. Riley, Evergreen, is in the city on a short business visit and is registered at the Escombria.

C. H. Simpson, of the Arcadia Farms, was in the city yesterday and was warmly greeted by his numerous friends.

S. J. Harvey, cashier of the First National bank of Milton, was in the city yesterday on a short business visit.

S. R. Rogers, of Gainesville, is among the registered guests at the Escombria.

Comptroller John G. Ward said yesterday that licenses were being taken out very slowly, indicating a rush during the last days of October of license applicants to escape the thirty per cent penalty which will then be exacted. The comptroller advised that this was unwise on the part of business people, from the fact that it will be impossible to provide for all if they wait too late. Every proprietor in any line of business is liable to arrest after the first day of October, according to the city ordinance.

William George, of DeFuniak, spent yesterday between trains with friends in Pensacola.

The work of improving Church street in the city hall was started yesterday. A curbing will decorate each side of the driveway which will be thoroughly hardened.

Twelve negroes and several white persons were locked up at the county jail at an early hour yesterday morning, charged with immoral living. Some of these will appear with others, making a total of twenty-four, before Judge E. D. Beggs at a special session of the criminal court to be held at 10 a. m. today, and plead guilty. The latest bunch were arrested by Deputies Lowery and Jones.

Calvin Parnell was arrested yesterday by Mounted Officer Reed on charges of being drunk and disorderly and carrying a pistol concealed. He will be given a trial today.

J. A. Lowery, a mounted policeman now under indefinite suspension and now a special deputy to the sheriff, was fined \$10 and costs in the recorder's court yesterday for allowing stock to run at large. Four dollars were remitted.

Twenty-three cases and \$122 in fines was the record in the recorder's court yesterday. Six cases were continued, four defendants were discharged and Henrietta Thomas, charged with assaulting Ella McGain, with a fork, was bound over to the county courts.

Architect Benz, of Mobile, whose plans for the projected new county jail have been accepted, was in the city yesterday, calling during the day upon Building Inspector James Johnson for a copy of the Pensacola building laws.

HANDSOME LITTLE GIFT Given away by the Star Laundry with every suit sent to them to be cleaned and pressed. The "Sanitation and Satisfaction" Laundry. Phone 114.

Deafness Cannot Be Cured by local applications, as they cannot reach undisturbed portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed, it swells and obstructs the hearing, and when it is entirely closed, deafness is the result, and unless this inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Halls Catarrh Cure. Send for circulars, free.

J. C. HENNEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

DOUBLE HEADER IN FOOTBALL

CLASSICALS AND U. M. S. OF MOBILE WILL CLASH, WHILE HIGH SCHOOL AND BREWTON WILL PLAY ON THE SAME FIELD NEXT SATURDAY.

Lovers of football should have enough for one day on next Saturday, and certainly they will have their money's worth. A double header is to be played at Palmetto Beach and both schools are to have a turn.

A game had been arranged for that date some time ago between the Classical and the University Military School of Mobile, and on last Saturday the High School players learned that their only chance of a game with a foreign team would depend on a game for next Saturday. The managers of the two teams got together and the Classical boys, who already had the only very practicable playing field reserved, showed just that spirit which should exist between two schools in the same city and agreed to share the day with their local rivals.

So each is to have its turn, one school playing its first half against one invader trying to wrest football honors from us, and then giving way to the other, who will have its turn at defending Pensacola's goal. The first two contestants will then play their second half and be followed by the second pair for their last half.

In view of the two games for one day, it will be necessary for the first game to begin earlier than it is usual to call the games at the beach. But it will be worth one's while to sit the entire programme out.

The Classical has been out for their first trial of strength and came back losers, but with a very satisfactory showing. Their vanquishers of last Saturday at Brewton will try their strength with the Pensacola High School in the game next Saturday.

The University Military School is an old rival of the Classical and honors are about even with them for former years. Nothing is known here of their strength this season, but it is rumored that they have a pretty heavy bunch of players.

Both the schools are hard at work in practice and will give a good account of themselves. And from the amicable way in which they are beginning their athletic season it is safe to say that all feeling of rivalry will be put aside next Saturday, and the lustiest cheers that go up for the High School will be from the Classical and vice versa, and this is the way it should be.

Don't waste your money buying plasters when you can get a bottle of Chamberlain's Liniment for twenty-five cents. A piece of flannel dampened with this liniment is superior to any plaster for lame back, pains in the side and chest, and much cheaper.

\$10,000 TO LEND. We can loan above in amounts as desired, on good real estate security, at 8 per cent. Hooton & Watson.

There is no game law against anyone hunting for Plank's Chili Tonic. It is guaranteed to cure malarial chills and fever. Ask Hannah Bros. They probably know.

LARGE NUMBER AT WARDVILLE FIRST INSTITUTE CONDUCTED THERE YESTERDAY PROVED TO BE A VERY SUCCESSFUL EVENT

The first of the series of farmers' institutes to be conducted in this county was held yesterday at Wardville, and proved to be a most successful affair. A large number of planters in the northwestern section of the county attending and evincing much interest in what was said to them by the speakers.

Prof. P. H. Rolfs and C. K. McQuarrie, of the Florida Agricultural Experiment Station, and F. B. Bingham, representative of the Chamber of Commerce, composed the party to leave the city yesterday morning, going to Flomaton, thence to Atmore by train and then driving through the country to Wardville.

The institute was conducted in the new school building there and was attended by seventy-four adults and fifty-one children. A meeting was held in the forenoon and another in the afternoon. Prof. Rolfs spoke on "Better Farming and Rotation of Crops" and "Forage and Rotations," which subjects he handled in a most interesting manner, holding the attention of his audience throughout both addresses.

Mr. McQuarrie delivered two very interesting talks on "Cane Growing and Grinding" and "Stock Raising and Home Dairying." Mr. McQuarrie is a familiar with his subjects, gained through practical experience, gave the planters some valuable information.

Mr. Bingham, speaking on behalf of the Chamber of Commerce, stated that the agricultural body is much interested in the development of the county's commercial resources as well as supplying a better system of public roads.

Mr. Bingham also spoke of the results obtained by the Southern States Lumber Co. on its Magnolia Hill farm, one of the most modern farms in this section.

Today Prof. Rolfs and Mr. McQuarrie accompanied by representatives of

Painful Dyspepsia

A Form of Indigestion Caused by Gastric Irritation from Undigested Food in the Stomach.

No case of dyspepsia is better marked than that known as "painful indigestion," and it is also a very common affection. Pain, generally of a dull character, is felt after meals, and along with the pain, soreness at the pit of the stomach often exists, and in some cases the soreness is permanent. The tenderness is commonly restricted to a spot in the middle line of the body, immediately below the breast-bone.

It often extends upward under the bone, which consequently feels sore on pressure, or the tenderness is felt toward either side. This tenderness is commonly associated with an unpleasant feeling of heat—a burning sensation—as it is termed by some persons. There is also a "gnawing" and "dragging" as well as various other anomalous sensations complained of after taking food, and generally within an hour after eating.

Water pipes have been laid from the tank to different portions of the grounds for the convenience of the stockmen, concessionaries and the public generally.

A new ticket office has been built at the railroad entrance and when 9 o'clock strikes on the morning of November 9 everything so far as the management is concerned will be in readiness.

A switch has been installed on the street car line to facilitate rapid transportation in that way and the local officials of the L. & N. will arrange for all needed coaches and cars to handle all those who prefer to travel in that way.

Among the attractions already engaged are Madame Mauratta and her troupe of high school horses, including St. Patrick, the champion high jumping horse of the world, a contract at a very high price having been signed for these this week. Another is Senor Nordich, a famous high wire walker.

Entries are coming in more rapidly, but not as rapidly as they should, and those who are going to enter live stock should remember that live stock entries close next Monday, the 20th, at 6 o'clock.

SLIGHTLY COLDER WITH SNOW. When you see that kind of a weather forecast you know that rheumatism is at hand. Get ready for it now by getting a bottle of Ballard's Snow Liniment. Finest thing made for rheumatism, chilblains, frost bite, sore and stiff joints and muscles, all aches and pains. 25c, 50c and \$1.00 a bottle.

Sold by W. A. D'Alemberte, druggist and apothecary, 121 S. Palafox St.

\$10,000 TO LEND. We can loan above in amounts as desired, on good real estate security, at 8 per cent. Hooton & Watson.

For goodness sake, eat Mother's Bread. Hughey's, 133 West Intendencia, Phone 855.

PEBBLE DASH ON NEW HOTEL INTERESTING WORK IS NOW BEING DONE—CONCRETE WORK HAS BEEN FINISHED—ARCHITECT STODDART IN CITY ON VISIT OF INSPECTION.

Architect Stoddart of the San Carlos hotel has been in the city for the past day or two looking over the work on the hotel building. The concrete work has now been finished, the tile walls, both interior and exterior are nearly all in, the plasterers are at work finishing the interior of the rooms and hallways, and the pebble dash finishing is now being applied to the exterior of the building.

This pebble dash work is very interesting. The first of the work is being done on the exterior of the walls on the inner courts and the workmen have to begin on a scaffold at the top of the building and work down. The walls are first cemented and while the cement is green the workman with his trowel "dashes" a mixture of pebbles and cement onto the wall. This application sticks, hardens, and whitens, and when finished it presents the unique Spanish architecture effect which is desired.

The San Carlos is rapidly assuming the appearance of a finished structure and the contractor hopes to have it done by the middle of January or first of February.

Causes Sickness Good Health Impossible with a Disordered Stomach. There is nothing that will create sickness or cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge every one suffering from any stomach derangement, indigestion or dyspepsia, whether acute or chronic, to try Rexall Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine they are not satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. Three sizes, 25c, 50c and \$1.00 a box. Sold in Pensacola only at our store.—The Rexall Store, The Crystal Pharmacy.

FAIR GROUNDS ARE IN SHAPE

MUCH WORK HAS BEEN DONE AT MAGNOLIA BLUFF FOR THE APPROACHING TRI-COUNTY FAIR.

Things at the fair grounds are rapidly assuming shape for the big fair of November 9 to 13. A ten-foot walk has been laid from the pavilions to the pig and sheep pens, which are located along the south side of the ball park fence, and by the east fence are the feed rooms for the use of the stock men, and east of these and alongside the walk will be located the big tents for the cattle, horses and poultry.

Water pipes have been laid from the tank to different portions of the grounds for the convenience of the stockmen, concessionaries and the public generally.

A new ticket office has been built at the railroad entrance and when 9 o'clock strikes on the morning of November 9 everything so far as the management is concerned will be in readiness.

A switch has been installed on the street car line to facilitate rapid transportation in that way and the local officials of the L. & N. will arrange for all needed coaches and cars to handle all those who prefer to travel in that way.

Beardsley's SHREDDED Codfish 10¢ Box

"The poor man's friend, the rich man's delight." It makes Fish Balls and Fish Cream fit for a king.

NO ODOR. NO BOILING. NO SOAKING. NO PREVIOUS PREPARATION. It costs so little. Ask your grocer to put a box in your next order.

EVERY PACKAGE HAS RED BAND. NEW YORK. Makers of the Celebrated Acme Sliced Smoked Beef

of the Chamber of Commerce, will go to Cottage Hill, where an institute will be conducted this morning. From there they will go to McDavid for the afternoon.

Comparing the number who attended the institute yesterday with that of last year, Prof. Rolfs as well as others of the party, were able to see that the interest in diversified farming as is being taught by the experiment station, is greatly increasing.

DR. CARLISLE, A NOTED EDUCATOR, IS DYING By Associated Press. Spartanburg, S. C., Oct. 19.—Dr. James H. Carlisle, president emeritus of Wofford college and one of the most noted educators in the south, is dying at his home here. Dr. Carlisle was elected president of the college in 1875 and is the only survivor of the signers of the ordinance of secession. He is the first college president in the south to receive an annuity from the Carnegie foundation.
