

CONDITION OF HALL CRITICAL

YOUNG MAN STABBED BY NEGRO AT CENTURY MAY NOT RECOVER AND NO BOND HAS BEEN ALLOWED HIS ASSAILANT.

Extremely critical was the reported condition of young Walter Hall, who was stabbed by a negro at Century Tuesday morning.

Sheriff Van Pelt was in the woods near McDavid fishing when the Century trouble occurred. When he heard how serious was the situation he boarded a train and went up to Century and Plomaton.

But I believe they would have hurt Stewart if they would have gotten hold of him. I do not mean that they would have attempted to lynch him.

DECISION ON ASYLUM CASE

BOARD OF COMMISSIONERS OF STATE INSTITUTIONS DECLINES TO ADMIT CHILDREN TO INSANE ASYLUM.

Special to The Journal. Tallahassee, Oct. 20.—The Board of Commissioners of State Institutions met this morning to consider the contents of a letter received by them from Hon. B. F. Whitner, superintendent of the state hospital for the insane.

Such a patient as this one would require the whole time and constant care and attention of a nurse. I would respectfully ask that the board would make some ruling definitely fixing the limit of age, etc., as to these infants which can be sent to the several county judges and sheriffs of the state in circular form, thus avoiding similar action and saving expense in the future.

It may seem strange to read of a pastor being rescued from a life of misery, but in this case, as in hundreds of others, it matters not what your vocation in life may be or how far reaching may be your power, there is always a time in your life that you may need assistance of some one kind or another.

There is no person on this earth ever known one quarter what I have had to endure, for I always considered other people had troubles enough of their own without listening to mine. I have tried almost every treatment, I ever heard of to get relief from my sufferings.

Imminent danger of damage, the water having leaked up directly to the doors. The floor on one store was dampened considerably. LONG SWELLS ROLLED OVER BOSOM OF BAY. Beginning early in the afternoon with the first rising of a stiff breeze from the southwest, long swells began to form in the bay and at dark it was positively unsafe for small boats to proceed to the docks.
