THE WEEK'S EVENTS

FRIDAY. Meeting of the Social Card club, hostess Mrs. J. M. Clutter, on East Cervantes street. SATURDAY. Meeting of the Browning club, hostess Mrs. Boucher, at No. 17 East Bralnard street.

THE LAND OF USED-TO-BE.

There's a wonderful country, fair to see, That's known as the land of Used-to-be. Just over the borders of Arcady, In the golden Kingdom of Kiss; The skies in this kingdom are always blue, There are roses, the fairest that ever grew, Love sings in the darkness and smiles in the dew, In this garlanded isle of bliss; There's light and laughter, and music's croon, And the patter of feet clad in fairy shoes, And the tawny of the sun, and the sheen of the moon— King Folly, in fool's attire, And the loves one lost return, and woo, And the dreams one dreamed, as in tales, come true, And prince and pauper receive his due— In this land of Heart's Desire.

It's a wonderful country, this land of dreams, A country remote from the world and its schemes, Where everything is just what everything seems, And loving is glint, and glee; Where age wins youth, and youth wins fame, And love comes hisping the love one's name, And joy is living, and grief a game— In the Land of the Used-to-be. —Philadelphia Star.

Both young people are very popular and highly esteemed in

NERVOUS DYSPEPSIA. If You Have It, Read This Letter. Hannah Bros. Guarantee Mi-o-na. "I was taken last August with a severe stomach trouble. The doctor said it was nervous dyspepsia. He gave me medicine for that. I took his treatment four weeks, didn't feel any better at the end of four weeks than I did when I commenced taking his medicine. I took everything I heard of. The first day of December, 1908, I got a box of Mi-o-na. I took them that afternoon and the next day haven't had one bit of pain in my stomach since the 2nd of December. I took five boxes. Feel well now, sleep good—that is something I haven't done in a number of years." Mrs. M. E. Maxfield, R. F. D. 2, Avoca, N. Y., June 9, 1909.

HYOMEI. Cures catarrh or money back. Just breathe it in. Complete outfit, including inhaler \$1. Extra bottles 50c. Druggists.

CURES ECZEMA QUICKLY. New Discovery Has Revolutionized the Treatment of Skin Diseases. Nothing in the history of medicine has ever approached the success of the marvelous skin remedy known as poslam, which, it is safe to say, has cured more cases of eczema and skin diseases than any remedy ever offered for these ills. The success of poslam is not at all surprising when it is considered that even a very small quantity applied to the skin stops itching immediately and cures chronic cases in two weeks. The very worst cases of eczema, as well as acne, herpes, tetter, piles, salt rheum, rash, crusted humors, scaly scalp and every form of itch, yield to it readily. Blenishes such as pimples, red noses, mucky and inflamed skin disappear almost immediately when poslam is applied, the complexion being cleared overnight. Every druggist keeps both the 50-cent size (for minor troubles) and the \$2 jar, and either of these may be obtained in Pensacola at the Crystal Pharmacy and D'Alemberte's, as well as other reliable drug stores. But no one is even asked to purchase poslam without first obtaining an experimental package which will be sent by mail, free of charge, upon request, by the Emergency Laboratories 32 West Twenty-fifth street, New York city.

Davis received the very sad intelligence yesterday of the death of a favorite niece in New York, the deceased having left a young husband besides numerous other sorrowing relatives. Mrs. Davis visited at the now stricken home during the summer, and feels the blow keenly.

MANY ATTENDED BENEFIT SUPPER LAST NIGHT. Many attended the benefit supper given last night for the Sisters of Mercy in the armory hall. Oysters, gumbo, cake, coffee, etc., were served by the ladies, and other attractions were also arranged for the entertainment of those present. With a cause so worthy in view, there were numbers to whom it was indeed a pleasure to lend every possible patronage to the good work in hand.

FLINCH CLUB TO ENJOY OUTING ON SATURDAY. The New City Flinch club members are to enjoy a novel outing tomorrow, which will be a trip across the bay to Santa Rosa island in the launch Lena. There will be a number of invited guests present, and the start will be made at ten a. m. Flinch cards will be taken and the game played on the breeze-blown pavillion galleries, and lunch will be provided by the ladies. The return will be made about five o'clock.

AT THE SALVATION ARMY LAST NIGHT. The Rev. Mr. Gavin, of the First M. E. church, was orator of the evening last night at the Salvation Army hall where Adjutant Grimshaw and his faithful assistants are striving so valiantly to save souls. Mr. Gavin, who is always a forceful speaker, never appeared to better advantage than he did last night, and is to be lauded highly indeed for the part in the great work for good which he is taking. He also brought along his fine choir, which, under the direction of Miss Cawthon, has grown to be one of the best known musical organizations in the city, and which rendered some fine selections last night. Last night's meeting was one of the finest which has occurred in the newly inaugurated series, and the Army feels justly proud of the result of its efforts.

NEW TABLE SILVER. All of the latest knives and forks have handles of silver which have entirely superseded the white handles of ivory and mother of pearl. The silver is found to be more substantial and is less likely to be spotted or broken by constant use. Silver platters also take precedence over the ones of china for the serving of all meats, poultry and fish, as they hold the heat better and insure the serving of these courses piping hot, a thing not possible with china. It is not customary abroad to place half a dozen knives and forks of various designs, some for fish and some for fowl and some for no one knows what, alongside the plates before a dinner is begun. But for each course as it is removed the waiter brings the "tool" for the next. Not only is this bit of show done away with, but it is considered in bad taste to spread out an array of silverware before your guests, an act which appears rather parva, as though the object of a feast were to make an exhibition of wealth. It is taken for granted by

PERSONAL MENTION. Miss Henrietta Roth, who is well known here, is visiting in Honolulu. Miss Elise Chipley will leave soon for Atlanta. Mrs. Maurey, of Mobile, is a guest of her daughter, Mrs. Walker Anderson. Judge and Mrs. Bellinger are to

erect a pretty new home on the lot formerly owned by Mr. Walter Pitt. Mr. Curry Moreno, well known in this city, is ill at the Georgia Military academy. SANBORN. Special to the Journal. Sanborn, Nov. 4.—Capt. Robt. P. Yent, of Carrabelle, county surveyor of Franklin county, was up last week surveying lands and shaking hands with his old friends. The captain is seventy the ninth inst., but is as young as ever. He at one time commanded several different steamers which plied the river here and was the most popular of all the captains. Ex-Judge W. W. Geter and J. H. White, of Bristol, were business callers locating lands last week. Edwin Brothers, or three of them, killed a 425 pound bear last week, and said that there are several others that had better scatter their tracks. Capt. J. K. Ward, public road contractor, was down last week with six men putting the roads in good repair. Capt. V. L. Roberts left Friday last with a tow of logs, 426, for R. J. & B. F. Camp Lumber Company, of Carrabelle. B. Wiggins's launch has broken the connecting rod and is now under "treatment." G. L. Lockamy is towing naval stores to Melrose this week with his launch, "Maid of the Mist." Thos. H. Syfrett was over this week, getting hogs for his pinder field. P. A. Sanborn paid Carrabelle a call Wednesday last, returning the same day with the county surveyor. E. C. Roberts was here several days ago to get the thirty-five horse-power engine from the mill to grind cane with. Many school children suffer from constipation, which is often the cause of seeming stupidity at lessons. Chamberlain's Stomach and Liver Tablets are an ideal medicine to give a child, for they are mild and gentle in their effect, and will cure even chronic constipation.

ARE YOU COMING? BEULAH. Special to the Journal. Beulah, Nov. 4.—We had a good rain here Tuesday, for which all are thankful, as it will help the fall gardens and it was getting pretty dry in the woods and fields. Mr. and Mrs. James Snowden were in the city Sunday, the guests of J. T. Wilson and family. E. Snowden and wife were the guests of Arthur Spare and family Sunday. Mrs. R. T. Irvin entertained a few friends at dinner last Friday in honor of Mr. Irvin's birthday. A. J. Garrett has been confined to his bed the past week, but is now some better and able to be up again. Mrs. John Mathis had a narrow escape from serious injury Tuesday evening. She went to turn some coils out of the field, when one of them ran over her, knocking her down and hurting her in her back and shoulders. We are not claiming more for the dairy as a money getter than there is in it, nor really much than half, if a man goes into it with a good grade of cows and does his part. The cows that Mr. Jefferson has are just common pine woods cows, bought of neighbors, and the amount of butter and cream sold per week from four cows should have read six dollars per week, instead of sixty, as printed last week. Not bad for cows giving milk since last April. The Methodists of Beulah will commence their protracted meeting on Saturday night, Nov. 6th, and will continue for a week until the interest begins to wane. Dr. Hammit, the district superintendent, will be here the 8th inst. to hold the quarterly conference some time in the afternoon. As this brings the year's work to a close, much important business will be transacted and it is hoped that there will be a good attendance.

"The lump in my right side has entirely disappeared, although several physicians said I could never recover without a surgical operation. Everybody thinks it a remarkable cure.
