

For Aged People Old Folks Should be Careful in Their Selection of Regulative Medicine.

With advanced age comes inactive bowel movement and sluggish liver. Nature is unable to perform her proper functions and requires assistance. Otherwise, there is constant suffering from constipation and its attendant evils. Old folks should never use physic that is harsh and irritating. We have a safe, dependable and altogether remedial medicine that is particularly adapted to the requirements of aged people and persons of weak constitution who suffer from constipation or other bowel disorder. We are so certain that it will completely relieve these complaints and give absolute satisfaction in every particular that we offer them with our personal guarantee that they shall cost the user nothing if they fail to substantiate our claims. This remedy is called Rexall Orderlies.

NICK'S REGULAR DINNERS POPULAR

Nick Apostle, popular proprietor of the Peerless Cafe, prides himself on being able to please any average man's appetite. By average man, Nick says he means the great host of business men, clerks and office men who, occasionally or regularly, take their noonday lunches "down town." It's a hobby of his, this feeding of the men who generally don't know what they want to eat and count it a relief to be able to walk in and say, "Give me a dinner," feeling that they will be satisfied.

Satisfied and more are they when they make it a habit to eat at the Peerless. Nick specializes his Sunday dinner and if you get caught down town drop in and enjoy one.

SLOW ONES ARE PAYING ON THE PENALTIES NOW

PERSONS WHO FAILED TO PROCURE LICENSES HAVE BEEN CALLED UPON TO PAY ADDITION TO REGULAR FEE, WHICH COMES HIGH IN SOME CASES.

Delay in procuring city licenses during the past week has caused the payment of rather heavy penalties, the fifty per cent. addition now being in effect. All the saloons escaped the increase, for licenses to conduct this sort of business were all taken out long before the first of this month. In the office of Comptroller Ward yesterday, however, two rather large penalties were exacted. One bank was called on to pay a penalty of \$50.00, while the same amount had to be paid by the local branch office of the Southern Bell Telephone company before license would be issued. An extensively known business man failed to procure a license for the conduct of his business valued at \$40,000, and the penalty in his case was \$50.00. He balked, but paid it. Possibly the man who did the most kicking was a member of the council in business, who, for some reason, had neglected to get a license until yesterday. Penalty in his case was \$10.00, which was paid. He had no fault to find in the law naturally which he had assisted in passing.

The comptroller makes careful inquiry into the nature of business for which license is required before issuing the document. He has informed himself on all phases of the license law and is quite ready to tell at once if the proper fee had been paid at the office of the treasurer. Several persons have been turned back because improper representations must have been made to the treasurer.

Lame back comes on suddenly and is extremely painful. It is caused by rheumatism of the muscles. Quick relief is afforded by applying Chamberlain's Liniment.

Members of Live Oak and Hickory Camps, W. O. W., are invited by the Woodmen's Circle to attend unveiling of monument of Mary Landsberg at St. Michael's cemetery at 3:30 p. m. Sunday. Members of the Woodmen's Circle will meet at the Lodge Hall at 2:30 p. m.

I'd Like to See the Liver of a Fat Man

This is the expression of a medical man who said that the liver of a fat man must present a wonderful sight when that man is alive and performing his regular duties. The liver is the largest organ in the human body. The stomach calls on the liver and so does the blood. If the liver gives to the digestion apparatus improper juices then the digestion is wrong. This is what makes people fat. The liver is not right. On popular demand we have made the famous Marmola Prescription into tablets which are eaten after meals just like food and they digest that food as if it were food. They remove fat already accumulated at the rate of from 12 to 16 ounces per day and leave no wrinkles or flabby skin. Carry one in your vest pocket or purse when you dine out and eat what you will. Fasting diet and exercise will not reduce fat. You only starve the body and by taxing down other organs you bring the fat with the rest of the destruction. Marmola Tablets are sold by all druggists and in greater quantity than all the other so-called fat reducers combined. There must be merriment in them or their sale could not be growing larger every month. Ask any druggist or if you prefer send for a box of Marmola Company, Dept. 247, Detroit, Mich., and they will send you a large case of Marmola Tablets in plain package by mail.

CHICAGO GRAIN MARKET. Chicago, Nov. 6.—Prices in wheat were inclined to sag during early trading today, owing to heavy selling by local bears. Offerings, however, were not liberal. The continued heavy market and cash situation in this country was supplemented as a bearish influence by the report, which indicated an increase in winter wheat in that state. Prices at the opening were, December, 1.01 5/8-8. After touching 1.01 5/8-8, the December option sold off to 1.01 3/8-8. The continuance of clear weather in the corn belt encouraged a renewal hammering in the corn market by bears, which resulted in slight declines in all deliveries. The December delivery opened unchanged at 58 1/2-2 and sold off to 58 1/4-4@3-8.

LIBERAL receipts of oats caused moderate weakness in the market for that grain. December delivery opened at 38 3/8-8 to 38 7/8-8@30c. Later the price touched 38 3/4@7-8. In provisions, lard again led in the activities. The market was strong during early trading. Prices were unchanged to 1/2c higher.

Closing prices on cash grain: Wheat—No. 2, red, 1.17@1.18; No. 3, hard, 1.04@1.05; No. 2, northern, 1.04@1.05. Corn—No. 2, 63@61-2; No. 2, yellow, 63 1/2-2. Oats—No. 2, white, 38 1/2@40 1/2-2; standard, 39 3/4@41 1/4. Close: Wheat—December, 1.03; May, 1.02 7/8. Corn—December, 58 7/8-8; May, 60 3/8-8. Oats—December, 38c; May, 41 5/8@3-4. PYROGRAPHY A Simple, Artistic and Fascinating Pastime. Pyrography fascinates and instructs young and old of either sex. It is a useful as well as an instructive art, easier to learn than drawing or painting, and requires no more teaching than the few simple directions that go with each outfit. Pyrography as a source of income is rapidly being recognized. Many amateurs have made a good income burning specially ordered pieces for wooden weddings, birthday presents or gifts for holidays. Your own gifts to another friend or relative are so much more appreciated when the work is that of your hand showing the thought and esteem in which you must hold the recipient, when you take the amount of care and patience necessary to finish the article with your own hands. We announce this week with much pleasure, that we have a very large assortment of Pyrography Novelties, in Basswood Goods, consisting of Jewel, Collar, Cuff, Work, Photo, Handkerchief, Glove, Necktie, Dresser and Shirt Waist Boxes, Necktie, Book and Pipe Racks, Stamp Boxes, Hatchets and Tomahawks, Circle and Oval Panels, Bowls, Plates, Match Safes and Frames, with designs too numerous to enumerate.

BULLOCK & CALDWELL GIVE AWAY \$25.00

The idea is, to introduce our Tri-County Fair visitors to LAKEVIEW, the most beautiful subdivision in Pensacola, with its two miles of water front on Bayou Texar, and every lot in the city limits.

Don't fail to get a souvenir LAKE VIEW flag. As you cross Bayou Texar on the street car going to the Tri-County Fair, look North on the city side and you will see LAKE VIEW. Its beach is white and sandy, a perfect bathing beach sloping gently into the water, such ideal locations for homes as this property affords; but not on a level with the water, high and dry and far above it, beginning at the edge of the Bayou the land rises gradually to an elevation of 70 feet to 80 feet. In another few years LAKE VIEW will be the site of the choicest Pensacola homes as many of those who have bought lots signify their intentions of building in the very near future. Bayou Texar on a moonlight night is a wondrous sight, such fishing too for the followers of Walton, and strangely enough one may catch fresh and salt water fish from the same boat, fed by the fresh springs from the wooded hills, and the tides of the salty Gulf. The waters here meet and intermingle. To describe LAKE VIEW and Bayou Texar would require a pen dipped in magic fluid.

NOW FOR THE EASY MONEY

We will name a man, woman or child "LAKE VIEW", and this mysterious person will be on the streets or at the Fair grounds all day Tuesday, Wednesday, Thursday and Friday unless caught before. In order to get the prize you must take one of the souvenir LAKE VIEW flags and say to each person whom you think is "LAKE VIEW"—"Oh! You LAKE VIEW." If you are so fortunate as to meet "LAKE VIEW" and do exactly as above directed, LAKE VIEW will hand you his or her card and acknowledge his or her identity; you then take the card and go to The Journal office and they will pay you the above cash prize of \$25.00. The little flags will be given away on the streets, they will be nice souvenirs to take home from the great Tri-County Fair.

Don't fail to notice the beautiful views of LAKE VIEW and also photos of large gang of men and teams working on Osceola Boulevard. These pictures will be displayed in prominent places on Palafox Street during the Tri-County Fair.
