GATHERED AT FAIR GROUNDS DURING DAY

SOME OF THE PROMINENT PEOPLE WHO WERE THERE YESTERDAY SEEING THE SIGHTS—BOOTHS WHERE CREDITABLE DISPLAYS ARE MADE BY ENTERPRISING FORMS.

Prof. A. W. Blair, chemist at the state agricultural station, has a booth in Exhibition hall and he has also established a laboratory in which he will test the various kinds of sugar cane on exhibition there. Prof. Blair will be glad to see all farmers and explain to them the various qualities of sugar cane and other farm products as developed by chemical analysis.

Big Rattlesnake. C. J. Johnson, of Camp Walton, had a live rattlesnake on exhibition at the grounds yesterday. His captor, the reptile near Camp Walton on the Narrows and thought the fair visitors would be interested in it. It is five feet six inches long, with eight rattles, and measures six inches in circumference.

Old Gus is Here. Sportsmen and others who have ever visited Garner's Bayou will be interested to know that Gus Tart, the famous colored hunter who has been a familiar figure and a general favorite in that region for the past 30 years, is here to attend the Fair. Old Gus has entertained some very distinguished people at his camp on Garner's in years gone by. They have included governors, United States senators, congressmen, judges, and other prominent men, and the marvelous woodcraft, quaint philosophy, and sterling honesty of the old negro have made them his friends for all time. He was a particular favorite of Senator Mallory during the latter's lifetime and many a hunt and fishing trip saw them competing as to which would bring in the most fish or game. Gus is here to see the Fair and will remain during the week.

The Board Walk. Atlantic City may sport her "board walk" and so can Pensacola. The attractions at the Fair are all lined up along a wide board walk which in itself is distinguished by its width and will be notable for the number of people who travel over it during the present week. Take a stroll down the board walk—it will do you good and won't hurt the walk.

The Journal's Booth. The Journal's booth, midway on the main aisle through Exhibition Hall attracted a great deal of attention, and scores of people called there to register and to obtain information. Miss Celestine Hirscher has charge of the place and she will be there every day during the Fair. Visitors are asked to call at The Journal's booth to register, secure programs of the Fair attractions, read the current issue of their favorite paper, get such matter if they desire in the way of government reports on farm and stock subjects, and secure information about the thousand and one things connected with the Fair. The government reports, all of which are particularly valuable to the farmer, were secured through the courtesy of Congressman Mays.

Came From the Narrows. W. A. Watson of Mary Esther is in the city for the Fair. Mr. Watson brought down an exhibit of cane from his farm on the Narrows which is on display in the Santa Rosa section.

From Five Mile Bayou. J. M. Ewing, who lives near the head of Five Mile Bayou, is another Santa Rosa man who has an exhibit at the Fair. Mr. Ewing says a number of Illinois people are now located in his section of the county and that Geo. T. Addington and wife, of Peoria, are already building a home near his place.

Flag Raising. One of the features of the Fair opening was the flag raising at the Mission headquarters. President J. E. Stillman of the Fair association officiated, made a neat speech, and hauled the flag to the top of the staff. The Mission has established a tent there which will be used as an emergency headquarters in case of accident or other call.

"Ask Me" Buttons. Those "I-Live-in-Pensacola—Ask Me" buttons are in evidence on the coat laps of hundreds of Pensacolians and they constitute a unique and pleasing evidence of Pensacola hospitality.

Distinguished Visitors. Among the distinguished visitors at the Fair grounds yesterday were Congressman D. H. Mays, Secretary of State H. Clay Crawford, Commissioner of Agriculture B. E. McClain, Prof. P. H. Rolfs, and Mr. C. K. McQuarrie of the agricultural experiment station at Gainesville. They were all interested in the exhibits and declared them far beyond their expectations, particularly for a first attempt.

Lewis Bear Co. Booth. The Lewis Bear Co. has a very creditable display. In fact, it is one of the best to be seen on the Fair grounds. It consists of 40 exhibits of grocery stock of which the firm is so proud. It also has a display of goods manufactured by the firm in its department.

The Rumford Baking Powder Co. which is in connection with the firm's big display is giving away a pound of baking powder to every person who registers at the booth.

Furnishing Excellent Music. The fine marine band of the navy yard is furnishing excellent music for the Fair visitors. The band is without a doubt one of the best musical organizations in the South, and it added much to the pleasure of the visitors yesterday.

The University of Florida has a neatly arranged display the tools used in giving instructions to students in

A Kudzu Display. A display which attracted the attention of the farmers was that by C. E. Pleas, of Chipley, who has on exhibition bales of the famous Kudzu, the greatest forage plant known. This plant was discovered by Mr. Pleas and last year he made four cuttings which yielded almost eleven tons to the acre. Mr. Pleas says he has never yet to see an animal that will refuse to eat Kudzu.

A Handsome Display. The Clutter Music House is showing its enterprise at the Fair, for it has one of the handsomest displays to be witnessed there. Pianos, organs, graphophones and other musical instruments are to be seen in a space tastefully arranged, which shows to advantage the line of goods carried by the progressive firm.

Giving Away Cards. The Pensacola Investment Co. has a booth where visitors are welcomed and are given souvenir post cards to send to their friends. The firm has ten thousand of these cards on hand which will be distributed to visitors during the Fair.

ONE WEEK SPOT

Most Pensacola People Have a Weak Part, and Too Often it's the Back.

Everyone has a weak spot. Too often it's a bad back. Twinges follow every sudden twist. Dull aching keeps up, day and night.

Tells you the kidneys need help—For backache is really kidney ache. A kidney cure is what you need. Doan's Kidney Pills cure sick kidneys.

Cure backache and urinary ills. Pensacola people recommend the remedy.

Mrs. G. Bowner, 422 E. Government street, Pensacola, Fla., says: "I had such severe pains in the small of my back that I could not walk across the floor. Doan's Kidney Pills were at last brought to my attention, and procuring a box at the Crystal Pharmacy, I began their use. The first night I took them, I was able to obtain refreshing sleep. This greatly surprised me, as I did not believe any remedy could bring about so great a change in so short a time. Doan's Kidney Pills soon cured me and to say that I endorse them, but merely expresses my opinion of their merit. I believe if all persons troubled by pains in the small of the back, or any disorder of the kidneys would try Doan's Kidney Pills, there would be but little suffering from these difficulties."

SHERIFF AND COUNTY BOARD TO DISAGREE?

BOARD OF COMMISSIONERS IN SESSION GET NOTICE FROM MR. VAN PELT THAT HE WILL INSIST ON ALL LEGAL FEES—BOARD CLEARED THE CALENDAR OF MONTH'S BUSINESS.

"I hereby give notice that I will claim all fees allowed me by law," was the closing sentence of a communication transmitted to the board of county commissioners by Sheriff Van Pelt last night. The claim referred to takes in the feeding of all county prisoners, the sheriff holding that he alone is authorized to provide meals for them under section 976, of the Florida revised statutes. That section gives the sheriff the authority to provide meals to prisoners at the rate of 30 cents per day for all above ten prisoners. In the past when prisoners have been taken from the county jail to the county's convict camps, they were fed by the road supervisor or camp foreman. The communication from the sheriff gives notice that such work is his alone, and he will make demand for the same. Commissioner Steward was especially forcible in his remarks on the question of a change in the present method of feeding the prisoners, but the matter was referred to the county attorney, who said it required careful study before opinion was rendered, as it involved a big question. The sheriff was represented in the matter by Hon. C. M. Jones.

The commissioners held an adjourned meeting last night. Chairman Oertling presided, and the entire board consisting of Commissioners Brown, Davis, McQuarrie and Steward, were present. Several records of previous meetings were read and adopted.

Representing citizens in the northern part of the county, Hon. C. M. Jones quoted the law on a question of opening up or declaring opened roads public highways, leaving the commissioners free to adopt the report of a commission appointed to lay out the straight road from Gonzalez to the bank of the Escambia river. The board decided not to approve the commission's finding until the members of the board could visit the scene themselves. It was arranged that the entire board make a trip to Gonzalez today.

A delegation from the Central Trades Council appeared before the board and requested that, in a contract for the proposed new county jail, a union labor clause be inserted.

Miscellaneous. A communication from S. S. Leonard, builder of the court house annex, stated that a set of plans for the structure referred to had been filed away with county archives upon completion of the building. Clerk MacGibbon said he had been unable to find them, and the chairman and Commissioner Brown were named as a committee to get information concerning the annex from builders who are yet in the city, a report on same to be made at the next meeting.

The county attorney recommended the return of \$28.38, illegally collected as costs from I. H. Spens, and also the refunding of cost in the case of Ollie Bennett, who gave a 90-day bond to secure the payment of a fine of \$100 and costs.

The game warden reported no known violations of the game laws. A notary bond of A. S. Peterson was approved.

A certificate from the American National Bank showed county funds on deposit there on October 30 to be \$24,506.24. Of this the sum of \$20,280 is to the credit of the school fund. The report was received and filed.

After hearing a communication from the sheriff read, noted at the beginning of this article, the board looked into and approved the accumulated bills.

HANNAH BROS.' DRUG STORE ON FIRE

With Enthusiastic People Clamoring for Gray and Quaker--Unprecedented Scenes Last Saturday, the Likes of Which Were Never Witnessed Here Before.

Enthusiasm in its supreme form reigned at Hannah Bros. Drug Store, No. 17 S. Palafox Street, during these days of Gray's visit. So great was the demand for Quaker Herb Extract and Oil of Balm that the proprietor was amazed, the clerks excited and the visitors astonished. By night the immense stock was nearly exhausted and many people were afraid they would not be supplied. Today, however, a fresh shipment was received and there will be no further disappointment. After the hustle and bustle of such a busy day, Gray was seen late Saturday night, and in the course of his remarks he said: "It is but a repetition of what happens everywhere, a fresh shipment was received and there will be no further disappointment.
