Senator John Neel of Westville, arrived last night and will view the Tri-County Fair during the day.

Eric von Axelsson, of Laurel Hill, is a visitor to the city, and is registered at the Manhattan. He will be here for several days.

Yesterday was pay day at Fort Barrancas and about sixteen thousand dollars were distributed among the officers and men at the post.

George Emanuel, formerly of this city, but now of Mobile, accompanied by Leo Rooney and Willie Maxwell, arrived in the city for a few days at the fair.

Sheriff Van Pelt is looked for on the 6 a. m. train today. With him the deputies are expecting the printer, J. M. Russell, who is wanted for a serious offense here.

Hon. A. C. Croom, who came to view the Fair, left for Tallahassee yesterday, much pleased with the showing made by the two western counties of Florida.

In spite of the damage wrought by the hurricane at Key West lately, people there are yet making and selling cigars, and Ed. A. Hecht, a live drummer from the Island City, was here yesterday emphasizing the above.

The school board's order suspending county schools for today was announced at the close of every public school in the county yesterday and today passenger trains are expected to bring scores of children from the northern part of the county to the fair grounds.

Hons. H. Clay Crawford and B. E. McLin, who have been greatly enjoying their stay of several days in Pensacola, leave this morning for the state capital. Both regretted a pressure of official business, which necessitated their return to Tallahassee before the Fair gates were closed on the last day.

Not a minute should be lost when a child shows symptoms of croup. Chamberlain's Cough Remedy given as the child becomes hoarse, or even after the croupy cough appears, will prevent the attack.

BEFORE THE COMMITTING MAGISTRATES

SEVERAL IMPORTANT MATTERS DISPOSED OF AT PRELIMINARY HEARINGS—BADGER PLEADED GUILTY TO ASSAULT WITH INTENT TO KILL.

Several cases of more than the ordinary nature came up for preliminary trial in the justice of the peace and county judge's courts yesterday. Justice Nicholson and Judge Bellinger presided in the respective courts.

One Badger, colored, who separated from and then returned and shot his wife, was presented for preliminary hearing before Justice Nicholson. Badger started to let the case proceed, but when he saw the state witness he pleaded guilty to assault with intent to kill. He was held to the criminal court.

Obadiah Taylor, colored, was held by the justice for grand embezzlement. Taylor had a brother working for an ice retailing company and he worked one week for him. People stopped taking ice on Obadiah's route suddenly, for he returned no money for sales of four days. When checked up, he was alleged to have collected and used \$22. When confronted, he claimed at first he had been robbed. No bond was given him.

Henry Holmes, for stealing a suit, which he wore when arrested, waived examination after an effort to prove ownership of the clothes, and was bound over. F. W. Kirkpatrick, doing business on North Farragosa street, claimed a watch Holmes wore when arrested. The watch was valued at \$45, and a warrant charging the negro with grand larceny was sworn out yesterday.

Judge Bellinger heard a case against Tena and Joe Baker. Tena Baker was held for carrying concealed weapons and gambling, while the case against Joe Baker was continued until another witness could be found. In this case, Coupee Gerald, held to the grand jury for murder, and Charles Johnson, held to the jury as accessory to a murder, testified.

FOOTBALL AT BEACH TODAY

BREWTON COLLEGIATE INSTITUTE AND PENSACOLA CLASSICAL SCHOOL WILL MEET ON THE GRIDIRON THIS AFTERNOON.

Brewton Collegiate Institute comes today to play its return game of ball with the Pensacola Classical School. Pensacola was defeated in its first game of the season by this school on their home grounds by the score of 10 to 5. Since then both teams have had considerable practice in addition to playing several games. The local squad of players is very much weakened by the loss of three players, the work of White at half being terribly missed. Despite this handicap and the fact that the game will open with a revised line-up for the Classics the game today is expected to be interesting and well contested from the start.

CELEBRATION BY PYTHIANS

The meeting occurred at the Pythian hall, and was largely attended. The grand chancellor was the principal speaker of the evening, and his address followed strictly along the lines of Pythianism. It was followed closely by all present.

Among them were: Henry Horsler, past grand chancellor; T. E. Welles, grand chancellor; S. M. Loftin, past chancellor; Brudge A. C. Blount Jr., past chancellor; J. E. Williams, past chancellor.

DAY'S DOINGS IN RECORDER'S COURT

In the recorder's court yesterday morning 26 cases were docketed. Three were continued and three defendants were discharged.

Charges of drunkenness and fighting were in the majority. C. G. Cassimus, charged with allowing stock to run at large, was fined \$5 and costs. W. P. Lancaster, fined \$3 and costs for disorderly conduct, was ordered to leave town, in which case his fine was suspended. Emma Daniels, charged with doing business without a license, and J. Knox, on a like charge, were fined \$5 and costs, but collection was suspended on condition that proper license is secured. Knox had two wagons and paid a license on only one. The woman was conducting a restaurant.

GATHERED AT FAIR GROUNDS

ITEMS OF INTEREST CONCERNING PEOPLE WHO VISITED THERE DURING YESTERDAY.

Judge Cooper Griggs, of Apalachicola, was among the visitors at the grounds yesterday. He came especially to see what was doing in the way of exhibits. "This fair is fine," said the judge after an inspection of the various departments. "It really equals some of the state fairs which I have seen, and for the first effort I think it about the best ever. I never saw better displays of farm and garden products, while the poultry department is something worth seeing. The agricultural products show what can be done with Florida soil."

Frank Fessler, accompanied by Mrs. Fessler, came over from Baldwin county yesterday, together with a number of other hustlers from that section. Mr. Fessler is vice-president from Baldwin of the Tri-County Fair and is president of the Baldwin Agricultural Society. "I am pleased at the success of the first Tri-County Fair," said he last night to a Journal representative. "It is really a credit to the three counties participating and should grow better with each year. The resources are here and all that is needed is a little encouragement to the farmers. Fairs such as this one will fill the bill."

The Magnolia farm exhibit, which carried off the first premium yesterday, was greatly admired by the visitors yesterday, not only for the fine products of the farm, but the exceptionally fine manner it was arranged.

Prof. Allen and his fiddle was at the fair yesterday, and as usual the professor furnished enjoyment to a large crowd. He was entered in the fiddlers' contest and carried off first prize. There were no other contestants, but had there been the professor would have won anyway.

"The Tri-County Fair is an unequalled success," said Eric von Axelsson of Laurel Hill last night. "Storrs and everyone else connected with it are deserving of praise. I hope the three counties now interested will allow all the balance of West Florida to participate next year, for really it should be a West Florida fair with Baldwin county added."

The poultry department seems to be the favorite with the ladies, next to the woman's department, and during yesterday there was not a moment but the tent was not filled. One of the features on display is an incubator in which baby chicks are being hatched. It was placed on display by Mrs. W. P. ...

Mrs. M. J. Heinberg, of No. 19 West Central street, won the one-pound can of Rumford baking powder given by the Lewis Bear Co. on Thursday. Exhibitors are requested to call at Exhibition hall at the fair grounds after 12 o'clock today for their work. Many articles in the culinary and textile departments are for sale, and will be sold at 2 o'clock.

DOES YOUR STOMACH HURT YOU?

HOW OFTEN YOU SEE PEOPLE WHO FROM GENERAL APPEARANCE LOOK TO BE IN FAIRLY GOOD HEALTH, BUT IF YOU ARE PRESENT A HALF HOUR AFTER THEY HAVE EATEN YOU WILL HEAR THIS REMARK, OH, MY STOMACH.

In many cases the stomach has been strained by over loading, now the stomach is just as easy to strain as any other ligament in the human body, and in many cases of sore weak run-down stomachs. It is caused from overloading, again it may be caused from catarrhal affection, as there is about seven cases out of ten of stomach, kidney, bladder, indigestion, dyspepsia trouble, that the direct cause is catarrh in some form. Gray, the Quaker Health Teacher, who has been at Hannah Bros. drug store for the past four weeks, has told you through the daily papers that Quaker Herb Remedies would positively cure these diseases and he would prove it to you. How does Gray prove these things? By giving you the names and addresses of people right here in your own city, who you can call on, write, phone, wire, do it at Gray's expense and if you do not find what Gray tells you is true, he will forfeit one hundred dollars to any charitable institution in this city. Now isn't this fair and honest?

Here is a report from Mr. A. Brown, Jr., who resides at No. 1503 LaRue street, who called on Gray at Hannah Bros. drug store. He himself has had a great deal of trouble with his stomach, which was very annoying after eating moderately, he was bloated, belch, have pains some times a little dizzy, headache. Mr. Brown also has a wife and children who he also said needed something to clean out their systems, as they were feeling rather poorly, and especially the little baby, 3 years of age, who was very restless at night, grating the teeth some times would scream out, kidneys weak. Mr. Brown procured a treatment of the Quaker Herb Extract, took it home and in a few days came back to tell Gray that their little child expelled some stomach worms after being in various forms, shaping the flower beds, violets, rose cuttings, geraniums, chrysanthemums, zinnias, trailing plants, etc., are used to beautiful advantage.
