Workmen yesterday started tearing up the electric car tracks on East Government street from Palafox to Alcazar streets. This stretch will be paved and the contractors for the road blocks will be working there shortly. The electric company will put down the heavy rails which are being placed over the entire system and thus be out of the way of the pavement people when the latter are ready to start to work on the street named.

The arrest of a strange white man in a South Palafox street saloon at 4 o'clock yesterday afternoon caused a lot of excitement. The man was found in a helpless condition in the rear of the place and a report started that he was dead. The patrol wagon was called but just as soon as Officers Wray, Murphy, Simpson and Henderson started to put the apparently senseless man in the wagon, he suddenly revived and put up a stiff fight, which drew a big crowd shortly after the trouble started. He was charged with being drunk.

Ten days assisting the stock catcher in picking up stray stock was the sentence imposed upon Dan Thomas, the negro boy who was caught cutting the circus canvas the other night. The boy said he didn't do it. Several white gentlemen said they saw him in the act.

On the charge of carrying concealed weapons, Johnnie Chambers, a black boy, was placed in the county jail yesterday. Chambers was said to have been assuming some authority regarding the circus tent the other night, passing a number of boys in on the payment of a dime. When officers ran up on him, he chased away in the woods and was allowed to have drawn a revolver and fired it in the air. Two officers said he did it, and a charge was made accordingly. When arrested Chambers's hip pocket was turned inside out.

CONTENTION IN SIDEWALK CONSTRUCTION

CITY ENGINEER AND ATTORNEY DISAGREE UPON CONTRACT MEANING BUT BOARD UPHOLDS LAWYER IN STAND.

City Attorney John B. Jones, who drew up the sidewalk contract, and City Engineer Earle Thornton, who wrote the specifications for contract in accordance with the ordinance, disagreed recently upon the question of the meaning of a clause in said contract, and the matter was threshed out at length by the board of works last night, resulting in the board and the mayor, who was present, going on record as upholding the city attorney in his stand, and instructing the city engineer to abide by the attorney's opinion. This Mr. Thornton will do, but a troublesome time may be reasonably expected by the sidewalk contractor, who has been holding the view just as explained at length by

Germs in Her System

Every Woman Should Read this Advice and the Generous Offer that Goes With It.

The number of diseases peculiar to women is such that we believe this space would hardly contain a mere mention of their names, and it is a fact that most of these diseases are of a catarrhal nature. A woman cannot be well if there is a trace of catarrh in her system.

Some women think there is no help for them. We positively declare this to be a mistaken idea. We are so sure of this that we offer to supply medicine absolutely free of all cost in every instance where it fails to give satisfaction, or does not substantiate our claims. With this understanding, no woman should hesitate to believe our honesty of purpose, or hesitate to put our claims to a test.

There is only one way to overcome catarrh. That way is through the bowels. You may use all the snuffs, douches or like remedies for years without getting more than temporary relief at best. Catarrh in general is a diseased condition of the system that shows locally most frequently in discharges from mucous membranes. Local treatment will not assist by internal treatment for a complete cure is to be reached. That internal treatment should be scientifically devised and faithfully administered.

REXALL MUCU-TONE is scientifically prepared from the prescription of an eminent physician who for thirty years made catarrh his specialty. This remedy is admirably adapted to the treatment of the catarrhal ailments of women. It purifies and enriches the blood, tends to stop mucous discharges, aids in removing impurities from the system, soothes, heals and strengthens the mucous tissues, and brings about a feeling of health and strength.

We want you to try Rexall MUCU-TONE on our guarantee. If you are not benefited, or for any reason not satisfied, simply tell us and we will hand back your money. Rexall MUCU-TONE comes in two sizes, 50 cents and \$1.00. Remember, you can obtain Rexall Remedies in Pensacola only at our store, The Rexall Store, The Crystal Pharmacy, Brent building.

the city engineer to the board of works last night.

Recently the sidewalk contracting firm built a walk for John B. Jones, the citizen at his home on West Wright street. A charge of about \$15.00 was inserted in the bill rendered for the work for "excavating." Mr. Jones, as the city attorney, brought the question to the attention of the board of works, and in his letter stated that he did so in the interest of the general public who will have to pay for sidewalks in the future.

A clause in the contract, as interpreted by the city attorney, stipulates that the sidewalk contractors are to excavate up to nine inches free of charge, but all over nine inches a payment of thirty cent per yard may be asked. The city attorney held that that means all excavating under and up to nine inches was not to be charged for. The city engineer held that when it went above nine inches the entire area of excavation could be collected for. The city attorney only thought that all over nine inches could be charged for, and that was the reason for a protest when he received a bill for excavating the whole of a depth of nine inches with a slight fraction over. Up to this time bills have been paid regularly and without question, but the stand of the attorney, which was upheld by the board and the mayor, may make a different procedure in the future.

The sidewalk work has been rapid in the past during the favorable weather for outside work. It was stated that about two miles yet remain to be completed, which means that much over twenty miles of new concrete walks have been constructed in the city by the contractors, this being exclusive of much private work which has been done all over the city.

GIRL ATTACKED ON STAGE BY A LION

By Associated Press.
Springfield, O., Nov. 16.—Just as she had finished singing and was tripping to the flies in a local theatre last night, Miss Bertha Aldower, an actress of Columbus, Ohio, was attacked by a lion which she had been putting through a number of tricks. The animal leaped upon her and bore her down. One of its huge paws struck her leg, the claws cutting three deep gashes, about four inches long and nearly an inch deep. With tail switching and roaring with rage, the beast stood over the woman's helpless form. Alfred Camm, one of the actors, seized a prodding iron and drove the lion into his cage. The actress will recover.

The pleasant purgative effect experienced by all who use Chamberlain's Stomach and Liver Tablets, and the healthy condition of the body and mind which they create, makes one feel joyful.

Stops Neuralgia Pains

The shooting, tearing pains of neuralgia are caused by excitement of the nerves. Sciatica is also a nerve pain. Sloan's Liniment, a soothing external application, stops neuralgia pains at once, quiets the nerves, relieves that feeling of numbness which is often a warning of paralysis, and by its tonic effect on the nervous and muscular tissues, gives permanent as well as immediate relief.

One Application Relieved the Pain.
Mr. J. C. Lee, of 1100 Ninth St., S. E., Washington, D. C., writes:—"I advised a lady who was a great sufferer from neuralgia to try Sloan's Liniment. After one application the pain left her and she has not been troubled with it since."
