## CLEAR THE COMPLEXION OVERNIGHT

Pimples, Rash, Eruptions, Etc., Quickly Eradicated by New Skin Remedy.

Ever since its discovery, poslam, the new skin remedy, has, in its extraordinary accomplishments, exceeded the most sanguine expectations of the eminent specialists who gave it to the world. It has cured thousands of cases of eczema and eradicated facial and other disfigurements of years' standing. The terrible itching attending eczema is stopped with the first application, giving proof of its curative properties at the very outset.

In less serious skin affections, such as pimples, rash, herpes, blackheads, acne, barber's itch, etc., results show after an overnight application, only a small quantity being required to effect a cure. Those who use poslam for these minor skin troubles should immediately secure one of the special 50-cent packages recently adopted to meet such needs. Both the 50-cent package and the regular \$2 jar may be obtained in Pensacola at the Crystal Pharmacy and other leading drug stores.

Samples for experimental purposes may be had free of charge by writing direct to the Emergency Laboratories, 32 West Twenty-fifth street, New York City.

I was treated by four doctors and took other kidney pills, but grew worse, and was unable to do my household, and the doctor told me I only could live from two to six months. I am now so much better that I do all of my own work, and I shall be very glad to tell any one afflicted with kidney or bladder trouble the good results I received from taking Poley's Kidney Pills." Commence today and be well. Do not risk having Bright's disease or Diabetes. W. A. D'Alemberte, druggist and apothecary, 121 South Palafox Street.

## 24 GAMBLERS BEING SOUGHT

**CROWD ALLEGED TO HAVE HAD OLD-FASHIONED "CRAP" GAME ON DOCKS AND POLICE GOT LIST OF ATTENDANTS.**

Warrants for two white and twenty-two colored gamblers were issued at the police station last evening, and more than a dozen had been found and arrested. This morning the entire two dozen will appear for trial, providing the police find the entire bunch during the night.

It was stated that an old-fashioned "crap" game had held forth for some hours on one of the wharves, last Sunday afternoon and two of the bunch were corralled by the police. From these, it was asserted, the names of every man and boy in the gathering had been obtained. At any rate, soon after the city court had adjourned yesterday, the two of the alleged bunch had been fined, the desk sergeant began making out a list of warrants and late in the afternoon turned over to the captain for proper distribution to officers and execution two dozen warrants.

Most of those for whom the warrants were issued were under the age of twenty-one.

## FOUR COPS ON MAT TONIGHT

**BOARD OF SAFETY, SITTING AS QUESTIONING BODY, WILL TEST INTELLECTUAL ABILITY OF SOME NEWLY-MADE OFFICERS.**

Sitting as an inquisitorial board, the safety board will meet this afternoon shortly after 4 o'clock for the purpose of submitting a list of fifty or sixty questions to four officers who are now on temporary duty, subject to their successful examination.

Officers Jones, Henderson, Clark and Fillingim are the ones to toe the mark. Fillingim was on the force before and is now under indefinite suspension, pending the examination trial. He made a low average in the first trial and the board let him go for an unnamed period. Requesting that he be given another chance, he has been cited to appear at the second examination this afternoon, which is believed will last well into the evening.

Officer Henderson is under charges and has been suspended. While under subpoena to appear before the examining board, he will be given the chance of first standing trial on the charges which the marshal has preferred against him if he so desires.

Officer Jones is an old man on the force and has been overlooked in the past. Policemen are now elected subject to both a physical and mental examination. This will be the third of these mental tests that the present safety board has conducted. The examination will be held in the court room of the police station and will be public.

## FIRE AT WIFE, IS ALLEGATION

**B. E. SHIRLEY, RECENTLY FROM GEORGIA, PLACED IN COUNTY JAIL ON SERIOUS CHARGE—MARTIN ALLEGED TO BE AN ACCESSORY?**

B. E. Shirley, having rooms at a boarding house on Alcauz and Wright streets, was placed in the county jail yesterday and the charge docketed against him was that of assault with intent to kill, the allegation being made that he had fired at

his wife. A pistol shot in the boarding house was the cause of Shirley's arrest. He claims that the pistol was discharged accidentally. In this claim his wife has joined, but soon after her husband was arrested, it is alleged, she charged him in the presence of officers with having shot at her.

P. M. Martin, a carpenter, residing at the same place, was jailed as an accessory, the allegation being made that Martin handed Shirley a pistol, the same one which was discharged. Shirley made bond without trouble. Martin was in the jail late yesterday.

Mrs. Shirley is a young woman of good appearance and talks well. She and her husband came here from Atlanta, it is stated, Shirley being a plumber by trade. The wife called at the jail yesterday at a late hour and saw her husband. She intimated that she had been shot at, but that she had been fired accidentally. To a deputy, Shirley was quoted as saying that he had carried the pistol because articles had been stolen from his room. This was a statement made by him soon after he had been arrested. To such he has adhered all the way through.

### Chewing Gum Agent Says Advertising Pays

A prominent Palafox street druggist told a Journal man yesterday newspaper advertising certainly does pay. "If you have anybody that

doubts it, just tell him about our experience with Spearmint Chewing Gum. Since this has been advertised in The Journal the sales have nearly doubled."

This is the first time that chewing gum has ever been advertised in newspapers and at first a great deal of skepticism was expressed as to whether newspaper advertising would sell chewing gum. A good product and good advertising, however, have been successful.

Spearmint Chewing Gum has caught the public favor. Advertising first induces them to try it, then the merit of the goods holds them as steady customers.

**MADAM, DO YOU KNOW YOUR DANGER?**

Do you realize the seriousness of symptoms of diseased kidneys and bladder and what the result may be?

Do you know that there are, today, thousands upon thousands of poor, wretched, suffering women dragging themselves about in a "dead-and-alive," nervous, hysterical, exhausted state—unable for anything—unable to work—seeing no happiness or pleasure in life?

And do you know that in a great majority of cases these suffering sister-women are afflicted (as, possibly, you are afflicted) with some form of kidney and bladder disease? That's what it is. There may be other minor derangements, too—but look out for your kidneys and bladder.

Whenever there is anything wrong with the Kidneys and Bladder, a good way to be sure of the fact is to give an honest remedy, such as De Witt's Kidney and Bladder Pills an honest trial. Then, if there is anything wrong with your Kidneys and Bladder, these marvellously beneficial Pills will at once rectify it, in nearly all cases. Then you will know what was the matter.

DeWitt's Kidney and Bladder Pills are especially intended for any and
