## PROMINENT YOUNG PEOPLE MARRY AT TALLAHASSEE

Special to the Journal. Tallahassee, Nov. 26.—The marriage of Mr. Charles Oscar Andrews, of DeFuniak, to Miss Margaret Lee Spears, of Tallahassee, was solemnized Wednesday evening at St. John's Episcopal church, Rev. Samuel Moran officiating.

Miss Spears, on the maternal side, is cousin, more or less removed, to many prominent families of Tallahassee, among them being the Whitakers, the Bradfords and the Meginnisses, and is herself a general favorite, not only among her relatives, but also with a large circle of outside friends, consequently her marriage created a widespread interest, and the church was packed with spectators.

Mr. Andrews is also well-known in Tallahassee, having but recently changed his residence to DeFuniak, and counts his friends here by the score.

Under the skilled and artistic management of St. Agnes Guild, of which organization Miss Spears is a member, the church was decorated most beautifully. White chrysanthemums banked the altar, while in other parts of the chancel was arranged the same flowers, together with royal poinciana, roses and carnations, in red, pink and yellow. These were the colors represented in the bridesmaid's costumes, and they were brought out most effectively and with exquisite taste, being dispersed among beautiful potted ferns and delicately screened by festoons of Florida lily.

## TINCTURE OF IRON TRIED BY JEALOUS GIRL

COLOR GIRL FOUND POSTAL CARDS IN POCKET OF LOVER AND SWALLOWED CONTENTS OF BOTTLE OF MEDICINE.

Declaring that she was tired of living, Anna Tyus, colored, residing at 19 South Baylen street, early yesterday morning swallowed the contents of a three-ounce bottle of tincture of iron in the belief, as she shrieked, that it would end her troubles. About the only resulting effects of the act was the burning of her mouth and some disfiguring of her face, the mixture having come in contact with her skin. Neighbors, attracted by her screams, worked faithfully until the doctor could be summoned.

A plentiful supply of hot lard forced down her throat made her disgorge, but stopped any danger and she was all right yesterday, but felt the effects of the dose much. A doctor was called, but for some reason the message went astray, and neighbors did all the doctoring. As they worked her at 5 o'clock yesterday morning her screams created intense excitement in the immediate neighborhood, but the police had no report of it.

The girl was said to have found in the pocket of a "lover" several postal cards bearing the name of a woman for whom she had expressed love. That was the last straw, and the bottle was the first thing that came into her mind. Firmly believing that it would cause her death, she swallowed the dose and suffered the consequences.

## VISITOR WAS PARTED FROM WAD OF MONEY

SEPARATED FROM SUM OF THREE HUNDRED DOLLARS, HE REPORTED THAT THIEVES HAD BEEN WORKING WITH HIM.

Declaring that he had been robbed of the sum of \$300, a visitor from one of the West Florida counties made a big fuss at the police station early last night, and expressed the belief that he had been "touched" for his wad. He made the report from his hotel by telephone, and there was some hustling about until the money was found and the fears of the visitor appeased.

It was shown on the record that the gentleman, reaching town late Thursday night, had succeeded in getting on the outside of too much liquor, and was arrested. Special officers made the arrest. When searched the sum of \$320 was found on him, in a few pockets. That was too much money for a man who showed every sign of being able to take care of himself in the city to carry around, so at the station he was relieved of it. After a nap, during which he had sobered up, he was allowed to go to his hotel. The sum of \$20 was handed him, although the other and larger sum was to his credit on the books at the station. Last night, however, the report of lost money, the books were consulted and he was told to come to the station. That sounded good to him, and today he has the \$300 found on him. It was a case of where the police had mixed to the mutual advantage of both prisoner and police department, for had the man, who is in the turpentine business, been allowed to remain on the streets in his alleged intoxicated condition, he would in all probability have been "touched" for his roll sure enough. Last night

## TO-Day is Candy Day at the Crystal Pharmacy.

FOG WAS HEAVY IN THE HARBOR DURING EARLY PART OF NIGHT MIST WAS IMPENETRABLE FOR SHORT DISTANCE AND BOATS NAVIGATED WITH DIFFICULTY.

Boats in the harbor navigated with great difficulty last night on account of the heavy mist which hung over the bay, showing up from the southwest early in the night and hanging steadily throughout the night. Fog whistles and bells rang out continuously and as a result, although much navigation was done, there were no accidents. There is plenty of room in Pensacola Bay without crowding for many hundreds of ships, but all precautions to offset a possible collision were taken by ship masters.

It was stated that this was the first of the fall fogs, and some of the weather sharps said that a rain would be looked for with reasonable certainty during the next one or two days. They tried to make good their forecast all the more by pointing to the moon, which between 10 and 12 o'clock was encircled by a ring in the clouds which swept over its surface.

## KIDNEY DISEASE IS AN AWFUL AFFLICTION

Yet if you will but heed nature's warnings at once you may prevent all the pain or you can stop the trouble—if you know how.

The uric acid poison that too often permeates the human system and results fatally to so many should be regularly passed off daily by the kidneys—if they are well. But if the kidneys are not well, of course, they cannot perform perfectly the work assigned to them by nature and the result is very quickly shown in weak back, pains in the back, swelling of the ankles and feet, puffiness under the eyes, etc. These are the simple symptoms of kidney trouble, but they are the forerunners of diseased kidneys, and you know kidney disease is an awful thing.

Don't allow the kidneys to get out of order. You wouldn't care to take any chance with having Bright's Disease, Diabetes, Gall-stones, and the like, yet that is what you may have and likely will have by neglecting to help the kidneys when the kidneys are weak. The best way we know of to assist nature in restoring the kidneys to normal condition is by the use of DeWitt's Kidney and Bladder Pills.
