Refrigerator Wisdom

It is refrigerator wisdom to buy a refrigerator that consumes but little ice, and at the same time keeps the food pure and sweet.

The "Odorless" Refrigerator

Imparts no odor to the foods kept in it, even with a variety of dishes, as it is so constructed that the food odors do not intermingle. It is germ proof. $14 to $35.00.

HARBOR, RIVER AND MARINE NEWS

Shipping Transactions and Notes of Interest Along the Bay Front.

The steamer Mary, Capt. Yarbrough, reached port yesterday from her first trip to Geneva, bringing in a fair cargo of naval stores. The line is a new one having been opened up by the owners of the Mary, and it is expected that the trade will go to big proportions. The vessel is loading a return cargo at Central wharf.

* * *

The steamers Belle and Vernon of the Parish Bros. Vernon line, reached port early yesterday morning with rosin and turpentine from Vernon and way landings, and took on heavy cargoes of freight for the return trip. Both vessels will get away early this morning on the outward trip.

* * *

The launch Grand Rapids entered yesterday from Holly with a good list of passengers, and the Edna departed for Perdido with a fair cargo of freight.

* * *

The revenue cutter Winona entered port late yesterday afternoon, and dropped anchor off Baylen street wharf. The vessel is on a regular cruise to points in her district.

* * *

The fishing schooner Minnie W., with 11,000 pounds of snappers and the Kwasind with 12,000 pounds, entered yesterday for E. E. Saunders & Co.

* * *

The American steamer Teresa, bound for Pensacola, passed Gibraltar July 13, and the steamer Exmoor hence for Liverpool passed Luskar Rock July 15.

* * *

The British steamer Glenwood hence has arrived at Rasfique, and the British steamer Thurland Castle hence for Genoa passed St. Michael's July 14.

Bad Burn Quickly Healed.

"I am so delighted with what Chamberlain's Salve nas done for me that I feel bound to write and tell you so," says Mrs. Robert Mytton, 457 John St., Hamilton, Ontario. "My litle daughter had a bad burn on her knee. I applied Chamberlain's Salve and it healed beautifully." This salve allays the pain of a burn almost instantly. It is for sale by all druggists.

ROOSEVELT SENDS GIFT TO GERMANY.

By Associated Press.

Berlin, July 17.—President Roosevelt has sent as a gift to the University of Berlin, a set of his works in nine volumes, beautifully bound and bearing his autograph. They have been added to the Roosevelt library, which was founded by Prof. John William Burgess. The gift is referred to today by the press as an indication of the good will of the American president toward Germany.

M'GINNIS TO LEAVE CITY

Sentenced By Judge Beggs to Leave or Serve a Year on Roads.

Joe McGinnis, white, whose career since he landed in Pensacola has been somewhat checkered, has been given the alternative of serving one year at hard labor on the county roads or leaving Escambia county and remaining away forever.

This was put up to him yesterday in the Criminal Court, where he entered a plea of guilty to the charge of obtaining property by false pretenses. He was then sentenced to pay a fine of $100 and costs or serve one year at hard labor, or to leave Escambia county within three days. It is expected that before the time expires he will be missing from this section.

McGinnis has been in numerous troubles in Pensacola since he came here about two years ago, the most serious of which was being connected with the jail delivery when J. P. Hollister, McGinnis and another man dug through the brick wall at the county jail.

Other Cases.

Leslie Nicholls, a small negro boy, convicted of petit larceny, was sentenced to the reform school to remain until he is of age, or to the county jail for six months.

E. R. Baggett, white, charged with carrying concealed weapons was found guilty, but has not been sentenced.

Wise Counsel From the South.

"I want to give some valuable advice to those who suffer with lame back and kidney trouble," says J. R. Blankenship, of Beck, Tenn. "I have proved to an absolute certainty that Electric Bitters will positively cure this distressing condition. The first bottle gave me great relief, I was contaking a few more bottles, I was completely cured; so completely that it becomes a pleasure to recommend this great remedy." Sold under guarantee at all drug stores. Price 50c.

PENSACOLA COMMISSION CO'S DAILY MARKET REVIEW

Cotton.

Cotton opened yesterday unchanged for fall months, August being 4 points up. Under pressure of long realizing during the first hour, prices sold off on all options 7 to 9 points, but about noon the market gathered considerable support and sold at an advance of 24 to 25 points from the low, closing strong from 14 to 19 points higher than opening prices. Spots advanced ¼. Weather conditions continue favorable.

Stocks.

Stocks opened up a fraction yesterday, and ruled generally firm during the day, advancing slightly during the earlier hours. Toward noon prices sold off under pressure of profit taking and during the closing hour continued to decline, closing weak at a net loss for the day of ⅞ to 1½ points from opening figures.

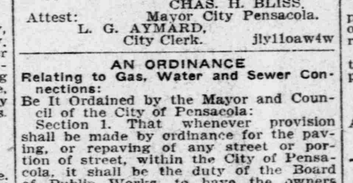
SERIES No. 2, ORDINANCE No. 1. To Be Entitled "An Ordinance Providing for the Grading, Paving and Curbing on Certain Streets in the City of Pensacola."

BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE CITY OF PENSACOLA:

Sec. 1. That the Mayor and City Council of Pensacola, after a recommendation by the Board of Bond Trustees, hereby determine that in the event of the receipt of satisfactory bids, after advertisement as hereinafter provided, the following portions of the following streets of said City, shall be graded, paved and curbed; that such paving shall be of brick (and) or asphalt, (and) or bithulithic, (and) or creosoted wood blocks, (and) or macadam, and the said curbing shall be of concrete, and that payment for such improvements as may be contracted for, as hereinafter provided for, shall be made in part from the sale of bonds of the City of Pensacola, authorized by law, in part from money realized from the assessment of lots or parcels of land benefited thereby, and, in the case of paving, in part from money which may be realized from railroad companies having tracks on the streets to be improved, all in accordance with the Act of the Legislature of the State of Florida, approved May 7th, 1907, entitled "An Act Relating to the Improvement by the City of Pensacola of its streets, Alleys and Public Ways." The City shall pay from the proceeds of sales of bonds the amounts which would be apportioned to any land belonging to the United States and the amounts which would be payable by any Public Square, or any other parcel of land owned by the City or any portion of street not included in any assessment district, and any other sums required to be paid and not otherwise provided for. The portions of streets to be improved are those named in an ordinance approved March 30th, 1907, entitled, "An ordinance to provide for preparing Plans and Specifications for the grading, paving, curbing and otherwise improving certain streets, and portions of streets in the City of Pensacola," except that Tarragona street shall be improved from the north side of Gregory Street to the South side of Belmont Street and except that Alcaniz Street shall be improved from the South side of Government Street to the North side of Gadsden street. The paving of said Alcaniz Street from Garden Street to Wright Street shall be twelve and one-half (12½) feet wide on each side of the center line of said Street.

Sec. 2. That the Board of Bond Trustees shall advertise in such newspapers and for such lengths of time and in such form as they may think best, for bids for the improvements mentioned in Section 1, such advertisements may require bidders to state unit prices for each kind of work bid on, and, in such case, shall stipulate for the right in the Board of Bond Trustees to require the bidder to do, at the unit prices, all of the work bid for or any part thereof. Bidders for paving may bid for pavements of brick and or asphalt and or bithulithic and or creosoted wood blocks and or macadam.

Sec. 3. That each street or portion of street herein designated as a street to be improved is hereby divided into assessment districts, to consist of the area embraced between any two blocks opposite to each other abutting on a street to be improved and the area in the triangle, at each end of and adjoining each such area, formed by a line joining the opposite corners of such opposite blocks and the two intersecting diagonal lines drawn from the corners of such oposite blocks to the corners diagonally opposite of the nearest blocks on the same street. The form of such assesment districts will be in all cases substantially like the diagram following:



Sec. 4. That the assessments payable by any lot or parcel of ground or railroad, under the provisions of the Act of the Legislature aforesaid and of this ordinance shall be paid as follows: One-sixth in cash within thirty days after the apportionment is made and the balance either in cash within thirty days after the apportionment is made or in equal installments, one, two, three, four and five years after the date of the assessment certificate provided by law, with interest from said date until paid, at the rate of eight per cent. per annum, payable annually. If the owner of any lot or parcel of land or railroad upon which an assessment is payable shall not apply to the Board of Bond Trustees within thirty days after the completion of the work in the assessment district and the apportionment thereof in accordance with law, for the privilege of payment by installments, the right to such method of payment shall be lost and the whole sum due shall be payable at once. Each assessment certificate shall state the time or times of payment of the amounts certified thereby to be due.

Sec. 5. That the Board of Bond Trustees, upon the receipt of bids, in pursuance of the advertisements aforesaid, shall report the said bids to the City Council with their recommendation and prepare and submit a form of contract for approval by the City Council to be executed in case the City Council shall approve and accept any of the said bids.

Sec. 6. That all ordinances or parts of ordinances in conflict herewith be and the same are hereby repealed.

Sec. 7. That this ordinance shall take effect immediately upon its passage and approval.

Passed June 26, 1907.
Approved the 28th day of June, 1907.
CHAS. H. BLISS,
Mayor City Pensacola.
Attest: L. G. AYMARD, City Clerk. jly11oaw4w

AN ORDINANCE

Relating to Gas, Water and Sewer Connections:

Be It Ordained by the Mayor and Council of the City of Pensacola:

Section 1. That whenever provision shall be made by ordinance for the paving, or repaving of any street or portion of street, within the City of Pensacola, it shall be the duty of the Board of Public Works, to have the owners or agents of all property abutting upon the portion of any such street to be paved or repaved, notified to make all connections with the water, gas or sanitary sewer mains, in the front or on the side of their respective properties, and to make all necessary repairs to such connections, where said connections may have been made prior to the passage of the ordinance authorizing such paving or repaving.

Section 2. That it shall be the duty of every owner or agent of any property abutting upon the portion of any street to be paved or repaired as aforesaid to have within sixty days after the date of notice from the Board of Public Works, all connections with the sanitary sewers, water or gas pipes laid under the portion of the streets from such sewers, water or gas mains to a point inside of the established curb line of the street. When the property is improved, a separate connection shall be made to accommodate each main building and where unimproved, a separate connection shall be made to accommodate each thirty feet front of such property, except in corner lots where said frontage may abut on the portion of the street or streets to be paved and improved, in which case one connection for each of the services above specified shall be made to accommodate a depth of not over one hundred and twenty-five feet. All such connections to be made of a permanent character, in conformance with the ordinances of the City and the rules and regulations of the Board of Public Works and under the supervision of said Board.

Section 3. That whenever sanitary sewers shall be laid and accepted by the authorized agents of the City of Pensacola on any street or portion of street in the City of Pensacola, it shall be the duty of the Board of Public Works to have the owners or agents of all improved property abutting upon the street or portion of street notified to make connection with the sewer mains in front or on the side of their respective properties.

Section 4. That it shall be the duty of every such owner or agent of any improved property abutting upon any street or portion of street upon which sewer mains have been laid to have, within sixty days after the date of notice from the Board of Public Works, as aforesaid each building in which household liquid waste, human sewerage or manufacturing or industrial liquid waste may be generated, separately connected with the said sewer. All such connections to be made of a permanent character, in conformance with the ordinances of the City and rules and regulations of the Board of Public Works and under the supervision of said Board.

Section 5. That it shall be the duty of the Board of Public Works to notify all persons, firms or corporations, or their agents, owning or operating any gas or water mains, or private sewer systems, electric light power, telephone or telegraph poles, on the streets or portions of street for which ordinances have been passed providing for the paving or repaving thereof to overlook, examine and test all such property owned and maintained by them on, under or across any of said streets, and it shall thereupon be the duty of such persons, firms or corporations, or their agents, to forthwith proceed to overlook, examine and test all of such property owned and maintained by them on, under or across the streets or portions of streets to be paved or repaved, and to make all repairs, renewals or extentions thereto necessary to properly operate and maintain such property without subsequent disturbance for a period of five years after the completion of the paving or repaving, and all such persons, firms, or corporations or their agents, owning such water or gas mains, and sewerage systems, electric light, power, telephone or telegraph poles shall, within sixty days after the date of notice from the Board of Public Works, lay and build all such connections and make all such renewals and extensions on, across and under the portion of the streets or parts of streets to be paved or repaved which may be necessary to properly supply their patrons and carry on their business for a period of five years after the completion of the paving or repaving as aforesaid.

Section 6. That should the owner or agent of any property abutting upon that portion of any street about to be paved or repaved or on which sanitary sewer mains have been laid, as aforesaid, refuse or neglect, within sixty days after the date of notice from the Board of Public Works, as aforesaid, to lay or have laid a connection with the sewer to a point inside the curb line of the street to be paved or repaved, so that such property may be thus connected with the public sewer at such points as designated in Section 2 of this ordinance, or fail to connect the public sewer with the sewer on his property, the Board of Public Works may proceed to have laid such connections with the public sewer and assess the cost of same against the owner of the abutting property for which such connections is thus made. Such assessments shall become a lien upon the abutting property from the date of the warrant and shall be due and payable within thirty (30) days after the date of such lien. If not paid within such time the lien shall become immediately foreclosable in the manner provided by law, and interest at the rate of eight (8) per cent. per annum shall be added to such lien from the date of such assessment until its final payment together with all costs of collection.

Section 7. That after any pavement shall have been laid under the provisions of any ordinance now in force, or that may hereafter be passed, it shall be unlawful for any person, firm or corporation or their agents, to dig into or disturb any such pavement or parts of same for any purpose whatever without a written permit from the Board of Public Works. Any person desiring to dig up or disturb any pavement shall make written application to the Board of Public Works for permission to dig up and disturb such pavement, and shall pay to the City in cash at the time such application is made such sum of money as said Board may deem sufficient to pay all cost incurred in restoring such portion of pavement disturbed to its original condition, and immediately after the repairs, causing such digging up or disturbing having been made, the Board of Public Works shall be notified, whereupon such Board shall cause the excavation in or under the street or streets, to be filled up under its own direction by men in its employ, and as soon thereafter as it may seem practicable to said Board, it shall cause that portion of the pavement thus disturbed to be placed in its original condition as near as practicable. Should the cost of such work be less than the amount paid the City as above the excess shall be returned to the owner, and if it should be more the owner shall pay the difference to the City.

Section 8. That any person, firm or corporation digging up or disturbing any such pavement, or causing the same to be dug up or disturbed contrary to the provisions of this ordinance, or failing to make the sewer connections as required by this ordinance, or failing or refusing to overlook, examine, test and make good any property owned and maintained by it or them under the portion of the street or streets to be paved and improved, shall upon conviction, be punished by a fine of not less than Twenty ($20.00) Dollars nor exceeding One Hundred ($100.00) Dollars, or by imprisonment for not exceeding sixty days.

Section 9. That the notice hereinbefore referred to of the Board of Public Works to the owners of property abutting upon any street or portion of street shall, for the purposes of this ordinance, consist of a printed or written notice left with the occupants of such premises, if any there may be, and by general notice published daily for two weeks in one or more daily newspapers printed within the City of Pensacola which notice shall set forth the streets or portions of streets to be paved or repaved, and the streets or portions of streets upon which connections must be made with sanitary sewers, and the end of the period in which all connections, repairs, extensions, examinations and testing of water or gas pipes or sewers, electric light, power, telephone or telegraph poles must be made.

Section 10. That all ordinances or parts of ordinances in conflict with this ordinance be and the same are hereby repealed.

Section 11. That this ordinance shall take effect upon its passage and approval.

Passed June 3, 1907.
Approved June 10, 1907.
CHAS. H. BLISS,
Mayor.
Attest: L. G. AYMARD, Clerk. 27jun-oaw-4w

EECUTORS' NOTICE.

Notice is hereby given to creditors legatees, distributees and all persons having claims or demands against the estate of Henry King, deceased, to present the same to the undersigned within two (2) years from the first publication of this notice. This the 27th day of June, 1907.

H. G. WILLIAMS,
LAURA KING,
27jun-oaw-8w Executors.

In Escambia County Circuit Court, State of Florida. In Chancery—Charles U. Porter vs Nannie W. Porter—Divorce. On Monday, the fifth day of August, A. D. 1907, the defendant, Nannie W. Porter, is required to appear to the bill filed against her herein. This order to be published once each week for four (4) consecutive weeks in The Pensacola Journal, a newspaper published in said Escambia County. A. M. McMillan, Clerk Circuit Court. By C. G. Hartsfield, D. C. Pensacola, Fla., July 2nd, 1907. 4jlyoaw4w

MASTER'S SALE.

By virtue of a decree of foreclosure and sale rendered by the Hon. J. Emmet Wolfe, Judge of the Circuit Court of Escambia County, Florida, on the 28th day of June, A. D. 1907, in the case of Mrs. Nellie P. Reese and J. H. Reese against Mrs. Josephine Kirksey and J. W. Kirksey, Cecelia Rand, and others, I will on Monday, the 5th day of August, A. D. 1907, sell at public outcry in front of the County Court House door, in the City of Pensacola, Escambia County, Florida, during the legal hours of sale, the following described real estate situated, lying and being in the City of Pensacola, Escambia County, Florida, to-wit: Lot six (6) in block thirteen (13) of the Water Front, said property having a front of twenty-five (25) feet on Palafox street by one hundred and forty (140) feet in depth. Together with the tenements, hereditaments and appurtenances thereunto belonging or appertaining. Deeds at cost of purchaser.

KIRKE MONROE,
Special Master.
