Pensacola Classical School Preparatory School for Boys and Girls.

The eighth annual session will begin Sept. 16, 1907. It offers a course of instruction covering eight years, from the first intermediate, through college preparatory years. Its courses of instruction furnish a full and thorough preparation for the best colleges, universities and technical schools. Its instructors are men trained in the best universities in our country for the work of their departments. An excellently equipped gymnasium under a trained instructor insures a healthy physical development along with the mental. Its classes are small, that a maximum amount of attention may be paid to the individual. For further information address
