Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Enstachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

TO OBSERVE THE HOLIDAYS

Many Jewish Holidays to Be Observed in Pensacola This Month.

This month will mark the observance in Pensacola of a number of Jewish holidays, including the celebration of New Year. The Hebrew New Year 5668 will begin on the evening of Sunday next, September 8. The present Hebrew year is known as an imperfect leap year and consists of 383 days.

The beginning of the new year will be observed in this city with services on Sunday evening and Monday morning at the Jewish synagogue. Extensive preparations are being made for these services and an interesting program is to be carried out. The Jewish stores of the city are to be closed on Monday and Jews in all walks of life will observe this most solemn of all church days to that race.

The holiday of Yom Kippur of Day of Atonement begins on Saturday evening, September 14, and is observed as a day of prayer and fasting which lasts until the evening of the following day.

The Feast of Tabernacles, on Sept. 23 and 24, the Solemn Assembly on Sept. 30, and the Rejoicing of The Law, on Oct. 1, will complete the list of important Hebrew holidays which will be observed during the month of September. The holiday known as Rejoicing of the Law, which in point of fact is in October, will be considered as observed in September, owing to the custom of the Hebrews to begin the observance of all holidays one day prior to the date on which they actually fall.

Worked Like a Charm.

Mr. D. N. Walker, editor of that spicy journal, the Enterprise, Louisa, Va., says: "I ran a nail in my foot last week and at once applied Bucklen's Arnica Salve. No inflammation followed; the salve simply healed the wound." Heals sores, burns and skin diseases. Guaranteed at all druggists. 25c.

LIQUORS AT COST.

Notwithstanding the fact that W. S. Norman has disposed of a great deal of his immense stock of choice wines and liquors, there is still a great deal of it left, and it is fast being converted into cash. Nearly every family is availing itself of an opportunity to purchase a supply for medicinal use. Picnic parties will reduce the cost of their liquor supply by calling at one of Norman's saloons for their supply.

Mr. J. S. Roberts, tax collector, will be in his office, commencing Aug. 23, for twenty days, for the purpose of receiving poll taxes for the coming election. J. S. ROBERTS,

Dr. Miles' Anti-Pain Pills, taken as directed will stop the pain. To avoid suffering take one as soon as you feel an attack coming on. Your druggist can tell you of many who would not be without them.

"I have been troubled with severe headaches for many years. I began to use Dr. Miles' Anti-Pain Pills. It is the only remedy that has given me or my family any relief. I do not now have such spells, because when I feel one coming on I immediately take one of the tablets, never more than one is required, they are so effective, and I appreciate them so thoroughly I always have them with me. My wife and family always use them, cannot do without them."

AS FAR DOWN AS VICKSBURG

President Will Journey On the Mississippi Into Dixie Land.

Special to The Journal.

Oyster Bay, Sept. 4.—President Roosevelt has advanced the date of his departure from Oyster Bay from September 25 to 29. The original plan was for the president to proceed directly to Canton, Ohio, to participate in the ceremonies attending the unveiling of the national monument to the late President McKinley. The change of plans is made to enable the president to attend to some pressing executive business at the capitol and to give Secretary Loeb a chance to set his staff of assistants at work.

The President will leave Washington and start on his Western trip on the afternoon of September 29. After leaving Canton, the president will go to Keokuk, Iowa, and take a steamboat down the Mississippi. Stops will be made at St. Louis, Cairo, Memphis, Vicksburg and Nashville.

The trip as originally announced was to end at Memphis, but it has since been decided to include Vicksburk and Nashville. The president will speak in the cities mentioned, and he is giving up the greater part of his evenings during the remainder of his stay here to the task of preparing the seven or eight addresses which he is to make.

The president will probably reach Washington on the return trip either on the 7th or 8th of October.

How to Remain Young.

To continue young in health and strength, do as Mrs. N. F. Rowan, McDonough, Ga., did. I am now practically 20 years younger than before I took Electric Bitters. I can now do all my work with ease and I assist in my husband's store." Guaranteed at all druggists. Price 50c.

The Journal's Daily Fashion Feature

HAT FOR LATE SUMMMER WEAR.

A charming hat model, suitable for early fall, is here sketched, the model being in black horsehair braid, the curves of the brim being kept in place by a wired facing of black maline. Large roses in rather dark shades of red and purplish wine-color and bunches of little berries, with rose and fruit foliage, were used as trimming. About the crown was a twist of black satin ribbon, which fell into loops and ends at the back of the hat.

Try them for lunch and you will have them for dinner.
