MEETING OF SAFETY BOARD

Discharged Police Officers Petition to Be Re-Instated.

The regular semi-monthly meeting of the Board of Public Safety was held last night, convening at 6:30 o'clock, with Chairman Oliver presiding, and Messrs. Anson, Dailey, Radcliffe and Schad present.

The committee on the purchase of a fire engine reported that it had addressed communications to fire chiefs in various cities, asking for information regarding the make of engine which gives the best service. Replies had been received from some.

The officers who were discharged some weeks ago for refusing duty, sent to the board a petition requesting that they be reinstated. Inasmuch as the board could take no action unless the council nullifies the rules relating to dismissal, the petition was laid on the table, and the clerk instructed to address a letter to each of the discharged officers citing them to section 8 of the police rules and regulations.

WILL APPEAL LIQUOR CASE

Saloon Interests to Test the Validity of Early Closing Law.

The early closing ordinance of the city is to be given a test in the supreme court of Florida, notwithstanding the fact that Judge Wolfe has decided that the city has a right to pass such ordinances as the one which compels saloons to close at 9 o'clock each night.

Yesterday bond was given in the case of Barney Thomas, colored, convicted in the recorder's court, and sentenced to pay a fine of $50 and costs. The decision of the lower court was appealed, and Judge Wolfe then passed upon it, upholding the validity of the act. The saloon interests have now decided to take the case to the higher court.

WM. JOHNSON & SON,
The Big Store.

Seven Good Reasons Why the Voters of Eascambia County Should Vote for J. Walter Kehoe for Congress in the Primary of May 19th.

1. BECAUSE:
   He is the only home man in the race for Congress
2. BECAUSE:
   This section of the State has not had a Congressman in fourteen years.
3. BECAUSE:
   There are twenty-one Federal, State and State Judicial officers in this State and east, middle and south Florida are now furnishing twenty of these officers and west Florida only one.
4. BECAUSE:
   Of the $80,000 a year paid in salaries to our Federal, State and State Judicial officers, east, south and middle Florida are drawing $77,500 per year and West Florida only $3,000.
5. BECAUSE:
   KEHOE is capable, honest, fearless and energetic and a home man.
6. BECAUSE:
   Other things being equal, it is a good idea to stand by your own section.
7. BECAUSE:
   KEHOE will appreciate your vote and support and will work faithfully and earnestly for the interest of the people of this section.
