TAMPA'S FAIR OPENS FEB. 5

Gov. Broward Will at Noon Institute the Annual Exposition.

Special to The Journal.

Tampa, Jan. 20.—The varied agricultural, horticultural, live stock, educational, mineral and industrial products of twenty-three of Florida's most magnificent counties, together with products of every kind sent in by scores of individual producers, representing every section of the state, is what Floridians and thousands of home-seeking visitors from other states will see on exhibition in the nine big buildings of the Florida State Fair, which will be held at Tampa from February 5 to 22. Even at this late date, it is expected that several other counties, owing to the magnificent premiums offered and the immense attendance that will be in evidence, will fall into line; but without additions there will be represented at the fair a larger number of counties than have ever been represented at any formr state fair in the country. The array of products will be superior to that seen at the Jamestown exposition, according to the leading railway officials of Florida, and others who attended that exposition.

In addition to the great array of products, the amusement attractions will also be superior to any hitherto presented at any state fair, large or small, the directors of the fair having determined to spare no expense in making the coming fair a crowning success in every feature. Fully 800 of the fastest running horses in the country, twice the number that was expected, will have arrived in the city before the end of the month in order to compete for purses amounting to $25,000, offered for races during the great sixteen-day meeting, half that number having already arrived at the track, which is the fastest half-mile track in the country. Whereas the original estimate of cost of putting on the great circus and hippodrome was $50,000, the sum of $5,000 has been added to secure several additional European and Oriental acts.

Every show to be seen on the amusement street will be absolutely new and novel, not one having been seen in the south before being engaged. A most notable sporting feature arranged only this week will be the greatest wrestling tournament of the world's history, lasting eight days and arranged by Frank M. Banres, the noted theatrical magnate of Chicago. Purses amounting to $20,000 will be awarded to the victors in this clean and magnificent sport, in which the champions of all classes of America, Germany, France, Scotland, Japan, Russia, Italy, Greece and other foreign countries will compete. The championship of each class, including the great Japanese style of wrestling, known as jiu-jitsu, will be decided in Tampa on those days.

The fair will be officially opened at the noon hour of Wednesday, February 5th, by Governor N. B. Broward, and from that day on merriment will reign supreme. A large number of the most famous statesmen and diplomats of America, Germany, Italy, Spain and other foreign countries will visit the city while the fair is in progress, and each ambassador will be accompanied to the local port by a warship from his own country. Special days and special events of indescribable magnificence will mark the entire period, for mark the entire period, for which Tampa's hotels, boarding houses and private citizens have prepared to care for a larger number of visitors than ever attended a fair or exposition in the south.

JOHN S. BEARD RETURNS HOME

Had Been Helping the Dry People in Marion County Campaign.

Hon. John S. Beard has returned home from Ocala, where he spent last week assisting the temperance people in their wet and dry campaign, which closes with an election today.

Mr. Beard made several speeches in Marion county and at one meeting held a joint debate with Hon. Robert McNamee, of Tampa, whom the liquor people had to speak for them. From the newspaper accounts, Mr. Beard's work was very effective and his debate with Mr. McNamee resulted in a victory for the anti-saloon speaker.

On his way home Mr. Beard stopped at Live Oak where he spoke at the "candidates' convention" which was addressed by several other candidates and attended by a large number of people.

Mr. Beard says that he is everywhere meeting with a great deal of encouragement in his candidacy for the senate.

Chamberlain's Cough Remedy a Safe Medicine for Children.

In buying a cough medicine for children, never be afraid to buy Chamberlain's Cough Remedy. There is no danger from it, and relief is always sure to follow. It is intended especially for coughs, colds, croup and whooping cough, and there is no better medicine in the world for these diseases. It is not only a certain cure for croup, but, when given as soon as the croupy cough appears, will prevent the attack. Whooping cough is not dangerous when this remedy is given as directed. It contains no opium or other harmful drugs, and may be given as confidently to a baby as to an adult. For sale by all druggists.

THEY DUCKED THE OFFICER

Five Vagrants Caught Passing Freight for a More Congenial Town.

Five white men were arrested Saturday charged with vagrancy and found guilty in the recorder's court yesterday morning. They were sentenced to 25 and 30 days each at hard labor.

After court adjourned they were placed in charge of Officer O'Brien to be taken out on the road and put to work. The route the officer selected was east on Garden street. Just about the time he reached the Louisville & Nashville crossing with his prisoners, a freight train came rushing through northbound.

Like one man the five made a break for the passing and cars and while Officer O'Brien stood looking vaguely after his erstwhile prisoners they turned and waved him and Pensacola a fond farewell. It is said that one of them even put the thumb of his right hand to his nose and twiddled his fingers at O'Brien. This is not confirmed, however.

THE MASONS OF FLORIDA

Grand Lodge Will Assemble in Annual Conclave Today.

ONE OF THE PRINCIPAL ACTS OF THE BODY WILL BE THE LAYING OF THE CORNERSTONE OF THE NEW TEMPLE IN CITY OF JACKSONVILLE.

Special to The Journal.

Jacksonville, Jan. 20.—This week will be an eventful one in Florida Masonic circles for the grand lodge of Florida will meet here at 11 o'clock Tuesday morning, and the cornerstone of the new Masonic temple is to be laid by the grand lodge on Wednesday.

The meeting of the grand lodge will be held this year in the Stuart-Bernstein building, No. 14 West Bay street, owing to the building formerly used as a Masonic temple having been sold and now used for commercial purposes.

The officers of the Florida Grand Lodge of Masons are as follows:

Grand Master—Elmer E. Haskell, Palatka.

Deputy Grand Master—Louis C. Massey, Orlando.

Senior Grand Warden—Albert W. Gilchrist, Punta Gorda.

Junior Grand Warden—George B. Glover, Monticello.

Grand Treasurer—Henry Robinson, Jacksonville.

Grand Secretary—Wilbur P. Webster, Jacksonville.

Grand Chaplain—W. B. Y. Wilkie, Dunedin.

Grand Orator—H. S. Yerger, D. D., Clearwater.

Grand Marshal—Cephas L. Wilson, Marianna.

Senior Grand Deacon—James E. Crane, Tampa.

Junior Grand Deacon—J. M. Samuel, Manatee.

Grand Standard Bearer—Charles H. Stewart, Melbourne.

Grand Sword Bearer—Edmund N. Holt, Green Cove Springs.

Senior Grand Steward—N. I. Gottlieb, Ocala.

Junior Grand Steward—H. H. Spear, Chattahoochee.

Grand Pursuivant—C. A. Finley, Lake City.

Grand Tyler—John W. Capper, Jacksonville.

The meeting of the Florida grand lodge is always quite an event, and is largely attended, but the prospects are that the meeting this year will be the largest attended in the history of the organization.

To Lay the Cornerstone.

The greatest interest centers in the laying of the cornerstone of the new Masonic temple, which is now in course of construction in this city, and which is to cost $125,000 when completed, and which will be a magnificent structure that the members of the Masonic fraternity of Florida may well be proud of.

The ceremonies incident to the laying of the cornerstone are in charge of the building committee and that committee has arranged a most attractive program to be carried out on Wednesday.

Most worshipful, Elmer E. Haskell, grand master of the Florida grand lodge, will conduct the ceremonies and will be assisted by the various officials of the grand lodge.

Escort of Knights Templar.

The grand lodge will march in full regalia from the temporary headquarters to the site of the new building on the southeast corner of Main and Monroe streets, and will be escorted by the Grand Commandery, Knights Templar of Florida.

A special request is made that all Sir Knights coming from different parts of the state bring with them their full uniforms and join in the escort.

The cornerstone laying will be the greatest event in Masonic circles that has taken place in Florida since the laying of the cornerstone of the old Masonic temple, on the corner of Bridge and Forsyth streets, in January, 1893, just fifteen years ago.

Following the meeting of the grand lodge the Mystic Shriners will hold one of their traditional banquets.

Hotel Rates Secured.

For the information of all members of the grand lodge, Secretary W. P. Webster has sent out notices that the following rates have been secured for members of the fraternity at the various hotels of the city:

Windsor, room and board, $3 per day and up without bath, or $4 and up with bath.

Aragon, room and board, $2.50 to $3.50 per day.

Duval, room and board, $2.50 and up.

Grand View, room and board, $2 per day and up.

New Victoria, room and board, $2 per day.

Travelers, room and board, $1 double, $1.50 single.

Windle, room and board, $2 per day; room only, 75 cents double, or $1 single.

Riverview, room and board, $1.50 per day.

Everett, room only, $1; with bath, $1.50.

THE FUNERAL OF HENRY RAUSCHER

The funeral of Henry Rauscher, who died Thursday at his home in this city, occurred Sunday afternoon and was attended by a large number of friends and relatives of the deceased, who was known and liked throughout the city.

The services were conducted at the German Lutheran church by Rev. J. F. W. Rhinehart, and from the church the cortege moved to St. John's cemetery, where the body was placed at rest.

HUMAN STOMACH HAS BECOME DEGENERATE

Animals Are Healthier Because of Strong Digestive Apparatus.

An interesting interview was recently obtained with L. T. Cooper, the young man whose theory and medicines have created such a sensation during the past year.

Mr. Cooper, in speaking of the remarkable success of his medicine, had this to say on the subject: "My medicine regulates the stomach. That is why it is successful. The human stomach today has become degenerate, and is the cause for most ill health. In the horse, the dog, and the wild animals generally, you see no nerve exhaustion, no chronic debility. They are not shut up day after day with practically no exercise, and they are not able to stuff themselves with food when their bodies have not had enough work to justify it. The human race has been doing this for years, and look at the result—half the people are complaining of poor health, not real illness—just a half-sick, tired, droopy feeling. They don't really know what is the matter with them.

"I know that all the trouble is caused by weak, overworked stomachs. I have proved this with my medicine to many thousands of people in most of the leading cities of this country. I expect to do the same thing in Europe next year. This is the real reason for the demand for my preparation."

Among those who have recently been converted to Cooper's theory is Mr. Monroe Brown, of 8 Hancock street, Winchester, Mass. Mr. Brown has this to say of his experience with the new medicine: "For over seven years I suffered with catarrh of the stomach, and for the past year I was lame with rheumatism. I attributed this to my stomach trouble, as my circulation was very poor. What food I ate would turn to gas almost at once. I would have a sensation of bloating, and would have to belch frequently to relieve this. My heart also became affected, and I would suddenly become dizzy and have palpitations. I was tired and dull and despondent at all times. I lost a great deal of flesh, and was nervous and depressed. This went on for over seven years, although I spent hundreds of dollars trying to get relief.

"When Cooper was in Boston I heard a good deal about his ideas on stomach trouble. Next, one or two friends told me that his medicines had greatly helped them. I purchased some of the New Discovery medicine. Today I am perfectly well; I sleep like a boy, can eat anything and have no rheumatism or heart trouble. I no longer have any gas on my stomach, and feel as I did years ago. No one could be more astonished by these facts than myself. They are remarkable, but true. This is indeed a wonderful medicine."

The Cooper preparations have been more widely sold and discussed since being introduced than anything of the kind ever before sold by druggists. We sell them and explain their nature.—The Crystal Pharmacy.

PRAISE FOR JUDGE WM. B. SHEPPARD

Jurors and Lawyers of Albany, Ga., Adopt Resolutions.

IN THESE JUDGE SHEPPARD OF PENSACOLA IS PRAISED HIGHLY FOR THE ABLE MANNER IN WHICH HE PRESIDED OVER THE UNITED STATES COURT THERE.

Resolutions highly praising Judge W. B. Sheppard, of this city, were adopted by the jurors and lawyers of Albany, Ga., where Judge Sheppard recently presided over the United States court in the absence of Judge Emory Speer. The resolutions are as follows:

By the Jurors.

"Whereas, The Honorable Emory Speer, presiding judge of the district court of the United States for the southern district of Georgia, invited the Honorable William B. Sheppard, of Florida, to hold the court for the Albany division at Albany, Ga., on account of his inability to hold the court himself, and the Honorable William B. Sheppard is now presiding in his stead; be it

"Resolved, by the grand jurors now in session, that we desire to extend to the Honorable William B. Sheppard our most sincere thanks for his able and explicit charge, and for the uniform courtesies extended us, and through this method, we ask that he accept our assurance of the deepest appreciation upon the part of every member of this grand jury."

By the Attorneys.

"Whereas, the Honorable Emory Speer, presiding judge of the Albany division of the southern district of Georgia, has been unable to be present at the present term of court on account of other business, and the Honorable W. B. Shepard, of Florida, has presided in his stead; be it

"Resolved, by the bar of the court and the jurors assembled, that we desire to extend to the honorable judge who has presided at this session of court our sincere thanks for the unfailing courtesy shown us, and in this manner we desire to show our appreciation for the calm and judicial way and for the dignified and orderly manner in which the public business has been transacted; be it further

"Resolved, that a copy of these resolutions be spread upon the minutes of the court and a copy of same furnished the presiding judge.

"Adopted in open court this Jan. 16, 1908."

Watched Fifteen Years.

"For fifteen years I have watched the working of Bucklen's Arnica Salve; and it has never failed to cure any sore, boil, ulcer or burn to which it was applied. It has saved us many a doctor bill," says A. F. Hardy, of East Wilton, Maine. 25c at all druggists.

PUBLIC SCHOOL TEACHERS, ATTENTION!

On Friday and Saturday, the 31st and 1st February, proximo, we are to have a teachers' institute at School No. 5, Roberts, Fla.

Teachers in attendance on both days will be allowed full time.

Dr. Andrew Sledd, president of the State University, at Gainesville, will be with us on this occasion, and teachers and patrons in attendance will be well repaid for the time spent in listening to counsel from a man so able and well prepared to give advice to school teachers.

Let us have a full attendance at this meeting.

N. B. COOK, County Superintendent.

There are so many different conditions entering into the subject of proper adaptation of artificial lighting to particular requirements, that it is quite impossible to secure the best results economically with any form of illuminant other than the electric light.

Remember that electric light is the standard of illumination, and that the system must be adapted to requirements. When that is done, complete and lasting satisfaction is invariably the result.
