**RIBBON EXTRACTS** COMING TO PENSACOLA. William Greever, one of the pro- WEST FLORIDA BUSINESS MEN prietors of the famous Blue Ribbon Flavoring Extracts, is in the city, having spent the past two months in the state placing these goods with the fancy grocers. This is a wise move on the part of this progressive firm, extending their business into Florida, and the housekeepers of Pensacola are to be congratulated on being able to obtain these high grade extracts, which have never failed to tickle the palate of the most exacting. Chipley, Feb. 27 .- Pensacola is the gate city to West Florida and the business men of West Florida should appreciate that fact and the business men of Pensacola stand ready to reciprocate the good will, but for some reason the men of this part of West Florida seem to be more closely allied to Mobile in a business way. This matter should be corrected. The grippe has reached its end

here and the fad has about worn off. Chipley has the finest telephone poles probably in the state. They are 50 feet high, dressed and painted THE CORDELLERA, WHICH PUT from top to bottom. STATE ON DESCRIPTION

Looking into the future, would regard twenty years hence a long way off. The same man at forty-one, fast approaching middle age, and, possibly, with a family to support, glancing backward, regards the intervening as short indeed. Could this same man have had the foresight to place a few dollars a month of his earnings in an EQUIT. ABLE ENDOWMENT POLICY, which he no doubt could easily do, he would have at his command a handsome sum for buying a home, raising the mortgage, or for business purposes. Ask about it.

A funny thing occurred on a Pullman car the other night. A gentleman had gone to bed in one of the lower berths and thinking the upper berth would not be occupied placed his valise there. As the train filled up a.l the berths were taken. It became necessary for the porter to remove his valise and place it on the floor at the side of his berth. In doing so he let the valise down with a jar that broke a bottle in it, the contents of which ran out. "Golly," he cried, "I have broken a bottle." "Broken a bottle!" came a roar from behind the curtains; "did you break a bottle in my valise?" "Guess I did, sir." -"Do you know, porter, you have put me to the bad?" "Bottle of Bourbon, sir?" "No sir, it was a bottle of Red Raven, the only pleasant tasting aperient water. I was to take it tomorrow before breakfast. You can't get any substitute for Red Raven. Nothing acts so gently on the liver or is so good for a man after he has spent a night on the cars. I would rather have had you wreck the train than have broken that bottle." "Do not get excited, sir," repliea the porter, "I know the goods. Indeed they are excellent. Don't worry; you can get
