NORTH END OF THE COUNTY NEWS

VERO.

There is to be a dance Saturday night and the usual good time is expected.

Charlie Elerbrock made a business trip to Melbourne Sunday returning Monday night.

Fishing has been pretty brisk at Vero this month, but has dropped off a little for the last few days.

Mr. C. A. Smith of Cocoa, was visiting friends here Sunday and Monday, leaving for points south Monday night.

Miss Vic'a King has returned home from Fort Pierce where she has been on a visit to her friend, Mrs. W. B. Davis.

The vegetable crops both on this side and across the river are very fine but a little late on account of the recent wet weather.

Capt. F. E. Russ has been looking for his brother down from Jacksonville but up to date he has not put in an appearance.

Our hustling merchant, F. C. Gifford, has just received one of Meilink's patented fire and water proof deposit vaults. It's not large but a dandy.

Capt. Gignac, the popular keeper of the house of refuge, with his wife and family and Mr. Grover Anderson made a pleasant trip to Fort Pierce Tuesday in Mr. Anderson's launch.

N. O. Penny is looking for a buyer for his place near the railroad, containing six acres, all cleared, properly ditched, drained, and under cultivation; 65 orange trees growing; land suitable for either oranges, grapefruit or vegetables; nice three-room dwelling, finely located on main road near postoffice, school and depot. Mr. Penny will sell this place cheap for cash or on easy payments to good reliable people, as he wishes to build on other property nearby. Just the place for a winter home or for a man to take hold of and make a living on from the start. For full particulars write N. O. Penny, Vero.

WABASSO.

Our public school is open.
Mrs. J. H. Jones from the east side was in town last Sunday.

Rev. A. M. Chisholm is holding special services Wednesday and Thursday evenings this week in the schoolhouse. All are urged to attend.

There will be a special preaching service in the schoolhouse Sunday morning at eleven o'clock and in the evening at half past seven. All are cordially invited to attend.

A party consisting of Mrs. E. A. Holt and daughter, Mrs. J. B. Vreeland and son and Miss Laura Smith and two nieces went to Sebastian last Sabbath and attended service in the Methodist church, after which they were escorted to the hotel and royally entertained by Mrs. D. L. Jones, the proprietress, assisted by Mrs. Albert Cain. All confessed to having had a most enjoyable Sunday afternoon.

Automobile Tournament.

There will be two great automobile tournaments in the South this year, the first on the ideal sandy beach at Ormond, the other at Havana, between which will be a motorboat tournament at Palm Beach and possibly a 180-mile race over the new course of construction between Palm Beach and Miami. A greater number of high-powered cars than were gathered together before are expected for the speed trials over Florida's hard sandy stretch of 14 miles, and most of them will go to Cuba for the road race there in February, to be held under Government supervision.

Convicted of Gagging Himself.

John T. Graves, the young man who several weeks ago robbed the safe of the Southern express company at Palatka, and then bound and gagged himself to prove his story that burglars had entered the office and committed the deed, was last week convicted in the circuit court of Putnam county and sentenced to the penitentiary at hard labor for a term of three years.

Paving the Way.

"Has Harold asked your father to give his consent?"
"He told father last night that he had made \$5,000 in a real estate deal, so I suppose he's asking him on the installment plan."—Milwaukee Journal.

No man is matriculated to the art of life till he has been well tempted.—George Elliot.

He that hires one garden (which he is able to look after) eats birds; he that hires more will be eaten by the birds.—Hebrew Proverb.

FORT DRUM.

Abbie Wright was in town Sunday visiting friends.

James Morgan was in town Saturday transacting business.

M. W. Knight will begin shipping his oranges in about two weeks.

Peter Raulerson was in town Saturday and Sunday attending special business.

W. W. Beecher has just returned from Kissimmee, where he has been for the past week.

Mrs. W. E. Drawdy was a welcome guest at Mr. and Mrs. John F. Parker's Saturday and Sunday.

H. A. Holmes left Tuesday for Alligator Bluff with a load of oranges, which is the first shipment this season.

J. W. Webb and Lee Brewer have spent several days assisting G. W. Drawdy, Jr., in plowing his fine orange grove.

R. D. Holmes, county commissioner from this district, is having the roads worked a great deal. It was needed very much.

Mrs. Merida Raulerson and Mrs. Kansas Brewer were pleasant visitors at the home of Mr. and Mrs. M. W. Knight last Sunday.

J. J. Barton, of Cypress Creek, expects to move to this place in a few days, where he expects to make his home for the future.

The school teacher accompanied by Miss Myrtice Chandler spent Saturday afternoon buggy riding, which they seemed to enjoy very much.

W. A. Roebuck started two teams to Alligator Bluff last Saturday, loaded with oranges. He expects to keep the teams going until he gets all of the fruit shipped to market. Mr. Roebuck has two nice groves here.

The stock in the Fort Drum pasture is looking pretty lean at this time. The water being so high for the past two months is the cause. It does not seem right to look at the cattle now, as our pasture has always shown the best beef in the South.

SEBASTIAN.

Mrs. Beers, of Daytona, is visiting her friend Mrs. Myers at this place.

Miss Ruth Foster entertained a few friends on Hallow'een night. They all seemed to enjoy themselves.

Miss Clementine Singleton, who is in charge of the Valkaria school, visited her sister here last Saturday.

Among those present at church during the week from other points, we noted Mr. Smith and wife, Miss Smith, Mesdames Vreeland and Holt and little Pearl Holt, all of Wabasso.
