R. E. BULLINGTON, Memphis, Tenn.

Midnight In The Ozarks.

and yet sleepless, Hirman Scranton, of Clay City, Ill., coughed and coughed. He was in the mountains on the advice of five doctors, who said he had consumption, but found no help in the climate, and started home. Hearing of Dr. King's New Discovery, he began to use it: "I believe it saved my life," he writes, "for it made a new man of me, so that I now do good work again." For all lung diseases, coughs, colds, la grippe, asthma, croup, whooping cough, hay fever, hemorrhages, hoarseness or quinsy, its the best known remedy. Price 50c and $1.00. Trial bottle free. Guaranteed by St. Lucie Drug Co.

Life's Little Tragedies.

A youth dashed into the florist's shop.

"There was something wrong about those red roses you sent the lady on Lincoln avenue," he declared.

"I'm sure they were sent," replied the florist. "I remember the order. You said you wanted the very cheapest ones, a dozen and a quarter. Here, Joe."

The new boy came forward.

"You remember those roses you took to Lincoln avenue Sure you got the address right?"

"Yes, sir. I took it off the bill for 'em, sir."

"Bring the bill here."

"I can't sir. I put it in the box with the roses!"—Cleveland Plain Dealer.

Saved His Mother's Life.

"Four doctors had given me up," writes Mrs. Laura Gaines, of Avoca, La., "and my children and all my friends were looking for me to die, when my son insisted that I use Electric Bitters. I did so, and they have done me a world of good. I will always praise them." Electric Bitters is a priceless blessing to women troubled with fainting and dizzy spells, backache, headache, weakness, debility, consumption or kidney disorders. Use them and gain new health, strength and vigor. They're guaranteed to satisfy or money refunded. Only 50c at St. Lucie Drug Co.

Glass Cups.

The first glass cups were made at Alexandria. Some were colored like Bohemian glass and decorated with glass pastes, imitating precious stones and cameos. Some were opaline, others clear as crystal and still others formed of opaque layers welded together like the famous Portland vase, in which the white upper layer had been cut away like a cameo, leaving a blue ground around the figures.

Kicked By A Mad Horse.

Samuel Birch, of Beentown, Wis., had a most narrow escape from losing his leg, as no doctor could heal the frightful sore that developed, but at last Bucken's Arnica Salve cured it completely. Its the greatest healer of ulcers; burns, boils eczema, scalds, cuts corns, sore-head, bruises and piles on earth. Try it, 25c. at St. Lucie Drug Company.

A Costly Lie.

"My wife found a poker chip in my pocket, and I told her it was a dyspepsia tablet."

"That was clever."

"Far from it! She swallowed the chip, and the doctor's bills cost me more than the jack pot."

Never Out Of Work.

The busiest little things ever made are Dr. King's New Life Pills. Every pill is a sugar-coated globule of health, that changes weakness into strength, languor into energy, brain-fag into mental power; curing consumption, headache, chills, dsypepsia, malaria. Only 25c at St. Lucie Drug Co.

So Settled.

"Yes, I am opposed to American girls marryin' furriners," said old Mrs. Sipes. "I'm jist that opposed to it that if my girls can't marry people of their own sex they needn't marry at all, and that's all there is about it!"—Lippincott's.

Chronic rheumatism contracts the muscles, distorts the joints and undermines the strength. A powerful penetrating and relieving remedy will be found in BALLARD'S SNOW LINIMENT. It restores strength and suppleness to the aching limbs. Price 25c. 50c and $1.00 per bottle. Sold by all druggists.
