

cut shows a loss beyond the amount the customer is willing to pay.

Paris, 28.—Monsieur Chollet, the Archbishop of Cambria, has issued a warning against the Tango. In his letter the Archbishop asks Christian families to bar it from their houses and asks the clergy to combat in an energetic manner "One of the most powerful dissolvents of French morality."

Chicago, 28.—Marie Lloyd the English music hall singer was married secretly on December 20th in this city to Dillon the English jockey. Dillon and his bride are registered at a Chicago hotel as Montague Lisle and wife, Chicago.

London, 28.—Admiral Sholto Douglass, retired, died at his home at Southsea near Portsmouth yesterday.

London, 28.—Negotiations between King George and the Kaiser over investment of funds of the Duchy of Lancaster an enterprise in which the Kaiser is largely interested has broken off. The Prince of Wales who will get the money when he becomes of age came from Oxford this week and apparently had influence enough to put a stop to the investment.

New York, 28.—The failure of the New York Telephone Company to prepare a statement of its income and expenditure for the use of the Public Service Commission in considering applications for reduction of rates prompted the commission to issue a peremptory order directing the company to give the required information before January fifteenth.

THE CHAMOIS

is possibly the most sure-footed of all animals, and it is famed for its remarkable agility.

SUNLIGHT SOAP

is the sure friend of every careful housewife and it is famed all over the world for the remarkable ease with which it dispels dirt from the clothes in the wash. The Chamois is to be found only on the loftiest mountain ridges, but SUNLIGHT SOAP is found in all parts of the civilized world.
