

C. P. KIMBALL AWARDED PLAQUE AT
JACKSONVILLE MEETING

Mr. C. P. Kimball, author of "Lepidoptera of Florida", was honored at the 1966 annual meeting of the Florida Entomological Society. The award was made for his many contributions to the state collection as well as for his work on "Lepidoptera of Florida". He began his compilation of the book in 1953. It was published in 1965 by the Division of Plant Industry, Florida Department of Agriculture.
