Powered FOR PERFORMANCE...  
Styled FOR COMFORT...  
Designed FOR SAFETY

The New MORRIS Six is a car with a brilliant performance... due to its powerful overhead camshaft six-cylinder engine. It is a car of beautiful comfort... all seats are within the wheelbase and the deep upholstery is resiliently sprung. It is a safe car... independent front suspension means excellent road-holding. Lockbrake hydraulic brakes give positive smooth stopping, wide clear vision gives full views of road and traffic, and light steering gives complete control and reduces driving fatigue. In addition to all these features there is, of course, the traditional MORRIS craftsmanship which means reliability, long life and low upkeep costs.
