IS BACKACHE JUST A SIGN OF AGE?

Many people suffer an aching back needlessly—believing you must expect a few aches and pains when you're "getting on" in years!

But backache is often caused by the faulty action of kidneys and liver. See how much better you feel after taking Dr. Chase's Kidney-Liver Pills, and your kidneys and liver both filter out impurities from your bloodstream. That's because this time-proven Dr. Chase remedy treats two conditions at once—contains special remedial ingredients for both the kidney and liver disorders which often cause backache.

If you're feeling worn-out, tired, headache—with painful joints and aching back—look to your kidneys and liver. Try Dr. Chase's Kidney-Liver Pills tonight. At all drug counters.
