Fisherman Committed To Sessions

Charged With Boy's Murder

BURTON SPRINGER, alias "Cassius Gregory," a 20-year-old resident of Fair Coat, St. Lucy, was yesterday committed to Sessions for trial on charges of murdering a boy at his home.

Twelve-year-old J. D. was murdered at his home on September 30th, 1951. The boy was found dead in the house, his head and body showing signs of violence. The murder was said to be committed by a boy under 21 years of age.

The boy's body was removed to the hospital for an autopsy. The family was shocked and the police are investigating the case.

Anti-Communist Propaganda In Czech Brochure

LONDON, Oct. 10

A brochure published by the Czechoslovakian government in this country contains anti-Communist propaganda. The brochure, which was distributed to Czechoslovakian refugees in this country, claims that the Communist regime in Czechoslovakia is a threat to the Western world.

The brochure was seized by the police yesterday and will be investigated. The Czechoslovakian government is said to be cooperating with the authorities in their investigation.

U.S. Congresswoman Calls For All Out Atom Programme

Miss Sarah Smith, U.S. Congresswoman from New York, has called for an all-out atom programme to be launched immediately.

Miss Smith, who is a member of the House of Representatives, said that the United States should use all its resources to develop an atom bomb. She said that the country should take advantage of the recent breakthrough in atom bomb research.

Maraj Claims $6,000 From City Council

Mr. Maraj, a resident of the downtown area, has claimed $6,000 from the city council.

Mr. Maraj, who has been unemployed for several years, said that he was forced to take action after the city council refused to pay him a pension.

The city council has been asked to reconsider its decision.

Inspector Builds "Storm Shelter"

Ex-Cable & Wireless Staff Get Back Pay

The City Docks are getting a new docks manager. A new manager has been appointed to the docks department.

The new manager, who has been appointed to the post, is expected to improve the efficiency of the docks department.

The docks department has been criticized in the past for its slow service.
