**A Short Summary**

By O. S. COFFIN

The West Indies — Australia Test series opens up Picture this book at Wembley. It is fast becoming one of the world's most exciting cricketing shows, a test of wits between two great cricketing nations.

The West Indies, with the help of our bowlers, have a good chance of winning this series. The West Indies have a fine tradition of cricketing excellence and the Australian team will be hard-pressed to keep them at bay.

The Australian XI

Skilful Bowler

Rahman Russell played a magnificent innings in the West Indies tour. He scored 245 runs in the first Test against the West Indies in Antigua, including a century and a half-century. His batting was stylish and fluent.

Skilful Bowler

Russell also played a magnificent innings in the West Indies tour. He scored 245 runs in the first Test against the West Indies in Antigua, including a century and a half-century. His batting was stylish and fluent.

Two Youngsters

They are the best young bowlers in the world. They have been selected for the Australian team and are expected to make a mark in the series. They have already shown their potential in the Sheffield Shield matches.
